Katanga Secession Brought To Forced End By U.N. Troops

Louisiana, Texas Start To Rebuild

Property Loss In Hundred Million; Death Toll At 15

GALVESTON, Tex. (AP)—Texas and western Louisiana areas in watery ruin turned today to a staggering task of rebuilding left by Hurricane Carla, one of the mightiest ever to roar out of the Gulf of Mexico.

With a possibility more bodies yet may be found, the death toll stood at 15 along 250 miles of coastline laid waste by hurricane gales up to 175 miles per hour, raging seas and a rash of tornadoes. Damage which may take months to compute ran into hundreds of millions.

Added to the mammoth recovery chore were problems of polluted water supplies and companion health threats in scores of towns and cities, a few still under as much as eight feet of water.

Flood threats posed by heavy rains in Carla's wake were another factor.

Also ahead was the return home for most of an estimated half million people who moved inland as Carla approached, a mass migration averting much heavier loss of life.

Ten of the deaths occurred as the dying winds of Carla hurled back tornadoes after the hurricane's center was many miles inland. Finally shorn of its vicious gales, remnants of the giant tropical storm moved northeastward out of Texas toward Missouri.

In a telephone conference Tuesday night, President Kennedy told Texas Gov. Prince Daniel that the director of the Office of Civil and Defense Mobilization, Frank B. Ellis, would arrive in Houston Thursday to inspect storm-ravaged areas.

Vice President Lyndon B. Johnson prepared to fly back to his home state with other federal officials. Daniel said the President may come to Texas later.

The governor said Galveston and inundated Texas City, on the mainland nearby, "right now appear to have the greatest need for additional state help from the standpoint of food, health and the protection of property."

Rolling toward the coast was a 38-car special train taking 122 men and 80 vehicles to restore 100,000 telephones knocked out by the hurricane.

Esther Spins Strong Gale In Atlantic

MIAMI, Fla. (AP) — Hurricane Esther, with peak winds at 130 miles an hour, churned on a west-northwest course today as the tropical Atlantic tossed out hurricanes in Roman candle fashion.

Betsy, Debbie and now Esther have sprung in the past two weeks from the tropical storm nesting grounds off Africa's west coast.

A hurricane hunter airplane from San Juan, P.R., penetrated the storm early today and estimated the center about 1,400 statute miles east of San Juan. The hurricane was moving west-northwest at about 12 m.p.h.

Esther was labelled a "dangerous hurricane" and shipping in her path was warned to exercise caution.

The peak winds cover a small area near the center. Hurricane force winds extend outward 135 miles in the northern semicircle and 65 miles in the southern semicircle. Gale winds extend outward 230 miles in all directions.

Step To Man In Orbit

U.S. Orbits Space Device Carrying 'Artificial Man'

CAPE CANAVERAL, Fla. (AP)—The United States sent a mechanical astronaut in orbital flight around the earth today and 10 minutes after launching signalled a return.

Reverse rockets were set off as the space traveler sped over the Mexican west coast, to slow it for a descent into the Atlantic east of Bermuda.

There an attempt was to be made to recover the project Mercury capsule, just as would be done if a spaceman were aboard.

If the space craft parachutes safely into the Atlantic Ocean after one circuit of the world, plans call for a chimpanzee and then a man to be sent into triple orbits about the earth, hopefully—but not optimistically—by the end of the year.

A powerful Atlas missile thundered aloft at 9:04 a.m. with the two-ton capsule perched on its nose. Bolted inside the spacecraft was a gray box called a crewman simulator which was to "breathe, sweat and talk" in realistic fashion.

The Mastoff looked perfect to bystanders.

The Atlas' mission was to hurl the 9-foot-tall bell-shaped capsule into orbit at a speed of 17,400 miles an hour. The orbit was to range from a low altitude of 100 miles to a high point of about 150 miles.

The 85-foot rocket assembly sped into a partly cloudy sky spewing a triple tail of fire from its three big engines.

About 30 seconds after liftoff it arched over on its intended trajectory toward the northeast, vanishing from sight about three minutes after launch.

The tracking station at Bermuda reported about a minute after launch that it had acquired signals from the space craft as the Atlas rose into the sky.

After one 118-minute circuit, reverse rockets were to fire to slow the vehicle so it would be drawn into the earth's atmosphere for a landing 230 miles east of Bermuda. A large recovery fleet stood by in the impact area.

President Flees, Raps U.N. Action

Administrator Is Selected To Take Over In Province

LEOPOLDVILLE, the Congo (AP)—The United Nations announced today a forceful end to Katanga's secession from the Congo. U.N. troops downed military resistance in a blood-spilling fight of several hours at Elisabethville, the provincial capital.

President Moise Tshombe fled, denouncing the attack, and the Leopoldville central government appointed an administrator to take over the mineral-rich province.

"The Katanga secession is over," U.N. headquarters here was told by its Elisabethville representative, Conor Cruise O'Brien. "Katanga is now a Congo province."

This would mean an end to the independence of the lush, copper-laden plateau land proclaimed by Tshombe 14 months ago.

It also would mean diversion of millions in tax revenues from Katanga's $980-million annual production to the treasury of deficit-run central government.

Casualties among Elisabethville defenders were undetermined.

Swedish sources said one U. N. soldier, a Gurka in Indian ranks, was killed. They reported five Swedes and seven Indians wounded. U. N. headquarters here said two U. N. soldiers were killed and five or six wounded.

Premier Cyrille Adoula announced the Katanga army — stripped of its 500 or so white mercenaries by another show of U. N. force Aug. 28—will be integrated with troops of the central government's commander in chief, Gen. Joseph Mobutu.

Adoula told newsmen he had asked the United Nations to take over all essential services in Katanga and his government has declared a state of emergency in the province.

Petition Seen Futile To Halt School Plan

Southern, Franklin Merger To Become Effective Thursday

The formal merger of the Franklin Local and Southern Local school districts is due to become effective Thursday, but a last-minute petition from Franklin Local residents for a merger with Carroll County districts has been submitted.

County School Supt. James McBride received the petition, bearing signatures of 307 Franklin residents, from Fred Johnson, who seeks transfer of the Franklin district to Carroll County school district with an election on the proposal.

The petition does not have sufficient signatures to qualify as a remonstrance petition, which would delay the merger to permit an election in the two districts on the proposal, authorities said.

A remonstrance petition would require signatures of 35 per cent of the voters in the two districts, and Johnson says the petition he has offered includes about 10 per cent.

However, he says the petition represents 98 per cent of the Franklin voters.

The merger was authorized by the County Board of Education Aug. 15, and was to take place following a 30-day period in which a remonstrance petition could be filed.

Franklin Local operates one school for the first eight grades at Summitville, and is faced with the need to consolidate with a 12-grade system.

Johnson said he did not file a taxpayer's suit against the planned merger, because he did not want to halt construction of a new Southern Local high school near Salineville for which a bond issue was approved earlier this year.

Johnson said he is interested solely in permitting Franklin Lo-

Relief Still Promised As Mercury Hits 91

The mercury soared to a sizzling 91 high Tuesday for the second time this week as the Ohio weatherman insisted cooler weather is coming.

But he put off the relief for another 24 hours, forecasting a cooler trend Thursday afternoon following scattered showers this afternoon, tonight and tomorrow morning.

The 91 high Monday and yesterday marked the peak of the summer heat — the previous high was 90 for the season.

Today's high range will be 78 to 85 which would be a slight break in the hot and humid seige. It will be windy and continued warm tonight with a low range of 66 to 70.

The Stratton Dam, which recorded the 91 yesterday at 4 p. m., had a low of 74 this morning. The downtown had 69.

FREEWAY CONSTRUCTION. This aerial view shows the progress being made on the new city freeway from the W. 8th St. overpass toward W. 3rd and Monroe Sts. A portion of the overpass is visible in the lower left of the photo as big earth haulers work to build the roadway to grade level. In the center can be seen City Hospital with the retaining wall constructed for the freeway on the right as the roadway swings to the left beneath the Newell Bridge. Work on the 2.5 mile freeway by Chapin & Chapin, Inc., of Norwalk and Baker & Hickey Co. of Columbus is about 55 per cent complete. The bottom photo shows an aerial view of a new bridge being constructed on State Route 154 near Elkton. The project is about 25 per cent completed. Both aerial views were taken by the Division 11 office of the State Highway Department.

Named Campaign Chairman

Emmerling Will Direct Community Fund Appeal

Richard R. Emmerling has been named campaign chairman for the October fund-raising drive of the Community Fund Association.

His appointment was announced today by Robert E. Boyce, association president.

Emmerling is manager of the Consumer Credit Department and is assistant cashier at the First National Bank. He has been active in many community organizations, having served as an officer or director in such groups as the Kiwanis Club, McKinley Parent - Teachers Association, Chamber of Commerce, Junior Chamber of Commerce, Pony League and the Columbiana County Council of Boy Scouts.

He also has headed such fund-raising campaigns as Red Cross in 1959 and served as assistant drive chairman in the two preceding years. He was East Liverpool chairman for the Columbiana County Retarded Children Council in the 1960 and 1961 campaigns.

Emmerling is a choir member and Sunday School teacher at Trinity United Presbyterian Church and is a member of Mas-

Brokaw Still Waits Raid Information

A section of the Columbiana County Grand Jury's docket is labeled "reserved" for evidence concerning charges against the Lisbon Salesbook Co., but by noon today information needed in the case had not yet been received from state officials, Prosecutor William Brokaw said.

The firm was raided last Wednesday by Ohio Attorney General Mark McElroy, and large quantities of numbers betting book forms were seized by the state official, who said the company was the third largest such illegal printing operation in the United States.

Brokaw, who is currently presenting 30 criminal cases to the panel which convened Tuesday, said he will include the charges against the firm when McElroy provides him with needed data.

According to the prosecutor, no charges or information have been filed by the attorney general, and the only legal paper in the Courthouse in connection with the case is the search warrant obtained by McElroy.

Brokaw said time has been set aside Thursday for hearing evidence if information is provided.

Postal Plan's Preliminary Airing Staged

Wellsville Session Hears Details For Combined Building

A preliminary discussion on the possibility of constructing a combination post office and municipal building in Wellsville was held by members of Wellsville City Council and officials of the Post Office Department Tuesday night.

Council was informed by the postal authorities that such a project is possible. The proposal aired last night called for razing of the present City Hall at 5th and Main Sts. and erection of a new building, taking in some neighboring pieces of property.

When the meeting was first announced it was indicated the session was to be a caucus but several persons were in the audience and voiced opinions.

John Meinhart of Cincinnati, regional real estate director for the Postal Department, headed the delegation of four men which included William Rahter, a former Wellsville resident and son of Mrs. Mary Rahter, Council president.

Council members present were Mrs. Rahter, Paul Nelson, Donald Miller, Aguin Bowling, Clarence Cartwright and William Stroble. Absent were Councilmen Robert Taggart and George Mackall.

The group told Council such a building could be constructed. They presented plans showing a one-story building and another for a two-story structure. The city would have to hire an architect to survey the plans, determine the cost of the building and then learn from the Post Office how much it would pay for rental.

The program calls for the city constructing the building with public funds and then retiring the debt with the rental fee. After approximately 20 years the city would have the cost retired and own the building.

The postal group said a mini-

6 In Hancock Indicted For 11 Felonies

Arraignments Held For 2, Others Given Dates For Hearings

In one of the briefest sessions on record, the Hancock County Grand Jury ended a one-day meeting Tuesday in New Cumberland by returning 11 felony indictments against six defendants.

Two defendants were arraigned before Judge Ralph E. Pryor, who set dates for others to appear in court during the September term.

Phyllis Audrey Martin of Wick entered a plea of innocent to an indictment charging arson. Her trial was set for Sept. 25 at 9:30 a.m.

She is charged with setting fire to a 1949 model National Coach house trailer of Mrs. P. L. Owens of New Cumberland Feb. 25.

John Joseph Varlas of Weirton entered an innocent plea to one of two indictments charging assault. Trial date was set Oct. 25 at 9:30 a.m. on both.

The first indictment against Varlas charges felonious and malicious stabbing of Joy Jeanette Faller, and the second alleges malicious and felonious stabbing of Harry Lawrence Scammell and assault with blows of an iron bar.

Arraignment was scheduled today for Edward Lee Young of Weirton, who was indicted on a charge of theft of $654.30 in jewelry from the Granada Jewelers in Weirton June 9.

George Breedlove, indicted on four counts of forgery, is scheduled to be arraigned Thursday. The indictment alleges Breedlove uttered checks of $38, $20 and two for $25 with intent to defraud Mona G. Salerno, James Ferrelli, Fred H. Lewis, and Helen Quatro, proprietor of the Broadview Inn, in August.

Earl Henry Caldwell of Weirton was indicted on a charge of felonious and malicious stabbing of Rachel Mintdrop June 24. Ar-

Judge Gives Warning On Sterner Penalties

Municipal Judge Samuel M. Chertoff served notice from the bench today that he will deal sternly with traffic violations which occur during school hours as a way of reducing the danger to youngsters.

He served the warning after imposing a fine of $10 and costs on Dave Delong, 35, of 2137 Michigan Ave., cited Tuesday at 1:10 p. m. on a charge of speeding 38 miles an hour in a 25-mile zone on Pennsylvania Ave. Delong pleaded guilty.

"The court wishes to give fair warning to all drivers that it will deal sternly with any traffic violations which occur during school hours," the judge commented. Judge Chertoff said he seeks to eliminate violations which might endanger children's lives.

Kenmar Firm Nears Normal Production

EAST PALESTINE — Production at the Kenmar Manufacturing Co., where a 3½-week strike was settled last week, is to reach normal output Thursday, officials said today.

About 90 per cent of the working staff was on the job with the remainder due to be called for tomorrow. A six-month extension of the previous contract cleared the way for work resumption at the furniture concern.

Set For Late October

Yearly Chamber Meeting Planned

The Chamber of Commerce will hold its annual fall membership meeting late in October at the Country Club, it was decided Tuesday night when the Board of Trustees and committee chairmen met at the Travelers Hotel.

Two tentative dates were picked for the fall meeting — Oct. 24 or 25. The program will be on regional planning and community development.

In connection with regional planning, Dean Wilhelm reported on a recent meeting with the County Agricultural Council at Lisbon. He said the group decided to petition county commissioners to establish a group to make a study of area planning.

—:—

IF THE commissioners act, it can lead to establishment of a regional planning board in the county. Wilhelm said the group favored regional planning — work for the betterment of a series of related areas — as opposed to countywide planning.

The need for adequate, safe water supplies and efficient sanitation systems in suburban areas was seen as one of the principal needs, Wihlelm said.

H. Judson English chairman of the safety committee, also reported on recent activities.

The safety committee represented the Chamber in a recent conference with Council seeking legislation to require standards for venting gas space heaters and similar equipment, he said. The committee has co-ordinated driver training programs in nine county high schools and distributed safety education materials to all schools for the new term, he said.

—:—

THE HAZARDOUS stretch of Route 30 at Cannons Mills has been pointed out to the safety engineer of the Division 11 office of the State Highway Department, English reported. Two recent highway fatalities have occurred on the stretch.

The committee recognizes that the dangerous stretch will be eliminated in a few years with construction of the four-lane Lake Erie-Ohio River Freeway, but it feels some action should be taken to make it safer in the meantime, English reported.

English also explained preliminary planning for the local observance of National Fire Prevention Week in October. As in the past, the Chamber expects to hold a "kick-off" dinner for district fire chiefs and furnish them with campaign materials. It also will distribute fire prevention literature to schools throughout the area, he said.

Edwin Maloney, chairman of the public education committee, reported on the reception held Sept. 5 for new teachers in the East Liverpool and Beaver Local school systems.

The program, including a tour of the city and a luncheon, "received much favorable comment and we intend to continue it," Maloney said.

—:—

DR. MYER ALPERN and C. W. Ashbaugh, co-chairmen, reported for the industrial development committee. Dr. Alpern said the group has been broken down into seven two-man sub-committees that will call on existing industries and offer their help.

Atty. Francis H. Lang, chairman of the highway committee, discussed plans for two scheduled meetings. They are a conference between the Board of Directors of the Lake Erie - Ohio River Highway Association and Highway Department officials Friday at Salem and a meeting Sept. 20 at Steubenville between highway officials from Ohio, Pennsylvania and West Virginia and members of the Upper Ohio Valley Development Council.

Winston Porter reported on recent activiteis of the local UOVDC committee. E. R. Chandler, secretary-manager, reminded that an economic discussion group will hold its first session Tuesday at 7 a.m. at the Travelers Hotel, with School Supt. Ralph W. Betts as leader. The nine-week course will continue two mornings each week at the same time.

—:—

THE MEETING concluded with a workshop on Chamber leaders' responsibilities, conducted by Richard L. Baily of Toledo, district manager for the Chamber. Most of the discussion centered on Baily's answers to written questions from the audience.

Local Chambers are involved in "much broader work than they were 30 years ago," Bailey said, asserting the trend has been away from "boosterism and backslapping" and toward undertakings that benefit the community.

"There isn't unlimited manpower and time for the jobs," Bailey said. "We must decide how to apply them best."

Then he listed five fields which he said are worth equal emphasis in any local Chamber's program: Community improvement; industrial and commercial improvement; economic and political education; legislative affairs, and organization improvement.

—:—

THE DISCUSSION ranged over dozens of topics, including urban renewal, planning and zoning, public relations, budgets and membership fees, parks and recreation and tourist attractions.

Twenty-five attended. Alvin T. Babb, president, presided.

Fund

licitations. According to Emmerling, some 700 to 800 active workers will be needed in the nine divisions of the campaign organization.

He expressed the hope "that local persons will volunteer their help by phoning Community Fund headquarters (FUlton 5-2082), or if approached by one of the division chairman and requested to serve, that their answer will be yes. Each of the six agencies maintained through the Community Fund deserves public support. The Boy Scouts, Girl Scouts, YMCA, Recreation Council, Salvation Army and USO all make a vital contribution to community welfare. It is our responsibility to support them with our time and our gifts."

The campaign organization will include nine divisions, each soliciting gifts from a classified list of prospective donors. Divisions are Advance Special Gifts, Mercantile, Industrial, Women's, Men's, Public Service, Professional, Public Affairs and Chester. These divisional appointments will be announced as soon as the roster is completed, probably within a week.

The overall campaign goal, budget allocations to the six participating agencies, divisional quotas and other financial details of the campaign are being planned now in a series of meetings between campaign leaders and Community Fund Association officials.

Brokaw

(Continued from Page One)

The attorney general's office said it was sending John W. Gleason, an assistant, who took part in the riad. He also was scheduled to discuss possible padlocking of the firm.

The prosecutor said today he doubts if charges will be filed against individuals in the case, but he is saving a place on the docket for presentation of evidence against the corporation. Martin and Isadore Sufrin of Pittsburgh, the owners.

Brokaw said he hopes to complete his presentations in order to have the Grand Jury report Friday afternoon.

The panel is currently on schedule with 15 witnesses slated today for testimony in 10 cases.

Thursday's schedule calls for 12 witnesses in eight cases.

Unity PTO To Meet

UNITY — The Unity Parent-Teacher Organization will hold a "get-acquainted" coverdish dinner Thursday night at 6 at the school, followed by the first fall business meeting at 7:30, Mrs. Louis Danch, president, announced.

Dinner To Be Friday

Music Association's Fall Signup To Be Launched

Final arrangements for launching the annual fall membership campaign of the Tri-State Civic Music Association were made at a meeting Tuesday night at the home of the president, Ernest Lowe, of Wedgewood Ave.

The "kick-off" dinner is scheduled for 6:30 p.m. Friday at St. Aloysius Parochial School Hall. Mrs. Meyer Alpern, chairmen, may be reached for details concerning guests.

Mrs. Blanche Eli, New York representative of the Civic Concert, Inc., will assist in mapping out the campaign. A native of California, she has been associated with the firm for some five years and also is connected with the Chicago office.

Kits will be distributed to the workers and division leaders and captains will be announced.

Miss Olive Williamson, executive secretary, will be at headquarters in the Little Building, on the Dresden Ave. side, daily next week, beginning Monday.

Outlying areas open for membership are East Palestine, Lisbon, Columbiana, Midland, Salem, Chester, Newell and Wellsville.

Others attending were Miss Virginia Rigby, Mrs. Herbert Plotts, Miss Louella Thompson, Mrs. Jane Neiser Rife, Mrs. Ruth Wakefield, Mrs. Leslie Ellis, Mrs J. B. Cartwright, Mrs. Beulah Malkin, Mrs. Lowe, Miss Williamson and Paul Blair.

cal residents to decide where they want to send their students. He said a similar problem arose in Holmes County, and the courts granted the school district an election.

McBride turned the petition over to County Prosecutor William Brokaw for study. Brokaw is currently presenting criminal cases before the September Grand Jury, and has not yet had time to make a full analysis of the petition's effectiveness.

Some legal authorities doubt if the petition can affect the slated merger.

The county board, in setting the consolidation, appointed a new five-member Board of Education for the new district. The appointees are J. B. Fergason and Martin Adams of Salineville, Jack Stewart of Yellow Creek, John Ewing of Wayne Township and John Dangelo of Franklin Local.

The new board is to select a name for the merged districts.

Johnson last month said a main objection to the consolidation is the distance of the Franklin area from the new high school which is to be built on Route 39 east of Salineville, about 14 miles from Franklin.

Man, 28, Bound Over On Charge Of Assault

Clarence Jones, 28, of 8th Ave., LaCroft, was bound over to the Grand Jury under $2,500 bond today in Municipal Court on a charge alleging assault with intent to rape a 20-year-old woman who is a relative by marriage.

Jones pleaded not guilty when arraigned for a preliminary hearing before Judge Samuel M. Chertoff on a charge filed by the woman, also a resident of LaCroft. The woman said the attempted rape took place in her home Monday. She filed the charge Tuesday. The judge heard testimony from the woman before ordering Jones held for the higher court.

Rural Youths May Enroll In Peace Corps

LISBON — Columbiana County young people who are over 18 and have rural and 4-H background are invited to volunteer for a Peace Corps project being considered for Latin America, according to Floyd Lower, county extension agent in agriculture.

The exact location of the project cannot be announced because negotiations still are under way but participants would work as two-person teams to help 4-H-type rural youth programs.

The teams would assist homeland extension workers in recruiting and training local volunteer club leaders and help members with projects, demonstrations, meetings, exhibits and recreation.

The Peace Corps assignment would be for two years starting about Dec. 1. It would include a three-month training program in the language of the country as well as its customs and culture at the national 4-H Club Center at Washington.

Selectees will be accompanied to their assignments and guided in their work by a project directors representing the national 4-H Club Foundation.

Lower said interested county young people should call, write or visit the county extension office as soon as possible. The office will have additional information and Peace Corps application forms.

Combined City Hall, Post Office Favored By Club

The Wellsville Women's Civic Club Tuesday night went on record favoring a proposal that a combination post office and municipal building be constructed in Wellsville.

Mrs. Helen Welch spoke briefly on the plan, which is being discussed by postal authorities and city officials.

The club met at the Elks Lodge for the first of the fall. A donation was made to the volunteer firemen.

Plans were started for a dance in October. No date was set. Mrs. Peggy Rawlings will be in charge of a jewelry party in November.

It was announced a total of $1,355.67 was collected in the Cancer Fund campaign conducted in the spring by the club. Of this, $375 was provided by Crucible Steel Co. charities.

The Lunch committee for the meeting Oct. 10 will be Mrs. Martha Somers, Mrs. Evelyn Nightingale, Mrs. Martha Wilson and Mrs. Marjorie Dysert.

Session Canceled At Youth Center

There will be no Midland Hi-Spot Youth Center session following the Lincoln High School football game Friday evening due to refinishing of the ballroom floor.

Mrs. William Spisak, director, said the center will open again with a dance Saturday, Sept. 23. Lincoln High plays at Beaver Sept. 22.

She said the floor will be sanded, and given two coats of sealer and two coats of finish. Announcements of the closing will be made at the high school.

The ballroom has been painted and additional painting is expected to include the game room.

Mrs. Spisak said record crowds have attended the two sessions so far this term. Over 200 attended the "Back to School Hop" and over 350 last Friday following a home football game.

Autoists Are Unhurt In Hancock Collision

WEIRTON — Cars driven by Steve Takach, 46, of New Cumberland R.D. 1 and Harold A. Otey, 31, of Weirton collided Tuesday afternoon at 3:30 on North Kings Creek Rd.

Hancock County sheriff's deputies said Takach slid on oily surface into the car of Otey. The road is being repaired.

Neither driver was injured. Deputies estimated $300 damages to Tackach's 1955 Chevrolet, and $250 to Otey's 1960 Buick.

Lessons Learned From Carla

Once, no one knew what to expect from a Caribbean hurricane. Until recent years, no one knew a hurricane was coming, until it was too late to do much about it.

Hurricane-belters relied on the same instincts that made birds and animals uneasy before the onslaught of a great storm. And when the storm came, their survival was by chance, not design.

They now have scientific detection of hurricanes. They are no longer helpless.

The evacuation of people from large sections of the Gulf Coast before Hurricane Carla wreaked its damage was a tribute to scientific detection and systematic precautions.

There was strong evidence for the first time that people in the hurricane belt can be persuaded to leave their homes and possessions in order to save their lives. Old-timers would have thought such large-scale movement of human beings to safety was impossible.

If there was going to be a disaster, they were going to be part of it they said. They were fatalists. Some of them, perhaps, were defeatists. Whatever they were, they would not have run away even if they had been given the means.

The automobile now gives them the means. The communications media gives them the information. The government, the Red Cross and widespread awareness of danger give them the help they need.

There always will be fatalists who will wait to get what they think is unavoidable if it's their time to get it.

There always will be the reckless and the inept who cannot be helped because they cannot help themselves.

There also will be people with the instinct to claw for survival; the ones willing to leave their earthly possessions behind if fleeing can save their lives.

The United States learned about more things from Hurricane Carla than the force of the winds and the predictability of disaster defense would work in a showdown.

At War With A Shadow

An ominous note has been sounded.

The Soviet Union has told the West that East Germany has the right to regulate all foreign travel to East Berlin.

It has told the Western Allies their complaints should be taken up with the East German government. This is the prelude to telling them that East Germany has the right to regulate foreign travel to West Berlin as well as East Berlin.

If they have the right to do the one, they have a presumed right to do the other. That's why an ominous note has been sounded.

West Berlin is an outpost that could be put under siege any time, as it was put under siege in 1948-49. On that occasion, the siege failed because of the Berlin airlift.

As it turned out, the airlift was the tremendous price the Western Allies, chiefly the United States, paid for the ransom of beleaguered Berlin.

THERE COULD BE no airlift without Russian forbearance. If Allied cargo planes were attacked by Russian fighter planes and Allied fighter planes took to the air to defend them, war would have begun.

The typical Communist twist in all this would be that the war would have begun between the United States and the puppet state of East Germany. The Russian planes would be piloted by East German aviators.

The United States would try to broaden it out to a war between the United Nations and the Communist Conspiracy. But in fact the Korean war was between the United States and a shadow nation called the People's Democratic Republic of Korea. Before it was suspended, the war was between the United States and the People's Republic of China.

Never was the real opponent's identity involved in either the fighting or the negotiations to end the fighting.

THIS IS THE way it would be if the United States became involved in war with the German Democratic Republic. It would be fighting a shadow, just as it and its allies soon may be negotiating with a shadow over their right to possess something the shadow has taken away.

The German Democratic Republic—East Germany—will become the antagonist of the Western Allies, if the Soviet Union presses for a showdown on Berlin. The Kremlin will let its puppet state have the distinction of tangling with the great United States—the same bitter prank it played when it let the United States come to grips with the People's Republic of Korea and achieve, of all things, a truce.

One For All, All For One

The steady expansion of St. Clair Township has been accompanied by the usual problems of roads, sanitation, school facilities and other growing pains.

These problems have been tackled by the trustees, real estate developers, school officials and others with varying degrees of success, and the area continues to have great appeal as a residential and commercial business center.

However, several challenges face the township in the future, and many of these can most easily be met by community action apart from the sometimes restricted action of governmental bodies.

The St. Clair Township Development Association is one instrument by which such matters as sewage and water supply can be studied and solutions devised. Community planning is another phase of activity in which the group has shown some progress.

But many residents have failed so far to grasp the potential of the association and the time is fast approaching when the true interest of the citizenry must be displayed.

Association leaders are urging residents to attend the monthly meeting and to help prepare new plans for the township.

The future of St. Clair Township is being worked out today, and it is the home owners and leaders of the area who must decide if it is to be a haphazard course of coincidence and necessity or a careful preparation for better living for the years to come.

Only The Outcome Is Certain

Walter Lucki and Walter Fingulin aren't going to become as celebrated as Nicola Sacco and Bartolemeo Vanzetti, the foreign agitators befriended by the labor unions a generation ago pending their execution for murder.

But Lucki and Fingulin could be turned into a celebrated case with a touch of reverse English. They are labor unionists accused by their union brothers of United Auto Workers Local 971 of working too hard.

The history of their case shows that the Bendix-Westinghouse Automotive Air Brake Co. in Elyria, Ohio, has been under a production limit imposed by the local union last Aug. 26. This limit made it improper for workers to earn extra pay for producing beyond 100 per cent of their company-set quota. Lucki and Fingulin refused to abide by the quota.

They overproduced. If this constitutes a punishable offense against their union brothers, they could lose their jobs because the union could expel them. They could not be employed in that event, because their employer has recognized a union shop. They have no right to work as hard as they please and might have no right to work at all.

This could be quite a case, if it gets out of hand. It already has brought into use such forbidden words as "slowdown" and "stranglehold."

We don't know how long it will take for foreign competition finally to overhaul U.S. production, but we do know that will be the outcome unless Americans are willing to compete with Russian, Japanese, German, Italian and other workers who are still trying to see how much they can produce with their efforts, not how little effort they can exert and still make a living.

Getting So A Guy Can't Even Dig A Shelter

Hoffa Signs New Union Ally

By Victor Riesel

A full stock of "handsome, gold-plated perfume-filled spray atomizers" has just been stored by Jimmy Hoff's Teamsters Brotherhood. The sprayers —with "choice of one or two highly desired perfumes" — will be given free as a bonus to activists.

Victor Riesel

I never did think I'd be giving Jimmy a word of good advice. But it is hereby suggested he keep the atomizers in stock as a deodorant if he continues to sign political and organizational "mutual assistance" pacts such as the one he signed the other day.

Jimmy H. sat down with one John Clark, president of the International Union of Mine, Mill and Smelter Workers — and signed a document pledging mutual help on many fronts. It only can be hoped here, even where Hoffa is concerned, that he knew not what he did.

I HAVE BEEN keeping my eye on Brother Clark for a long time because his union is literally deep in the heart of our defense complex. It controls membership which digs everything from nickel — vital to thermonuclear bomb production — to uranium and copper.

It can be reported here that a federal record shows that in October 1952 John Clark refused under oath to deny he was a member of the Communist party, or that his union collaborated with the American section of what was then the Communist International (Comintern).

"The fact of the matter is," a Senate committee chairman asked, "you are a member of the Communist party now; are you not:"

The answer: "I refuse to answer that under the privilege of the Fifth Amendment."

"Does your organization collaborate with the Communist party on labor matters?" the committee chairman asked. Again Mr. Clark swallowed another Fifth.

CLARK STILL is president of the Mine, Mill union and apparently needs allies, for all is not going well. I returned from Europe in time to be told of his efforts to keep dissidents from bolting his union because they loathed his left wing politics.

The rebels are important, for they are from Sudbury (Ontario), Canada — the neighborhood of the International Nickel Co. The nickel is mighty important to us now that Fidel Castro liberated the U.S. government nickel mines from us down Cuba way.

Half of the membership of Clark's entire Canadian organization is in the Sudbury 17,000-member local, which wants to get out and join Dave McDonald's United Steelworkers.

The local refused to send the Mine, Mill international headquarters in Denver some $25,000-a-month in dues, and Clark and Company dispatched a trustee there late in August.

THE PARTY got rough. The union headquarters in Sudbury was barricaded. Rocks were heaved. There was slugging all over the place. The police came with firemen and hoses as reinforcements.

The union headquarters was boarded up. Finally Clark's trustee took over.

The Sudbury rank-and-file went into court to get back their million dollar building and their union rights as well.

On Wednesday, Sept. 6, Chief Justice McRuer ruled that the Mine, Mill International men had taken over illegally and the Sudbury union was returned to the people.

Now the Sudbury local wants to take its members into the Canadian Labor Congress (the AFL-CIO of Canada). Some years ago the Canadian Congress of Labor (the old CIO) had expelled the Mine, Mill union. The Canadians wanted none of its pro-Sovietism.

There are hundreds of pages of testimony before the Senate subcommittee on Internal Security which pin the pro-Communist label on Clark's union.

I don't know how much of this Jimmy Hoffa has read. But he had better, it seems to me. Especially since the pact he signed with Clark says: "The parties shall wherever possible work together and with other unions in political activity beneficial to the interests of each other and to organized labor. . . ."

Read the small print, Jimmy, read the small print.

Letters To The Editor

Orchids for the Review and onions to the Webster Dictionary publishing people! What a deplorable thing it is to discover that "ain't" is now to be considered grammatically acceptable.

In a line or two, I will intimate why I think such is the case. First, congratulations to The Review for taking a stand against its use.

Before any of you readers fall in line and add this now respectful word to your vocabularies, ask yourselves a few elementary questions: Do I say something because someone else does so? Do I do a thing because someone else does it? Do I think some one way because someone else does? The answer should be obvious to anyone but a parrot. Be an individual and stick to your guns.

Let us assume that someone phones and asks for me when I have gone out to mail this letter to the editor. Shall my wife say: "He ain't here. N' if'n he ain't here, he cain't marry, bury, talk, pray or baptize for you!"

No. She has two other constructions to choose from: "He is not here" or "He isn't here." Both of these are correct, and the secondary choice is at least a contraction derived by a logical method. Three choices! Why make the most objectionable?

It might help us to decide not to use the word if we would simply review the present indicative of the verb "to be" in its negative forms. Then, try to figure out how "ain't" can even be remotely arrived at by logic, contraction, construction or otherwise. The only conclusion one can arrive at is that someone with a cleft palate or terrible sinus condition simply gave up on trying to vocalize the word "aren't."

Please be an individual and don't use this lately respectable word merely because someone else does. If you must persist in your wish to use it, at least think it out and be prepared to defend its usage on semantically reasonable and etymologically sound grounds.

My only hope is that "lebenty-seben" more articulate English teachers have already deluged the editor with mail to uphold the use of proper English and to deplore and discourage conformism.

"Lebenty - seben?" Why not? Brer Rabbit uses it!

REV. JAMES D. SANKO

I read closely "Letters To The Editor". I agree with many and am glad to see some people aren't afraid to express their views. If my letter is published, I will believe in freedom of the press.

There are many, I am sure, would agree with me when the complaint is parking meters and meter maids. From the beginning, they have been a mistake, and still are as far as I'm concerned.

An article Sept. 6 in The Review asking Council to buy new meters was of interest to me. The reason was that some of the old ones were unsatisfactory and that coins jammed the meters if not deposited in a certain way. I wonder how many know this. On Sept. 5 I parked my car on W. 5th St. preparatory to shopping. I put a nickel in the meter. It did not register. I put pennies in. They did not register. Thinking the meter was out of order, I went on my way, only to return and find a ticket. Wasting my time and patience, I walked to the office to tell them the meter wasn't working.

I was informed by a most unfriendly person that if I have lived in East Liverpool as long as I have I should know how to work a parking meter. The Meter Maid said she was tired of complaints and everyone should know you have to pay five pennies first then a nickel if you wish to park two hours.

In all fairness to the citizens of our town, the meters should be plainly marked and painted as to what order coins should be deposited. Otherwise, Meter Maids should be instructed not to ticket those meters. Why are they not marked? Is it so Meter Maids can write more tickets? Tricky, unmarked meters are as dishonest as stealing in my opinion.

Merchants advertise, "Shop in your home town". Why should we? Other cities have better parking facilities and friendly officers. Perhaps citizens would not protest so much over the city income tax if we had a few less meters and maids. To City Council: Why buy more meters? Who wants them? The Meter Maids?

Khrushchev Unmasked

By David Lawrence

U.S. Readers Need Background On Lies

Many people wonder why American newspapers give extensive space to Nikita Khrushchev's views. For the Soviet Union rigidly censors its own press and keeps the people there from reading what the President and secretary of state of the United States and leaders in our Congress have to say on world affairs.

David Lawrence

There is, of course, no justification for withholding Khrushchev's statements from the American people. To publish them is sound journalism.

It is important, however, to print the other side — the American side — that is, to interpolate for the benefit of the American reader the meaning of some of the Soviet premier's strange statements and to call attention to his misuse of words.

Thus, the New York Times the other day devoted two whole pages to the story and text of a very interesting interview with Mr. Khrushchev obtained in Russia by C. L. Sulzberger, one of the most capable of American correspondents in Europe.

Previously Walter Lippmann and James Reston, and recently Drew Pearson, interviewed the Soviet premier for a large number of newspapers in this country.

Mr. Khrushchev periodically gives many hours of his precious time as head of a large government to what seems to him is a very useful means of getting his views across to the American people.

The American writers accurately reproduce his statements at length, and many readers who do not follow some of these matters too closely find themselves reading what appears to them to be reasonable and often seemingly persuasive arguments.

THE "VOICE OF AMERICA," moreover, doesn't get in a year as good a penetration of the Soviet Union's listeners and readers as Mr. Khrushchev gets in a single day in the United States through a lengthy interview with some well-known American correspondent.

This writer would find it personally obnoxious to sit down with Nikita Khrushchev for an interview or any other conversation because the Soviet premier is not a man who tells the truth. Mr. Khrushchev is as quick to tell a lie to a foreign newsman as he is to order an East German citizen to jail for listening to a foreign news broadcast.

Mr. Khrushchev's words, however, do make news, and those who interview him, as well as the newspapers which bring those views are, to be sure, performing a journalistic function that is well recognized.

At the same time, shouldn't the American reader be given a chance to read in that same day's issue an interpolation that exposes paragraph by paragraph Mr. Khrushchev's mendacity?

And shouldn't the same American newspapers which print his views insist vehemently and constantly that the Soviet newspapers be opened up to the president of the United States, so that at least his statements on public policy and comments given at press conferences would be fully covered in the newspapers and on the radio throughout the Communist-bloc countries?

FOR SEVERAL DAYS recently news was deliberately withheld from the Soviet people that their government had actually conducted nuclear tests, despite Mr. Khrushchev's earlier pledges that he would not do so unless the other side made such tests first.

It was only after Indian Prime Minister Nehru had revealed this information at a rally in Moscow that the Soviet premier confirmed it in vague words, without telling the people that the government had up to that time made at least four such tests and that they were all exploded in the atmosphere.

Millions of Soviet citizens still do not know that their premier has broken faith with the world. Nor will they ever be permitted to read American comments which point out the glaring untruths in the Khrushchev interview in the New York Times, wherein, for instance, he says:

"We do not recognize that any country has a right to fight a war for the liberation of another country. . . .

"We recognize a people's right to wage a struggle for its liberation — that is something different. Take Algeria, for example."

Why not take Hungary, or East Germany? Khrushchev adds: "Our sympathies are with peoples fighting for their liberation and we are prepared to help them in every way we can. That, in brief, is our concept about war."

THE RECORD of the Soviet troops stationed in all the satellite countries is well known. The severity of their measures of oppression and suppression has been established before the United Nations.

But Mr. Khrushchev can still sit down with leading American writers and get extensive space in American and European newspapers as he repeats, again and again, his lie that he recognizes the right of an enslaved people to rise up and fight a war of liberation to regain their independence. Yet he and his Communist forces have taken that same independence away from them and he tells a boldfaced lie when he says: "We are prepared to help them in every way we can."

Mirages

Mirages tantalize thirsty travelers. They also fool wildlife and cameras.

Summer drivers soon become familiar with the shimmering pool that retreats before their rushing automobiles. In flat desert regions around the highway to form the image of a lake. Cars seem to travel on a moving island in the unreal water.

Such desert mirages can attract wildlife. Ducks have swooped down for a swim only to find a dust bath waiting instead. Cattle are never fooled. They locate water by smell.

While mirages have been hoodwinking man for centuries, they are not the product of feverish imagination. They are optical illusions that can deceive even the impersonal camera.

Mirages are created by air layers of different densities. Just as glass and water can bend a beam of light, a lens of warm air surrounded by cold can form the common, roadway mirage.

Hot asphalt warms the air, which reflects trees, cards, or other objects where the motorist can see them. A breeze in the air layer can create ripples suggesting waves.

More complex conditions involving lenses higher in the sky can produce even more mysterious sights. Images have been carried hundreds of miles across the earth. Small objects have appeared immense.

Club Told Family Harmony Linked To Regard For Child

Considerate regard for the individual characteristics of a child is the first essential for family harmony, Dr. Herschel A. Rubin told fellow members of Rotary Club Tuesday.

Speaking on "Togetherness" at the club's noon meeting in the Travelers Hotel, the optometrist asserted that perhaps families become too concerned over the lack of constant "harmony" in social life.

"In these days of larger families, there are too many levels of development to bring about a uniformity of interests," Rubin declared.

"Isn't it better to study the levels of child development carefully, and plan any activities to conform to this study — rather than to expect all members of a family to enjoy being together at all times?" he asked.

Rubin said conclusions based on studies made by the Gesell Institute of Child Development indicate that a child adjusts to family life steadily from birth through the late teens.

As the adjustments progress with each year of growth, the role of the parents in providing guidance and discipline must fluctuate accordingly, Rubin said.

Pointing out that the family unit is a "complex institution," Rubin said that "it needs more planning and deliberate self-appraisal than it ordinarily receives."

"This is particularly true when the household has to reckon not only with children, but with uncles, aunts, grandmothers and grandfathers," he said.

"The child's developing image of family life is chiefly the outgrowth of the experiences which he undergoes in his own home circle," Rubin pointed out.

He added: "If harmony prevails, it will help to integrate his orientation and to direct his affections. On the other hand, poor adjustment between husband and wife has far-reaching effects upon the emotional life of perceptive children," he concluded.

Rubin was introduced by Dr. R. Jay Kinsey, president, who presided.

Deaths and Funerals

H. F. Banfield Claimed At 80

Harlow F. Banfield, 413 Riverside Ave., Wellsville, father of two district physicians, died Tuesday night at 9:10 at City Hospital. He was 80 and had been a patient since Thursday.

Mr. Banfield was born Sept. 27, 1880, in Leechburg, Pa., to William Banfield and Henrietta Shearer Banfield. He attended Lehigh University at Bethlehem, Pa.

At one time he owned and operated the Banfield Brick Co. at Irondale until it closed in 1937. For sometime, before retiring in 1949, he had been employed in the offices of the Midland Works of the Crucible Steel Co. He resided in Wellsville for 47 years.

He was a member of the First Methodist Church and was an honorary steward and former trustee. He belonged to Wellsville Masonic Lodge 180.

Mr. and Mrs. Banfield observed their 55th wedding anniversary Sept. 5.

Besides his widow, Mrs. Olive Moore Banfield, at home, and sons, Dr. H. Frederick Banfield Jr., of East Liverpool and Dr. William S. Banfield of Irondale, he is survived by a daughter, Mrs. Mary Olive Harris of Cleveland; two sisters, Mrs. Kemp B. Scroggs and Miss Wilda Banfield, and two brothers, Wallace Banfield and Judson Banfield, all of Beaver, and six grandchildren.

Services will be held Friday at 2 p.m. at the MacLean Funeral Home in Wellsville by the Rev. Arden R. Beck. Burial will be in Springhill Cemetery.

Friends may call at the funeral home after 3:30 p.m. Thursday.

Beth Ann French

Graveside services for Beth Ann French, 8-day-old daughter of Ronald French and Bonnie Taggart French, 308½ 10th St., Wellsville, were held this afternoon at Springhill Cemetery in Wellsville by the Rev. William A. Hewitt, pastor of the Central Methodist Church.

The infant died Tuesday about 4:40 p.m. at City Hospital.

Besides her parents, she leaves three brothers, Ronald French, Randall French and Rickey French, all at home; maternal grandparents, Mrs. Naomi Taggart of Wellsville and Howard Taggart of Wellsville R.D.; the paternal grandparents, Mr. and Mrs. Harry French, and the maternal great - grandmother, Mrs. W. J. Faloon, all of Wellsville.

The Haugh Funeral Home was in charge of arrangements.

Grand Jury

(Continued from Page One)

raignment was set for Tuesday at 9:30 a.m.

The 15-member panel returned two indictments against Mike Italia of Ellwood City, charging theft of $121 June 8, 1959, and $59.41 May 29, 1959 from J. William Davis.

The panel was headed by Irel E. Glover of New Cumberland.

Woman Cited As Auto Rams East End Pole

A 22-year-old East End woman escaped unhurt Tuesday at 6:05 p. m. when her auto crashed into a utility pole on Bushwick St. near Ohio Ave., police said.

Mrs. Evelyn Ankrom, 2149 Ohio Ave., was cited for operating an auto without a license as an aftermath of a freak series of circumstances, police reported.

Mrs. Ankrom reported she was steering her disabled auto while it was pushed from the rear by another car. As she rounded the turn off Ohio Ave. onto Bushwick, the motor sputtered and the brakes squealed. Mrs. Ankrom said she attempted to apply the brakes, but her foot hit the gas pedal and the auto shot forward, crossed the street and hit the utility pole.

The collision damaged the left front bumper, hood, fender and radiator of the 1955 auto, police said. The bottom of the utility ple was marred, but unbroken, officers reported.

Mrs. Ankrom pleaded guilty to the police charge this morning before Municipal Judge Samuel M. Chertoff. The court ordered a fine of $25 and costs, but upon learning that she is the wife of a serviceman, Judge Chertoff suspended all except the $7.50 costs.

Mrs. Ankrom told the judge she once had a learner's permit, but it expired in 1959. Judge Chertoff suggested she dispose of the car. Otherwise, she is not to drive again until she obtains an operator's permit, he said. He warned Mrs. Ankrom that driving without a license leaves her liable to a jail sentence.

Soviet Touches Off Another Atomic Blast

WASHINGTON (AP)—The Soviet Union has touched off another nuclear blast in the atmosphere — the seventh since it resumed testing 13 days ago.

The Atomic Energy Commission said the blast had the force of several million tons of TNT.

Miss Suzanne Beaver received and dedicated the offering to "What Is a Love Gift?" at the meeting of the Elizabeth Fleming Missionary Society of the First Baptist Church Monday night with Miss Ora McElroy of W. 3rd St.

Mrs. Ruth Welch conducted the devotions and program. She read Scripture from Luke 24 and Mrs. Edith Rodenhausen gave prayer.

A panel discussion, "That I May Speak," featured the program. Articles read were Miss Beaver, "Evangelism, Out of Date;" Mrs. Roxie Shenkel, "Who Is My Neighbor," and Mrs. Phoebe Myers, "How Does The Vocational Program Work."

Mrs. Arzelia Green, Mrs. Wilma Beaver and Mrs. Vera Hendricks led prayer calls.

Miss McElroy, president, opened business with prayer. Mrs. Mae Wray read the minutes and financial report.

Mrs. Hendricks, chairman, reported the project of assembling the layette for the clinic at Beaufort, S. C., has been completed. Mrs. Peg Townsend collected the offering for the scholarship fund.

Announcement was made of the mission study class to be taught by Mrs. Laverne Chadwick. Scheduled for four weeks beginning Oct. 3, the book to be reviewed will be "Edge of the Edge."

Refreshments were served by the hostess, assisted by Mrs. Wray, co-hostess, and Mrs. Beaver and Mrs. Hendricks.

Articles for the bazaar at the Cleveland Baptist Home in October, will be brought to the meeting Oct. 9 at the church. Mrs. Wray is program chairman. Mrs. Shenkel and Mrs. Myers are hostesses.

⁂ ⁂ ⁂

Committees for future projects were named at the meeting of St. Ann's Guild Monday night in the social rooms of St. Ann's Catholic Church.

In charge of the bake sale to follow Masses Sept. 24 are Mrs. Nancy DeSarro, Mrs. Mary Dawson, Mrs. Mary Vallera, Mrs. Pat White and Mrs. Jean Jones.

The public card party Oct. 18 will be arranged by Mrs. Emily Yanni, Mrs. Carol Baugess and Mrs. Nora Kinsey.

Miss Bernadine Riccitelli, president, conducted business. Fr. Richard Buchmann, pastor, gave opening and closing prayer.

Lunch was served by Mrs. Pat White and Mrs. Frances Hornick. Next meeting is Oct. 2. Miss Mary Helen Lessel and Mrs. Rose Duncan are hostesses.

⁂ ⁂ ⁂

The "108" Club will meet Friday with Mrs. Carol Reed of the Y. & O. Rd.

⁂ ⁂ ⁂

Secret pal gifts were presented at the meeting of the Aces Wild Card Club Monday night with Mrs. Gaynell Kelly of Riverside Park.

Mrs. Nancy Seitz and Mrs. Janet Johnston received wedding anniversary gifts and Mrs. Ruth Osborn, a birthday anniversary remembrance.

Prize winners at two tables of 500 were Mrs. Norma Ollis, Mrs. Ruth Dingey and Mrs. Seitz.

Refreshments were served by the hostess.

Mrs. Mary Ann Shaw of Belmar Ave. will entertain Sept. 25.

⁂ ⁂ ⁂

Installation of officers will be held jointly by the Calcutta and Pomona Granges at 8:30 o'clock Saturday night at the Calcutta Grange Hall.

Mrs. Doris Thompson, lecturer, will be in charge. Ellis Wright, master, will preside.

⁂ ⁂ ⁂

Eighty attended the reunion of the descendants of Allan and Sarah Lyons Woodburn Sunday at Thompson Park. The basket dinner was served at 1 o'clock.

Guests were from Rogers, Lisbon and Wellsville. Charles Mercer was the eldest present; Brigid Poe, daughter of Mr. and Mrs. William Poe, youngest, and Mr. and Mrs. Ray Lindberg of Bethel Island, Calif., traveled the farthest. They are visiting their uncles, Fred Woodburn of College St., and G. M. Woodburn of Lisbon R.D. 1. Mrs. Lindberg's parents were the late Mr. and Mrs. R. L. Woodburn Emler of Wellsville.

Fred Woodburn was elected president and Lester Poe, secretary. A sports program featured the afternoon.

Miss Ruth Eppley will present "Profiles In Print" for the opening fall luncheon of the New Century Club Saturday afternoon at 1 o'clock at Piatt's Tea Room in Wellsville.

Mrs. Richard Brian, Mrs. Charles Gerace and Mrs. John Skidmore are in charge of arrangements.

⁂ ⁂ ⁂

The opening meeting of the Renaissance Club is scheduled for Thursday at the home of Mrs. Mabel Neiser of Blackmore St.

⁂ ⁂ ⁂

Mrs. Pat Bryan will be hostess for the Stork Club Saturday at Hoge's Restaurant.

⁂ ⁂ ⁂

Mrs. Mary Curran won low and travel awards at 500 when the Town and Country Club met Monday night with Mrs. Sara Kinnie of Lincoln Ave.

Other prizes at the two tables in play went to Mrs. Betty Myers and Mrs. Velma Van Lehn.

Refreshments were served by the hostess, assisted by her daughter, Sara Marie.

Next meeting is Sept. 25 with Mrs. Mary Jane Fone of Etruria St.

⁂ ⁂ ⁂

Several playlets on the topic, "How Big Is My World," were presented for the meeting of the Katherine Von Bora Circle of the United Lutheran Church Women Monday night in the Parish Hall of St. John's Evangelical Lutheran Church.

Mrs. Harold Bricker, program chairman, was assisted by Mrs. Kenneth Scott, Mrs. A. E. Stoddard, Mrs. Rody Hodge, Mrs. George Spartley, Mrs. Rebecca Simpson, Mrs. Agnes Hood and Mrs. John Sell.

The group sang "Savior Like a Savior Lead Us" and "Jesus, Master."

Mrs. Hodge received and dedicated the thank-offering and general collection.

Mrs. Hood, circle leader, presided for business. The group voted to assist with the church Board of Education projects.

Mrs. Scott reported on the synodical convention held recently at Thiel College in Greenville. The fall rally of the West Conference of the Pittsburgh Synod will be held Oct. 4 at the English Lutheran Church of Zelienople. Res-

Chester Couple To Observe 55th Wedding Date

Mr. and Mrs. R. B. Abrams of Louisiana Ave., Chester, will be honored with a party in celebration of their 55th wedding anniversary Saturday at the home of Mr. and Mrs. Hugh Allison of Canal Fulton, who are observing their 50th wedding anniversary. Mrs. Abrams is Allison's sister.

Mrs. Ralph Green, Mrs. Thompson Allison and Mrs. William Green are in charge of arrangements for the family affair. The buffet table will feature two wedding cakes in tiers along with flowers and lighted tapers.

Mr. and Mrs. Abrams were married Sept. 12, 1906, at Chester. She is the former Pearl Allison and was born at Georgetown, daughter of the late John and Ella Allison. Her husband, an oil contractor, was born in Hookstown, a son of the late Thomas and Margaret Abrams. They have resided in Chester 32 years.

They have two sons, John Abrams of Chester, and Robert Abrams of Richland, Wash., and four daughters, Misses Leona Abrams, Alberta Abrams and Eunice Abrams and Mrs. Dennis Smith of Cincinnati. There are six grandchildren.

The Allisons, former district residents, have resided at Canal Fulton for 33 years. He is a retired oil and water well driller and was born at Hookstown and is a 32nd Degree Mason. His wife, the former Myra Shay, was born at Fairview, W. Va. Mrs. Allison was organist for the Eastern Star for 19 years and for the Daughters of America for 18 years. They are members of the Methodist Church of Canal Fulton.

Pads for the Zelienople Old Folks Home will be brought to the next meeting Oct. 9. Mrs. Hodge is program chairman. Mrs. Harold Ginder and Mrs. E. A. Troutman are hostesses.

⁂ ⁂ ⁂

Reports on the recent carnival were heard at the meeting of the auxiliary of the Glenmoor volunteer fire department Monday night at the fire station.

Mrs. Mabel Moore, president, conducted business. Mrs. Osee Brand read the minutes and Mrs. Dorothy Rogers, the financial report. Mrs. Helen Beagle collected dues.

Mrs. Beverly Griffin and Mrs. Beagle were appointed to handle refreshments for the men's group Friday night.

The group voted to dispense with the next regular meeting Sept. 25 and attend the Tri-State Associaton meetings at the Dixonville fire hall.

Next meeting is Oct. 9.

⁂ ⁂ ⁂

A spaghetti dinner was enjoyed when the Mary Esther Circle of the WSCS of the Boyce Methodist Church met Monday night with Mrs. Fred Kane of Harriet St. The group sang the blessing. Mrs. Carl Timmons and Mrs. Lyle Foster assisted the hostess. Miss Marilyn Golba was a guest.

Miss Jean Kraft conducted devotions, reading Scripture from Ps. 134: 1-3. Mrs. Larry Armstrong reviewed the sixth and seventh letters of the study book, "Missionary Mama."

Mrs. William Golba, president, presided for business. Reports were given by Mrs. James Dickey, secretary, and Miss Kraft, treasurer. Four shut-in and eight sick calls were reported.

The sum of $20 was allotted for the general society.

A Halloween party will be held Oct. 9 with Mrs. Timmons of S. Surrey Rd. Members will bring a "trick-or-treat" bag of food, which will be auctioned.

⁂ ⁂ ⁂

Mrs. Mary Wines reported on the recent past commanders' conference in Cleveland at the meeting of Navy Mothers Club 197 Monday night at the YMCA.

She is state matron of arms and will attend the annual convention Sept. 20-22 at Columbus. The club assembled a layette she will take to the convention bazaar.

Mrs. Alice McDowell, commander, presided for business. Tag Day was set for Sept. 23. Proceeds will go for welfare work at the Navy hospitals.

The anniversary dinner will be held Oct. 9 at the Y. Mrs. Gladys Bishop and Mrs. Dorothy Smith are program chairmen. Mrs. Maude Flesch and Mrs. Vada Blackhurst are in charge of the dinner arrangements.

⁂ ⁂ ⁂

Plans to entertain the Tri-State Volunteer Fire Auxiliary Association Sept. 25 were made at the meeting of the Liverpool Township East group Monday night at the Dixonville fire hall.

Mrs. Nevada Laitsch was named program chairman and the group decided to present a humorous fashion show.

Teacher Guest At Meeting For Newell Women's Club

Mrs. Carol Cameron, a teacher at Wells High School, discussed "Is Education Important?" at the Newell Women's Club's first meeting of fall Monday night.

Thirty-four attended the 6:30 o'clock picnic at Tomlinson Run State Park near Pughtown.

The speaker cited the importance of completing high school in her talk on education. A general discussion of the "drop-out" rate of high school pupils followed. Mrs. Gertrude Stevens was program chairman.

During business conducted by Miss Betty Buben, president, the club authorized donations of $25 to the Child Counseling Center in East Liverpool, and $10 to the Newell Civic Council.

Miss Buben reported on her attendance at an Adult Institute this summer at West Virginia University, and discussed the donation of eyes to an eye bank to aid in sight-saving.

Other reports were heard from the program, finance, mental health and Girl Scout committees. Mrs. Doris Durham has been named new neighborhood Girl Scout chairman for Newell.

She reported the club realized $105.67 from sponsoring a booth in the volunteer fireman's carnival.

Plans were also discussed to sponsor adult education classes on world affairs, with speakers from West Virginia University.

Programs were distributed by Mrs. Stevens.

Miss Buben presented a gift of appreciation to Mrs. Ann Cawthon, past president.

Mrs. Dorothy Gogol led devotions. Rose Spence, representing the Variety International Productions of Houston, Tex., was a guest. The company will provide professional actors for a club-sponsored play, "The Money Saucer," Nov. 25 at Wells High School.

Hostesses included members of the social committee, with Mrs. Dorothy Gogol and Mrs. Gertrude Carson as co-chairmen.

Next meeting is Sept. 25.

Auxiliary Of Midland Post Holds Installation Dinner

The auxiliary of Midland American Legion Post 481 held its annual installation dinner meeting Monday evening in the Legion Home when Mrs. Charles Adkins, president, announced that the local group won three citations at the recent state convention held in Erie.

They were for unit activities, membership and history.

Mrs. H. L. Henderson of Sharpsville, Western District director, installed the following officers:

Mrs. Adkins, who was re-elected; Mrs. James Green, first vice president; Mrs. Hilda Jones, second vice president; Mrs. Ann McKnight, secretary; Mrs. L. F. Pickering, treasurer; Mrs. Mary Feragotti, sergeant - at - arms; Mrs. Mary Rodfong, chaplain, and Mrs. L. E. Kinsey, historian.

Mrs. Henderson spoke briefly on the highlights of the state convention and Mrs. H. C. McDougal, also of Sharpsville and president of the Tri-County Council, spoke on membership.

The president presented gifts and corsages to the two guests. Mrs. Adkins received the past president's pin from Mrs. Henderson.

Tokens of appreciation were presented by Mrs. Adkins to Mrs. Pickering and Mrs. Rodfong, who were re-elected, and to Mrs. Rex Black, retiring secretary.

The president reported on the recent magazine drive sponsored by the auxiliary. Proceeds are being used to purchase a wheel chair and an invalid walker for use in the community.

The Tri-County Council meeting will be held in Freedom Sept. 21 and reservations are to be turned in to the president by Saturday.

Miss Louise Torres won the state convention plate and Miss Andrea Torres won a special prize.

The tables were decorated in a fall theme and tall tapers and a floral centerpiece completed the setting.

The dinner committee included Miss Andrea Torres and Miss Louise Torres and Mrs. Hilda Jones.

Next meeting is Oct. 9.

The bride was Miss Elaine Sue Fergason, daughter of Mr. and Mrs. J. B. Fergason of West End, Salineville, and her husband's parents are Mr. and Mrs. Alvin Rigsby of East Main St., Salineville.

The Rev. Gerald Finnie, pastor, officiated for the double-ring ceremony.

Mrs. Janet Hart presented a half hour of organ music.

Given in marriage by her father, the bride wore a floor-length gown of ivory, pure silk and Chantilly lace.

Mrs. Sonya Rose was her sister's matron of honor. She wore a street-length dress of pink nylon organza over taffeta.

Miss Linda Madison and Miss Sue Russell were bridesmaids and appeared in mint green dresses identcial to that of the matron of honor.

John H. Rigsby served as his brother's best man. Ushers were Richard Fergason, brother of the bride, Carl Hertel and Dick Clark.

The mother of the bride chose a dress of yellow print on white chiffon with neutral accessories. The bridegroom's mother wore blue chiffon with white accessories.

A reception was held at the home of the bride's parents.

Aides were Mrs. Jessie Barcus, Mrs. Betty McDowell, Mrs. Mary Lou Digman and Mrs. Beulah Betteridge, aunts of the bride.

Out-of-town guests were from Cleveland, Salem, Minerva, Wellsville, New York City, Illinois and New Jersey.

The newlyweds are 1960 graduates of Salineville High School. The bride is employed in the office of the Deming Division of the Crane Co. at Salem.

Her husband was stationed at Chenute Air Force Base at Rantoul, Ill., and will leave Monday for 12 months duty in Iceland.

The bride will remain with her parents.

Advantage Of Advertising In Newspaper Discussed

Merits of newspaper advertising and the challenge of civic publicity were stressed by Mrs. Ann Claypool and Mrs. Clara Hall at the meeting of the Women of the Moose Chapter 642 Monday night at the lodge home.

Mrs. Claypool, who is employed in the classified advertising department of The Review, spoke of modern-day advertising and its advantages. She told of the work involved in the classified department and the types of service it offers. She also enumerated results of advertising.

Mrs. Hall, society editor, gave a list of requirements for chairmen to follow, enabling their groups to receive proper publicity. She mentioned advance preparation of important stories and the setting up of photography. She said publicity assists in the growth of the group and adds to the fund-raising capabilities.

Mrs. Mary Ellen Reed, senior regent, presided. Mrs. Mary Woolf and Mrs. Mildred Springer were speaker escorts.

Mrs. Marjorie Bartley was initiated in the defending circle. Mrs. Verna Lyons reported on the sick and shut-ins.

Mrs. Permelia Kilmer, chairman, named her committee for the Muscular Dystrophy Fund drive in November. They are Mrs. Mildred Wagoner, Mrs. Evelyn Balser, Mrs. Leona Swiger, Mrs. Lou Winters, Mrs. Ida Skinner and Mrs. Reed.

Tag Day was scheduled May 14, 1962, with Mrs. Julia Baumgarner chairman. Proceeds go for the nursing scholarship at City Hospital.

A letter was read to attend a meeting Oct. 14 honoring Mrs. Geneva Baumer of Fremont, district grand regent.

The group will serve breakfast and dinner for a district meeting of the men's lodge.

Orders were taken for articles to be sold for fund-raising. The Executive Board met afterwards.

Refreshments were served at a buffet table decorated with garden flowers and white tapers. The social committee was Mrs. Florence Smith, Mrs. Woolf and Mrs. Balser. Mrs. Bessie Daugherty won a prize.

Annual reports of standing committee chairmen will be heard at the meeting Sept. 25.

Akron Police Use Sledge Hammer In House Raid

AKRON, Ohio (AP)—Arkon police and Summit County sheriff's deputies used a sledge hammer Tuesday night in a raid on a home they described as a $4,000-a-week clearing house headquarters.

Raiders led by Vice Squad Lt. George L. Mullen and Chief Deputy Paul E. Wein hit a $30,000 ranch house in an exclusive section of nearby Bath Twp.

A woman slammed the front door when she saw police coming so they used a sledge hammer to get in, Wein said.

Walter Vuins, 40, was booked for violation of the new state anti-gambling law. He was released on $500 bail.

Police said they found clearing house slips on a desk in the kitchen and some more in a basement incinerator. Three cases of loaded dice were found in a car trunk.

Police quoted Vuins as admitting he was in the numbers racket for a month and did all his business by telephone.

Law On Juveniles Hit By Prosecutor

CINCINNATI (AP) — The law giving the state department of hygiene and correction the right to freeze and set up quotas for committing juveniles to state schools is unconstitutional, according to C. Watson Hover, Hamilton County prosecutor.

Hover gave this opinion Tuesday at the request of county Juvenile Court Judge Benjamin F. Schwartz.

According to Hover, the law infringes on the authority of courts to whom the legislature has given the right to commit juveniles to schools.

Man, 31, Charged With Fiery Murder

CLEVELAND (AP) — Police have charged Thomas J. Linen 31, with second-degree murder in the fiery death of Acie Cook, 44.

Police said Linen admitted throwing a can of gasoline on Cook Sunday after an argument over a $5.50 debt. The fuel was set afire by Cook's cigarette.

More Check By Plane

MIDDLETOWN, Ohio (AP) — The Ohio Highway Patrol has announced plans to use more airplanes to check for traffic violations on Interstate 75 in the Middletown area.

Navy Seeks To Shed Akron Weapons Plant

WASHINGTON (AP)—The Navy wants to get rid of a naval weapons industrial reserve plant at Akron, Ohio, as surplus property. A House armed services subcommittee on real estate okayed the proposal Tuesday.

Presbytery's Installation Of Pastor Set

Installation services for the new pastor of the Glenmoor church were arranged and a call to a Hopedale clergyman to serve as associate minister of the Trinity church was approved at the meeting of the Steubenville Presbytery Tuesday night at the Scio church.

The Rev. James Fyfe Donald will be inducted Sept. 20 at 7:30 p.m. at the Glenmoor church with a commission of the Presbytery in charge.

The Rev. Gene Toot, pastor of the Hopedale and Annapolis church near Bloomingdale, will become associate minister at the Trinity church here by Oct. 1.

An extensive discussion on problems of "Town and Country" churches was conducted by a five-member committee on national missions.

It included the Rev. Robert Thompson of the Bloomingdale church, the Rev. George Jenkins of Carrollton, general presbyter, the Rev. John Bartko of the Jewitt, Scio-Ridge Larger Parish, Fred Cooper of the Island Creek church near Toronto and Mrs. John Warren of the Knoxville church.

The Rev. Milton Davis of Minerva, moderator, was in charge of the sessions.

Next meeting is Nov. 14 at the Bloomingdale church.

Animals Along Road Should Face Traffic

LISBON — Floyd Lower, county extension agent, said a new law of the recent State Legislature now provides that persons riding or leading horses or animals along the highway should face traffic.

When sufficient space is available along the left side of the traveled portion of a street or highway, outside the limits of municipal corporations, persons riding or leading an animal shall proceed, when practicable so that they are facing approaching traffic and shall exercise due care, the law provides.

Auctioneer Licensed

LISBON — Donald Stafford of East Rochester qualified as an auctioneer Tuesday before Common Pleas Judge Raymond S. Buzzard. He posted a $1,000 security bond and paid a $5 yearly fee.

WALKING MAN. Aleksei Pekikarpov, 62, walks toward the Krasnodar territory, U. S. S. R., from Dagestan. The retired Russian has walked over 6,000 miles since 1959. He has traveled along the Black Sea shore to Armenia, Georgia and Azerbaijan and hopes to write a book after he finishes his travels.

Knights Of Columbus Set Wellsville Social

Plans for a monthly social Saturday night at 8 for members, prospective members, their wives and friends were outlined by Wellsville Knights of Columbus Council 507 Tuesday night.

Reports were heard on a diocesian youth campaign meeting held last week at Youngstown. Attending were John Kozora, grand knight, George Prokop, Andrew Holowaty and Robert Graham.

Participation in a Columbus Day program was approved. The next meeting will be Tuesday night at 8.

Akron Driver Forfeits

LISBON — William B. Brown Jr., 54, of Akron forfeited a $20 appearance bond Tuesday in County Judge James L. MacDonald's court on a charge of passing without assured clear distance. He was cited by the State Highway Patrol.

Mental Case Care Outlined

The need for broadened care of mental patients and greater understanding of mental illness was underscored by the Rev. Donald Vogel at a meeting of the Chester Kiwanis Club Tuesday night at the City Hall auditorium.

Rev. Vogel, pastor of the First United Presbyterian Church of Chester, spoke on "Wake Up, West Virginia, To Mental Health," utilizing information in a brochure on the subjcet.

He said that unless help is provided, some 180,000 West Virginia mental victims will not receive proper treatment. He declared that no state hospital has a psychiatrist on the staff.

"According to a report issued by Congress, one of every 10 persons in the nation has a mental illness of some degree," Rev. Vogel said.

He said the public must learn to realize that mental illness is a genuine illness that can afflict anyone and that mental patients must have as good care as other sick people and receive the same understanding and sympathy.

Twenty-two attended the meeting at which Russell Davis, president, was in charge.

Dr. Frank Bragg, Chester dentist, and Paul Stephens, teacher at Pughtown School, were welcomed as new members.

R. M. McFarland asked members aid at Chester High School home football games. Davis commended Robert Smith for his work as co-chairman of a public bazaar held last week at the City Park.

For a savory sauce for steak, add catchup, Worcestershire sauce and a dash of tabasco to butter and heat.

Slides Shown Civil War Unit On Bull Run's Re-Enactment

Slides of the colorful re-enactment of the Battle of Bull Run in Northern Virginia in July and a demonstration of Civil War weapons highlighted a meeting of the Tri-State Civil War Roundtable Tuesday night at the Carnegie Library.

About 30 attended the meeting at which Paul Ward screened slides of the re-enactment of 1861 battle, and commented on the staging of the event.

Wayne Wallace of Wellsville R. D. 1 spoke on a summer visit at Franklin, Tenn., site of an 1864 battle in which the 104th Regiment, which included some 400 Columbiana County men, played a key role in a Union victory.

Other reports of summer visitations were given.

Joseph Robbins of East Liverpool presented a demonstration on the loading procedures for the Civil War musket and revolver, and spoke on the development of the infantry weapons.

Robbins pointed out a formal manual of loading was needed for the training of a soldier in order to instill a habit of safe and effective arming of the guns. He said after many battles it was found that muskets had been loaded with three or four charges and not discharged.

The roundtable agreed to meet the second Tuesday of each month, instead of alternating with the second Wednesday, in order to simplify the meeting schedule.

Robert Cole of Salineville discussed a current Ohio drive to obtain funds to set aside a memorial at Gettysburg for the state units which fought there. Deeds to a square foot of land are being sold for $1, and 16 such deeds were sold last night to members.

The state drive is part of a national campaign headed by Cliff Arquette, "Charley Weaver" of television, to preserve the Gettysburg battlefield from encroachments of commercial businesses, and is being handled by Ohio banks.

Charles Tittle reported he has a Civil War display in the windows of the former Trotter Hardware rooms on Dresden Ave. Refreshments were served. Judge Tobin, president, was in charge.

Next meeting is Oct. 10.

Tire At Some Remarks

Young Poets Get 'Fed Up'

By HAL BOYLE

NEW YORK (AP)—Remarks a young poet gets tired of hearing:

"If you ask me, Henry Wadsworth Longfellow said it all."

"How do you guys get paid—by the line or by the rhyme?"

"Could you knock off a couple of funny stanzas about my cousin and his wife? They're celebrating their 10th wedding anniversary next week and, just for laughs, I'd like to have something comic to surprise them on the occasion."

"There's nothing in the mail, dear, except three more rejection slips."

"In a way he's like Western Union—full of messages for mankind. The difference is that Western Union knows where to deliver them."

"I understand he's a stand-in writer for the fellow who writes those highway shave jingles."

"You couldn't exactly call Algernon a mute, inglorious Milton. For one thing he isn't mute—unfortunately."

"They tell me you're a poet, young fellow. That's nice. What do you do for a living?"

"I'm leaving you, Algernon, and going home to mother. No, it's not because I'm mad at you. But at mother's I can at least be sure of eating."

"Algernon kind of reminds me of Alfred Tennyson, particularly when he runs out of razor blades and doesn't shave for a month or two."

"I didn't actually say he doesn't have ability. All I said was his lack of inspiration barely rises above his lack of perspiration."

"He really hasn't published anything noteworthy ever since that mimeograph machine broke down in the office where his sister works."

"Algernon isn't proud. He'd be glad to write for the little magazines. The trouble is that so far he hasn't found one small enough for his kind of verse."

Couple Will Face Bank Theft Trial

PITTSBURGH (AP) — A Pittsburgh couple faces trial in U.S. District Court in a $19,262 bank robbery.

Robert E. Himes, 46, and his wife, Mary, 31, were indicted Tuesday by a federal grand jury in the holdup of the First National Bank of Saxton, Bedford County, last July 13.

They were arrested by a state policeman in a rented car on a highway near Pittsburgh the day of the robbery. The money was found in the car, authorities said.

The couple's daughters, Linda, 4, and Sandra, 2, were in the car at the time of the arrest. The youngsters are now in a foster home at Bedford.

In all 23 indictments were handed down, including:

Simon Petroff Jr., 38, New Kensington, auto theft.

Harry D. G. Swope, 25, Chicora R. D. 3, Selective Service violation.

Lisbon Republicans Will Hear Atty. Bettis

LISBON — State Rep. Warren Bettis of Salineville will speak at the Mid-County Republican Club meeting Thursday night at 8 in the Council chambers of the Town Hall.

Atty. Joseph Baronzzi, membership chairman for the local GOP club, announced the meeting will kick-off for the 1962 membership drive.

Refreshments will be served.

The meeting is open to the public.

Strike Continues

MIDDLETOWN, Ohio (AP) — A strike by truck drivers for Wilson's Motor Transit, Middletown, continued today with no indication of a settlement. The strike began Sunday night when 25 drivers walked off the job after negotiations between the company and Teamsters Union Local 836 broke down.

COOL BIRD. With the temperature soaring above 90 degrees, this feathery native of cooler parts just can't seem to get enough of the water at the Bronx, N. Y., Zoo. The heat wave wilted most New Yorkers, but our penguin friend has found a way to beat it.

Wellsville Girl Scout Troop Consultant Set

Mrs. Audrey Stevens has accepted the post of troop consultant for Girl Scouting in Wellsville for her second term, according to Mrs. George Elliott, neighborhood chairman.

Intermediate Girl Scout Troop 65 was omitted from the listing of troops that will not be resuming their activities Oct. 1, due to lack of a leader. Wellsville is without a troop organizer and persons interested in either position may phone Mrs. Elliott, LE. 2-3392.

U.S. Mediator Meets With Pact Negotiators

CLEVELAND (AP) — Federal Mediator Luther J. DeSantis was to meet today with negotiators of Commission House Drivers Local 400, representing 550 driver and warehousemen and representatives of 75 produce firms, to iron out a new contract.

The workers are employed at the Northern Ohio Food Terminal, servicing independent neighborhood grocers.

PTA Assigns Homerooms

Homeroom mothers were named by Russell Smith, president, at a meeting of the Grandview Parent-Teacher Associaion Tuesday night at the school near Chester.

Appointed were Mrs. Lura Logston and Mrs. Ruby Adkins, first grade; Mrs. Donna Mott, second, and Mrs. Ruth Smith and Mrs. Thelma Wright, third and fourth.

Smith also named Mrs. Ruth Smith, PTA magazine chairman; Mrs. Sophia Brown, hospitality chairman, and Mrs. Gaynell Shroades, historian.

Mrs. Audrey Litman of Weirton, curriculum co-ordinator for Hancock County schools, spoke on the primary block system of the first four grades.

The attendance banner was won by the third and fourth grades taught by C. B. Smith, principal. Eighteen attended. Next meeting is Oct. 3.

Farm Scholarships Available For Seniors

LISBON — Any high school senior graduating in 1962 may complete for an agricultural scholarship to Ohio State University, if he is in the upper 40 per cent of his class, according to Floyd Lower, county extension agent in agriculture.

Communications have been sent to school superintendents and principals by the assistant dean of the Agricultural College.

However, applications must be turned into the local scholarship committee chairman in the high school prior to Oct. 14, with examinations to begin in November, Lower said.

David Frazer is president. Lunch will be served by the executive committee.

Police Are Hampered In Stolen Car Hunt

MISHAWAKA, Ind. (AP) — Mishawaka police were somewhat hampered today in their search for a stolen car—the description is classified information.

The missing car is a 1962 model, the details of which are supposed to be top secret until the new line is introduced next week.

Dealer Jim Hammes hid the car behind a billboard near his agency, trying to keep the secret. When he looked for it Tuesday night it was gone.

Ohio Official Elected

Goldwater Predicts GOP Victory In House In '62

SPRINGFIELD, Ohio (AP) — The United States should give up its impression that it wants to be loved by foreign countries because it needs to be respected, Sen. Barry M. Goldwater, R-Ariz., declared here Tuesday night.

Speaking at a testimonial dinner for Ohio Congressman Clarence J. Brown, Goldwater told nearly 3,000 persons at the Clark County Fairgrounds that because of this desire to be loved "we are scared to death to do something about communism 90 miles off our shores because of what people will say about us."

The Republican conservative, who told newsmen he was not thinking about the 1964 Presidential election right now, said he had no criticism of President Kennedy's stand on Berlin, only that it took him too long to take it.

The real challenge now, he said, is whether Kennedy will stand firm. "If he doesn't we can forget about the cold war because it will be lost."

Goldwater, who appeared trying to fire up the GOP, predicted the Republicans would win control of the House in the 1962 congressional election. The margin in the Senate, he feels, is too great to overcome in one election.

"The New Frontier has fallen flat on its face and the American people want no part of it. It is a phony rehash of what (President Franklin D.) Roosevelt tried in 1932 and it took World War II to pull us out of it," Goldwater asserted.

He said he sensed the swing to the GOP "through the enthusiasm our (Republican) speakers are encountering all over the nation—more than in the campaign last year." He also said the number of young people turning to the GOP is very encouraging and is something that hasn't happened in many years.

Goldwater, long associated with the conservative wing of the Republican party, denied that there is much of a split in the GOP.

"We are not too far apart," he said. "People like to make it a great breach, but its like a hen's scratch on a billiard ball compared to the breach in the Democratic party."

The Arizona senator indicated he thinks former Vice President Richard M. Nixon should enter the California gubernatorial race. He said the head of the Republican party should speak for an elective position, and "the governorship of California is the only thing open to him now."

Goldwater arrived only minutes before his address at the $25-a-plate dinner and then left immediately after the talk for Washington. He will return to Ohio tonight, however, for a speech in Canton.

Truck Driver Killed

NORWALK, Ohio (AP) — Paul Klinger, 58, of Plainfield, Ill., was killed Tuesday when his tractor-trailer went out of control and overturned on Ohio 20 a quarter mile east of here.

Lausche And Young Don't See Eye-To-Eye

WASHINGTON (AP) — Ohio's two Democratic senators didn't see eye-to-eye when the Senate rejected President Kennedy's plea Tuesday and defeated an amendment to a school aid program.

Sen. Stephen M. Young favored the proposal, which would have limited extension of the impacted area school aid program to one year instead of two. Sen. Frank J. Lausche was one of 50 senators who voted against the measure.

9 Strikers Arrested

CINCINNATI (AP)—Nine striking employes of Queen City Dinettes, Inc., have been arrested this week on charges of interfering with workers trying to enter the plant, struck July 23 by 1,600 members of the International Union of Electrical Workers in a wage dispute. The troubles began Monday when new workers hired by the firm sought to enter the plant. Bennie Gabbard, 28, the ninth man arrested, was charged with disorderly conduct Tuesday.

Canton Man Injured In Route 164 Mishap

A 27-year-old Canton man was slightly injured when his small car veered off Route 164 south of Gavers late Tuesday morning after he served to avoid a collision with a truck.

The Ohio Highway Patrol at Lisbon said Jeremiah Chapman, headed south, swerved to avoid colliding with a truck operated by Rupert Sorg, 30, of Ava, who had pulled out of a private drive.

Chapman's 1960 French auto went off the road, receiving considerable damage, and he suffered bruises of the knee and head, officers said.

Patient Transferred

NEGLEY — Burdell Hill of Negley, taken to Salem City Hospital Monday night by ambulance after he was stricken with a heart attack, has been transferred to the Veterans Administration Hospital at Brecksville.

Hot Weather 'Freak' Cuts Citys' Power

A hot weather freak caused automatic safety controls to take over on a rotary condenser Tuesday afternoon at the Ohio Power Co.'s 2nd St. substation, reducing voltage supplied to the downtown area and close-in residential districts and briefly affecting the operation of devices such as elevators and air conditioners.

The drop in voltage, noted mainly in the "sick" behavior of air conditioning equipment, occurred at 2 but was corrected by 2:34, W. E. Williams, district manager of Ohio Power, reported.

At the time, a thermometer in the shade outside the substation read 92, but the temperature inside the building was close to 104.

Here's how the utility executive explained the freak occurrence:

The substation equipment includes a rotary condenser which automatically stabilizes and maintains the voltage in the lines. The condenser is equipped with an automatic safety device that takes it out of service when the temperature hits a point that threatens to burn it up.

Yesterday, the temperature hit that point and the condenser went out of service, dropping the voltage in lines to the downtown area and close-in districts.

Spotting the trouble quickly, Ohio Power installed additional fans to help cool the building. Meanwhile, the temperature had fallen and the rotary condenser was put back in service within 34 minutes. Williams said the firm expects no more trouble because of extra precautions taken to help hold down the heat inside the substation building.

Mrs. Earl Pugh Wins Grange Baking Prize

Mrs. Earl Pugh of State Route 2 won first place in a Pomona Grange baking contest, it was announced at a meeting of the Fairview Grange Tuesday night at the Pughtown Grange Hall.

Mrs. Pugh, Fairview Grange member, will participate in a state baking contest at West Liberty State College Oct. 27.

A memorial service was held for the late Willard Swan with Mrs. Charles Mills in charge.

Mrs. Rose Hukill, in charge of the program, presented a reading, and Miss Vicki Myers gave a pantomime sketch. Lunch was served 36 by Mrs. Bertha Shaffer and Mrs. Ellen Rawson.

Next meeting is Sept. 26.

Outdoor Burning Caution Is Urged

Liverpool Township West volunteer firemen today urged residents to use caution in outdoor burning after a grass fire threatened a grove of pine trees Tuesday afternoon.

The department sent two trucks to Radio Heights at 12:30 p.m. where sparks from burning trash had ignited a grassy area near a grove of trees.

The fire, which occurred in the rear of the Robert Bloor home, was extinguished by neighbors before any damage resulted.

Homer Cronin, assistant chief, appealed to residents to be cautious in outdoor burning because of the dry weather. Fire permits are not required until Oct. 1.

Twenty firemen attended the opening session of a 10-week fire school Tuesday night in the station. Chief Robert Lewis of Wellsville gave instruction in hydraulic pumps and legal aspects of fire protection in Ohio.

The second instruction period will be Tuesday night at 7.

School Board Told Of Road Plans In 1962

Widening and resurfacing of Route 168 will be done during the reconstruction year of 1962, Park H. Martin, secretary of Pennsylvania's highways, told the Western Beaver County Board of Education in a letter Monday evening.

The board met at the Ray W. Snyder School in Industry with James P. McClaskey, president, in charge.

Frank A. Meredith, supervising principal, reported that letters were also read from Beaver County legislators that Martin has promised them the road work will be done next year.

The letter should apparently allay any fears of Ohio Township residents that the work would not be done. Residents have complained of the narrow road on which school buses and large trucks travel.

Interviews will be held in the near future for the positions of secretary to the elementary principal and a cafeteria worker. Persons interested may contact Meredith at the Snyder School at NE 4-6536.

The positions became vacant with the board's acceptance of the resignations of Miss Patricia Carothers, secretary, and Mrs. Helen Sullivan, cafeteria worker at the Fairview School.

E. Jay Hineman, Industry tax collector, was appointed delinquent tax collector for 1960 school taxes. He was exonerated of his 1960 school tax books.

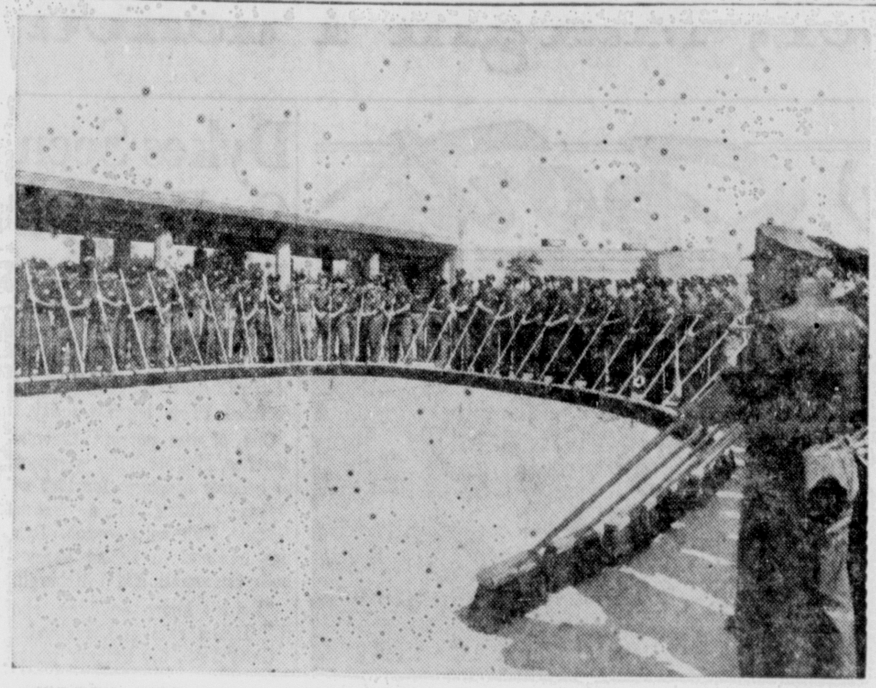
Miss Eva Rossomme, wage and earned income tax collector for the school district, was authorized to proceed with legal action against all residents who have not paid 1960 taxes.

Edward Stephens Jr., chairman of the building and grounds committee, reported on progress of construction of the new high school.

John Flasco, chairman of the transportation committee, reported buses being used this year are in good condition.

Flasco also said bus stops have been arranged at Russell Hill and at Sunrise Hill.

Bills in the amount of $28,564.63 were ordered paid. Next meeting is Oct. 2.



SWEEPING SCHOOL. Getting ready to make a clean sweep of things, Department of Sanitation rookies assemble in a semi-circular formation. The men, 100 strong, just finished training at Randalls Island, New York City, and will be assigned to the five boroughs. With all the people living in New York, they'll have a lot of cleaning up to do.

Safety Booklets Furnished 2,300 In Grade School

The police department has furnished 2,300 safety manuals for distribution to youngsters in the first four grades of East Liverpool schools, Chief Americo J. Radeschi said today.

The 28-page booklets, published by the Child Safety Council of Jackson, Mich., were purchased with the co-operation of 21 business and industrial concerns. Following a "picture book" format designed to appeal to young readers, the 11-x-8-inch pages carry illustrations, jingles and slogans on the hazards of poison in a medicine chest; fire prevention; the danger of falls; boating and water safety; caution in alighting from a school bus; the danger of firearms; proper use of a bicycle and many other safety tips.

Similar books also were distributed at the beginning of the 1960-61 term. The department turned over the books to School Supt. Ralph W. Betts, who supervised distribution to the various buildings.

A separate publication was distributed to the pupils cautioning them never to accompany a stranger who accosts them with an offer of candy or money. If the stranger is riding in auto, the child should write down the license number, the booklet says.

The publication includes a list of the sponsoring firms and a roster of the police department and "Meter Maids."

Rural Group To Meet

LISBON — A program on how to help save money will be presented for the Hanover Township Home Demonstration Group Thursday from 10 a.m. to 2 p.m. at the Hanoverton Presbyterian Church. Mrs. Camille Kelton will be leader, according to Miss Julia Shank, county extension agent in home economics.

Exams Slated For NROTC

Application forms now are available for the 16th annual national competitive examination for Regular Naval Reserve Officers Training Corps which will be given eligible high school seniors and graduates on Dec. 9, Chief Petty Officer James M. Pattison, local recruiter, announced today.

The forms, which must be mailed by Nov. 17, are available at the recruiting office on the third floor of City Hall or at the various high schools, Chief Pattison said.

High school seniors and graduates who have reached their 17th birthday but who will not be 21 before July 1 may apply for the NROTC aptitude test.

Those who make a qualifying score will be given rigid physical examinations early next year. From the number remaining, at least 1,600 will be selected to begin their naval careers in September 1962.

The NROTC college training program also is open to enlisted men on active duty with the Navy or Marines. A separate quota is established for applicants in the services.

The program makes it possible for a youth to earn a regular commission while studying at the civilian college of his choice which has an NROTC unit. All tuition, fees and books are furnished by the Navy and the student receives an annual retainer of $600 for not more than four years. During summers the students go on training cruises as midshipmen.

Navy Recruiting Post Shares Area Award

The Cleveland Navy Recruiting Station, which includes the local Chief Petty Officer James M. Pattison, was the best all-around recruiting station in the 4th Naval District during August, Capt. R. D. Macklin, director of Navy recruiting in Columbus, announced.

The Cleveland office enlisted 117 per cent of its assigned high school graduate trainees quota and also surpassed its quota in the Polaris and nuclear fields. Approximately 85 per cent of all men enlisted last month will be sent to one of the Navy's trade schools or will receive extensive on-the-job training.

The Cleveland main office surpassed the rest of Ohio, Pennsylvania, Southern New Jersey, Delaware and parts of West Virginia and Kentucky.

The local office is on the third floor of City Hall.

ACAPULCO, Mexico (AP) — Taking advantage of the distraction provided by a thunderstorm, 59 prisoners escaped from the city jail Tuesday. The prisoners had dug a tunnel under the prison wall.

Holiday Store Schedule Due For Decision

A proposed schedule of Christmas season store hours will be presented by the Executive Committee at the next meeting Oct. 3 the East Liverpool Merchants Association decided Tuesday at a meeting in the Chamber of Commerce office.

James Locke is chairman of the committee, which will present the schedule for approval, rejection or modification.

In other action looking forward to the holidays, a report was submitted by Jack Steinberg, co-chairman of the community Christmas activities program.

Steinberg reported additional cross-street decorations have been purchased for use in the business district. The new prices are similar to others that were used last year for the first time.

Steinberg also reported the committee has contracted for renovation of decorative, lighted Yule tree replicas which are hung on utility poles in the business district.

Ralph A. Finley, chairman, reported a committee from the Business & Professional Women's Club is working on a city beautification project. ELMA has agreed to co-operate and its downtown improvement committee will be assigned to work with the BPW group, he said.

Finley also reported on the meeting of the Ohio State Council of Retail Merchants last Wednesday through Friday at Granville.

He attended the session, along with Paul Bloor and E. R. Chandler, secretary.

Rice Shortage Leads To State Of Calamity

MANILA (AP)—President Carlos P. Garcia declared a nationwide state of public calamity Tuesday because of a shortage of rice, the Philippines' staple food.

The president's proclamation permits seizure of all hoarded rice stocks for public sale and sets ceiling prices. Garcia said the action was needed to avert panic and disorder.

Reds' Chances Looking Better, Margin Pushed To 4½

Cincy Tops Old Jinx, 7-2; Demeter, Phils Rout LA

By MIKE RATHET
Associated Press Sports Writer

Darrell Johnson, acquired by Cincinnati in mid-August, drove in three runs with a pair of doubles Tuesday night as the Reds beat the Chicago Cubs 7-2 and boosted their National League lead over second place Los Angeles to 4½ games.

Johnson, 34, with a .233 major league batting average, has been hitting at a .275 clip since he was purchased from Philadelphia but his exploits had to share top billing with Don Demeter's.

Demeter made the woeful Phils anything but as he crashed three homers and a single, driving in seven runs in a 19-10 rout of the pennant-chasing Dodgers. Joe Gibbon's three-hitter for Pittsburgh blanked San Francisco 3-0 and a five-hitter by St. Louis' Bob Gibson checked Milwaukee 4-1.

In the American League, Roger Maris and Mickey Mantle went homerless as the league-leading New York Yankees beat Chicago's White Sox 4-3 in a game called in the last of the sixth due to rain. Second-place Detroit defeated Kansas City 3-1 for Frank Lary's 20th win, and Washington whipped Boston 5-1. Los Angeles and Minnesota were rained out. Baltimore and Cleveland were idle.

Johnson and Wally Post formed a formidable 1-2 punch for the Reds against starter Dick Ellsworth (8-11) and his successors.

Post hit his 19th homer in the fourth and drove in the clincher for Jim O'Toole (15-8) with a sixth inning single that scored Elio Chacon.

In a game that had nine homers —five by the Phils—29 hits and the most runs scored against the Dodgers since they moved to Los Angeles in 1958, Demeter's performance was easily the standout. The former Dodger hit a two-run homer in the first, drove in a run with a single in a nine-run second, homered with two on in the seventh and hit a solo shot in the ninth.

That nine-run second inning won it for the Phils, who chased starter Sandy Koufax (15-11).

Dick Stuart homered twice, driving in all Pittsburgh's runs off Mike McCormick (12-15) as Gibbon (11-10) snapped the Giants' four-game winning streak.

Run-producing singles by Charlie James and Don Taussig and an error on a throw home won it for Gibson (11-11) as the Cardinals chased Milwaukee starter Bob Hendley with three runs in the seventh.

Reds About Ready To Count Shares

CINCINNATI (AP) — The pennant fever hit Cincinnati today.

After the Reds knocked off their worst opponent 7-2 Tuesday night, some of the boys were ready to begin counting the money a World Series brings.

But not Fred Hutchinson, the Reds' manager, He was well-pleased, of course, when the team turned back Chicago, and with 12 games to go he was happy.

"They played fine baseball last night," Hutch said. "Jimmy O'Toole pitched very well. Perhaps he did throw too many balls, but his curve was working well and his fast ball was jumping."

It was a game where Frank Robinson and Wally Post came through again with the big bat. And so did Darrell Johnson, a coach earlier this season who turned back to his trade of catching after he left St. Louis.

Johnson came through with an insurance double in the eighth which sent two runners over the plate.

It was an especially good victory for Hutchinson and his players. It was the ninth time they had beaten the Cubs. But Chicago has beaten the Reds 12 times.

Cincinnati, with everything in its favor schedule-wise, will play Milwaukee tonight. The Reds have a 14-7 season record against the Braves.

Joey Jay, trying for his 20th victory, will start for the Reds. Carlton Willey (5-10) will hurl for Milwaukee.

Asked if he thought the Reds were in, pennant-wise, Hutchinson shrugged and said:

"We looked pretty good last night. As a matter of fact we have looked well in recent games. But, baseball being what it is, we are just going to have to play each one and try to win. No pennant talk here yet."

Tuesday night, Robinson doubled home the Reds' first run in the opening inning, and Wally Post's 19th home run in the fourth was good for another. Post also singled home another player in the sixth.

The Reds got two runs in both the seventh and the eighth.

Gordon Coleman opened for the Reds with a single. Johnson's double scored him. The Reds' new catcher then reached home on a scarifice and a double by Ed Kasko. Next inning, he hit the two-run insurance double.

Andre Rodgers' double brought home George Altman in the sixth for the Cubs' first run. Their second came in the seventh on a walk, and singles by Don Zimmer and Ernie Banks.

Burbick Fires 18 Straight Pars In Seniors Golf Play

An East Liverpool golfer recorded a golf oddity this past weekend when he won his division in the Ohio Valley Seniors Golf tourney at the Williams Country Club in Weirton.

Don Burbick turned in 18 straight pars in shooting a 37-36-73 total to win honors in the 50-54-age group.

There were no birdies, bogies or eagles, just straight pars for Burbick, who said "that was the first time I had ever done that."

Competing in the tournament were 173 golfers from Wheeling and on up the Ohio Valley.

J. M. Wells Sr., of Newell won the 70-and-over division with a 44-39-83.

Jack C. Watson of Steubenville swept all honors with a two-under-par 71.

Baltimore, Indians May Talk To Leo

LOS ANGELES (AP) — The Cleveland Indians and Baltimore Orioles have asked permission to talk to Leo Durocher about managing their clubs, The Associated Press learned today.

But — even before any offers have been made—the 54-year-old Dodger coach has said he isn't interested.

The AP learned from baseball writer Phil Collier of the San Diego Union that general managers Gabe Paul of Cleveland and Lee MacPhail of Baltimore asked and received permission from the Dodgers to approach Durocher.

This reported expression of interest by Cleveland supports an AP story from Chicago today. There AP sports writer Joe Reichler says he has learned Manager Jimmie Dykes will not be retained by the Indians next season.

The manager's job at Baltimore was vacated recently by Paul Richards, who is moving to Houston as general manager of the new National League club there.

Trotting Champ Eyes Record, Plus Bonus

YONKERS, N.Y. (AP)—Su Mac Lad, already the biggest money winning trotter of all time, will get a much awaited chance to earn a $5,000 bonus for a world record in the $25,000 Volomite Trot over one mile at Yonkers Raceway Friday.

Seven horses have entered the race, changed from a mile and a quarter to a mile to give the 7-year-old gelding the opportunity at the world record of 1 minute, 59.4 seconds for the distance set by Darn Safe at Saratoga in 1957.

Su Mac Lad has been assigned the No. 7 post and has been established an even money choice. The rail went to Demon Dansel, with Regal Pick, Senator Frost, Silver Song, Hickory Pride, Air Record and Su Mac Lad following in that order.

Hayes Puts Mummey Back In Fullback Slot

COLUMBUS, Ohio (AP) — John Mummey, an All-Ohio fullback at Painesville High School but who has shifted around at halfback and quarterback at Ohio State, is back home—even if it means being an understudy to All-America Bob Ferguson.

Jets And Bisons Draw First Blood In IL's Playoffs

By The Associated Press

Columbus and Buffalo drew first blood in the opening round of the International League semifinal playoffs Tuesday night when the league champion Jets defeated Rochester 4-1 and the Bisons topped Charleston 3-2.

Jim Umbricht, a nine-game winner for the Jets, fired a seven-hitter. He lost his shutout in the seventh on doubles by Fred Valentine and Stan Jok.

Back-to-back home runs by Johnny Powers and Donn Clendenon broke the scoreless deadlock in the fourth inning as the Jets scored three runs. Clendenon also drove in the final Columbus run in the fifth with a double.

Buffalo scored two runs after two were out in the ninth to derail the Marlins.

Alvin Jackson (12-7) will pitch for Columbus tonight against Rochester's John Anderson (14-9) in the second game of the best of seven set. Paul Brown (3-2) or Bill Smith (9-7) will get the call for Buffalo against Charleston's Dean Stone (12-8).

Yesterday's Stars

Pitching — Frank Lary, Tigers, beat Kansas City 3-1 with five-hitter for 20th victory.

Hitting — Don Demeter, Phils, knocked in seven runs with three homers and a single in 19-10 victory over Los Angeles Dodgers.

Dykes Seen On Way Out With Tribe

CHICAGO (AP)—Jimmie Dykes will not be retained as manager of the Cleveland Indians, The Associated Press learned today.

One of the current Cleveland coaches, Mel McGaha, is expected to become manager for 1962 with Dykes shifting to a National League club as a coach. Dykes has coached in recent years at both Cincinnati and Pittsburgh.

"I don't know anything about it," Dykes said in Cleveland.

Gabe Paul, the Indians' general manager, would neither confirm nor deny the information.

McGaha, who joined the Indians' coaching staff this season after leading the Toronto Maple Leafs to the 1960 International League pennant, was unavailable to comment.

The 64-year-old Dykes, now in his 45th consecutive baseball season, went to Cleveland last year when he was traded for Joe Gordon of Detroit in an unprecedented swap of managers. He is in his 21st season as a major league manager, having previously handled the Chicago White Sox, Philadelphia Athletics, Baltimore Orioles and Cincinnati Reds in addition to the Tigers.

He was a coach with the Pirates when he left to become manager at Detroit. The Pirates reportedly told him at that time he could return as a coach whenever he wanted.

Paul was general manager at Cincinnati when Dykes became interim manager of the Reds for the last 41 games of the 1958 season.

Dykes was not rehired for 1959, however, and went to the Pirates as a coach until he moved up to the manager's chair at Detroit. They wound up on the same club when Paul resigned as general manager of the New Houston club of the National League and joined the Indians earlier this season.

Richest Horse Race Scheduled For 1962

CHICAGO (AP) — The world's richest horse race — a $150,000 added, $400,000 gross futurity — will be run in Chicago in 1962 at Arlington Park.

The race, which will be held on the first Saturday in September next year, will combine the Arlington Park and Washington Park futurities, annual tests for 2-year-olds. Announcement of the 1962 combination was made Tuesday by Mrs. Marjorie Lindheimer Everett, president of Chicago Thoroughbred Enterprises, Inc., which operates Washington Park and Arlington.

The single race, which replaces the pair of $100,000 added events, will reward the winner with approximately $200,000.

Tackle Don Reese Scored Chester's TD

It is rare when an unsung lineman scores a touchdown and when he does he likes to get credit for it.

Don Reese, a 165-pound senior tackle from Chester, scored his team's only touchdown Saturday at United. However, it was reported incorrectly and teammate Larry Jarvis got credit for the TD.

But it was Reese who rushed in hard and blocked a punt by United's Larry Marks, then picked up the ball and ran 25 yards for the touchdown. Chester lost the game, 14-8.

Maris Raps Plate Umpire As HR Pressure Builds Up

Soar Is Criticized In Yanks 4-3 Win

By The Associated Press

There's been a claim of foul in that home run race that's heading into the homestretch with Roger Maris holding a three-length lead over fast-closing Babe Ruth and Mickey Mantle losing ground.

Maris, the leader with 56 home runs, angrily criticized plate umpire Hank Soar Tuesday night after the New York Yankees edged the Chicago White Sox 4-3 in a rain-shortened contest that cost Maris and Mantle at least one at-bat apiece.

Reduced to a three-game edge over Ruth's record 60 homer pace of 1927, Maris cited Soar for what he called poor balls and strikes calls. "I didn't get too many strikes," complained the Yankee slugger, "yet they were being called strikes. I was swinging in self defense."

Both Maris, who now needs four homers in the next nine decisions to tie Ruth's mark in the allotted time, and Mantle were held homerless by Billy Pierce and Frank Baumann. But each had a single before the game was called in the last of the sixth.

The triumph kept the Yankees 11½ games ahead of the Detroit Tigers, and lowered their magic number to seven. Any combination of seven wins or Detroit losses will bring New York its 11th pennant in the last 13 years and the first for rookie manager Ralph Houk.

The Tigers kept pace by beating Kansas City 3-1 for Frank Lary's 20th victory. And Washington whipped Boston 5-1 on Pete Burnside's three-hitter. Los Angeles-Minnesota was postponed. Baltimore and Cleveland were not scheduled.

In the National League, Cincinnati's first-place Reds bopped the Chicago Cubs 7-2 and moved 4½ games in front of the Los Angeles Dodgers, who lost 19-10 to Philadelphia. St. Louis beat Milwaukee 4-1 and Pittsburgh blanked San Francisco 3-0.

Maris and Mantle were instrumental in the Yankees 13th consecutive triumph with Maris wheeling home with the winning run in the fifth on Elston's Howard single. He had opened with a single and moved up on Mantle's base hit. Maris, who went to the plate four times, also walked in the first and scored, while Mantle who has 53 homers, struck out and flied deep to center in his other at-bats.

Ralph Terry (14-2) won it for the Yanks although tagged for eight hits—one the game's only homer by little Luis Aparicio.

Al Smith began the final inning with a double to left center and Nellie Fox moved him to third with a sacrifice. The Yanks pulled the infield in and held Smith at third while Jim Landis grounded out. Then the rains came.

Pierce (9-9) who lasted one inning—he gave up three runs and four hits—was charged with the loss.

Lary (20-9) won his 20th on the fourth go-round with a five-hitter when the Tigers came up with two in the eighth against Jerry Walker (7-12). Billy Bruton's triple, a walk, Norm Cash's sacrifice fly and singles by Dick McAuliffe and Steve Boros got the job done after Dick Brown tied it in the fifth with his 13th homer. Homer No. 8 for Deron Johnson accounted for the A's run.

Roger's Latest 'Blast' Doesn't Help HR Total

By JOE REICHLER
Associated Press Sports Writer

CHICAGO (AP) — Roger Maris really put on the blast Tuesday night.

But it didn't add to his season's home run total which remained at 56 when the best he could do was collect a single in four times at bat in New York's 4-3 victory over Chicago.

The blast was directed at plate umpire Hank Soar. Maris accused the arbiter of making at least three bad calls against him.

Soar, who has been an American League umpire for 15 years, blasted right back.

"Those pitchers didn't throw me too many strikes tonight," complained Maris, "yet they were being called strikes. I had to swing in self defense."

Soar shot back:

"He's so tight he can't breathe. You can't call a strike on him without getting an argument."

Maris cited three instances when he believed Soar erred in his judgment of balls and strikes. The first time was in the second inning when, with runners on second and third, Roger bluffed a bunt but did not swing. Soar called it a strike.

"The pitch was high—up here," Maris said, raising his arm above his shoulder.

The second bad call, according the Maris, was when Soar called him out on strikes a few moments later.

"I didn't swing," he asserted. "My body moved but my bat didn't."

"What am I supposed to be—a mind reader?" asked Soar. "When he swings, he swings."

In the sixth inning, Maris disagreed with a strike call, an inside pitch. Roger raised a high foul caught outside first base on the pitcher's next delivery.

"They are pitching him inside," said Soar, "and he's letting them go by."

Said Maris: "I realize an umpire can have a bad day just as a player can have one. But I don't like it when it happens every time I come to bat. I'm not looking for any favors. All I want is a fair shake."

Wellsville Assistant Takes New Athens Post

Carl Firm, an assistant coach at Wellsville High School for the past four years, has accepted a post as head basketball coach at Athens Union Local High School at New Athens.

Located in Harrison County, Athens Union has an enrollment of only 58 in the high school grades, and plays against such Class A teams as Jewett, Scio and Adena.

The Athens Bobcats failed to win a game the entire season last year under Coach Don Love. Love remained at Athens Union as a teacher.

Firm moved on from Wellsville after turning out some outstanding squads in his four-year tenure as reserve basketball coach.

A graduate of Toronto High School and Kent State University, Firm will teach history at Athens Union. The school is in Franklin Township of Harrison County.

Supt. S. E. Daw said that James Criss, a graduate of West Virginia University, has been employed to fill Firm's vacancy.

Negroes Declare They'll Play In 49ers' Opener

REDWOOD CITY, Calif. (AP)—Negro players on the San Francisco 49er squad said Tuesday they will play in their team's National Football League opener against the Washington Redskins Sunday.

The nine players had been asked by the Congress of Racial Equality (CORE) and the San Francisco chapter of the National Association for the Advancement of Colored People to refuse to play because the Redskins have never hired a Negro player.

Defensieve back Abe Woodson, selected as spokesman for the players, said, "This is different from situations where there are segregated audiences and things like that."

NBA Opponents Meet

Royals, Knicks In Oct. 5 Contest At Steubenville

STEUBENVILLE — Professional basketball will make its debut in Steubenville Thursday, Oct. 5, when the Cincinnati Royals, with the great Oscar Robertson, take on the New York Knickerbockers at the 6,500 seat Steubenville Community Arena. Game time is set for 8 p. m.

The contest is being sponsored by The College of Steubenville Alumni Association and its chapters throughout the nation.

The Royals, the hottest team in the National Basketball Association during the closing portion of the NBA season, will bring a host of outstanding rookies in addition to the returning members of the squad.

Returning to aid the great "Big O" will be Jack Twyman, Arlen Bockhorn, Wayne Embry, Hub Reed and giant Bob Boozer.

The rookies include Joe Buckhalter, the 6'7" Tennessee A & I flash who played an outstanding game against The College of Steubenville Barons three season back in the Youngstown Tournament; Bob Wiesenhahn, captain of last season's University of Cincinnati NCAA champions; Adrian Smith, All-American from Kentucky who scored 45 points in the final game of the Weirton Community Center tournament last April; Dave Zeller, most valuable in the Weirton tourney.

Also, Larry Kruger, 6'4"; Dale Moore, 6'6", Bud McRoberts, 6'5"; St. Louis All-American Bob Nordmann, 6'10"; Carl Short, 6'4"; Gerry Thelen, 6'9" Villa Madonna College star who played so well against the Barons; and Jack Walters, 6'4".

The game is one of 11 preseason games scheduled by the Royals. Charley Wolf, Royal coach, led three teams against The College of Steubenville Barons while directing Villa Madonna College Wolf feels that with his returning veterans and the outstanding crop of first year men, the Royals will be a serious challenger for the NBA crown.

The New York Knicks will be coached this season by Eddie Donovan, former coach at St. Bonaventure College. Donavan will attempt to lead the Knicks back to the top of the NBA, a position they held a few seasons back. Leading the attack for the Knicks are veterans Willie Naulls, Charley Tyra, Rich Guerin and John Green.

Guerin can be remembered as the high scoring ace of the Quantico Marine team which was defeated by the Barons four seasons ago on the Steubenville High School court. Guerin tossed over 30 points in that contest. The Knicks also will have their finest rookie crop in history although they have lost Tom Stith, last season's leading college scorer, who is ill. His brother, Sam Stith is now a member of the squad.

The great Robertson, three time collegiate scoring leader and All-America, was named the NBA "Rookie of the Year" last season. The "Big O" had a 30.5 scoring average and broke Bob Cousy's NBA assist record with a 9.7 average. He was the league's third leading scorer with 2,165, 4th in field goal percentage, 47.2, 9th in foul tries, 82.2, top rebounding guard, 716, and most valuable player in last January's NBA all-star game at Syracuse when he scored 23 points in 34 minutes and had 14 assists.

The "Big O" was the leading figure in the last Olympic games as he led the American team to the championship. Last year he scored 45 points twice, went over 40 points nine times and over 30 points 44 times.

Jack Twyman, the second half of the Royal's one-two punch, has been among the NBA scoring leaders during his six seasons in the league. Last year he averaged 25.3 points and hit for 49.00 percent from the field. His 2,338 points two seasons ago was the second best scoring season in the NBA history.

Twyman is the guardian for ex-Royal Maurice Stokes who was stricken with a mysterious brain injury in 1958 and has had complete charage of the fund raising campaign to aid Stokes.

Ticket prices for the game are: $2.00, box seats; $1.50 and $1.25, reserve seats; $1.00, general admission.

Red Mihalik, popular national collegiate official from Pittsburgh will be one of the officials for the game. The other official will be a regular National Basketball Association official.

Even College Teams Have Representatives

COLLEGE PARK, Md. (AP) — Even college football teams have player representatives.

But when tackle Roger Shoals of the University of Maryland goes to see Coach Tom Nugent, they don't discuss pension plans.

They talk over such matters as length of workouts, time of the preschool bed checks, and other player-coach problems.

"The other day," Nugent said, "they even asked if we could hold longer practice sessions."

Boosters To See Film Of Salineville Contest

SALINEVILLE — Films of the Salineville-Greenford grid game will be screened at a special meeting of the Athletic Boosters Club tonight at 8 at the high school cafeteria.

The executive committee will be elected. Warren Dunlap was re-elected president of the group at a meeting last week. Other officers are Gillis Earl, vice president; Miss Carolyn Malone, secretary, and Bill Tolson, treasurer.

Panthers Picked To Win Grid Opener Over Miami

By HAROLD CLAASSEN

PEBBLE BEACH, Calif. (AP) —Punts or putts? Touchdowns or tee shots? Halfbacks or hooks? Picking this year's first football winners at the scene of the National Amateur Golf Tournament.

Pittsburgh over Miami: Your first TV dish of the season. The visiting easterners are proud of their line, bulwarked by Kaltenbach and Vignali.

Iowa State over Drake: Once this one was the climax of the year for both clubs, now it is the opener with Big Eight Cyclones the heavy favorites because of their dedication.

West Virginia over Richmond: The Mountaineers are on their way back with Holdinsky and Colvard leading the way.

San Jose over Brigham Young: If you can't run the hundred in 10 seconds flat, there's no need for you to try out for the San Jose backfield.

Virginia Tech over William & Mary: Tech is the favorite for the Southern Conference title but William & Mary has a batch of newcomers who could be tough.

Wyoming over Montana: Football is a way of life with the Wyoming students.

Florida State over George Washington: The new regime at George Washington gets off on the wrong foot. This could be the year Florida State reaches it much desired big-time rating.

Skipping over the others in a hurry:

SOUTH: Virginia Military over Marshal, Memphis State over The Citadel; Furman over Presbyterian, Catawba over Davidson.

MIDWEST: Cincinnati over Dayton; Miami over Villanova; Wichita over Toledo.

WEST: New Mexico state over Arizona State of Flagstaff; Utah State over Texas Western; Utah over Colorado State University.

FIELD AND STREAM

By R. L. LIDE

Have you seen Beaver Creek down along the Pennsylvania line lately?

A good portion of the creek now has been claimed by the Ohio River since the New Cumberland dam has been installed. What were once good fishing waters with lacy white riffles and deep pools are now a back-wash with floating debris and an odor.

This is the result of what is known as progress?

I have been informed by news releases that the migratory waterfowl season opens at noon Oct. 20. I do not have the laws regarding ducks and geese, so I will have no correct information until I receive the laws.

—:—

SQUIRREL SEASON opens Friday at daylight. Squirrel hunters should pick up a digest of the laws before going hunting.

Ohio has zoned the squirrel hunting in what is known as Zone 1 and Zone 2. Both zones come in on the 15th, but the season is shorter in Zone 2 than Zone 1. But there is no reason for anyone to be confused.

Local fishermen are enthused about the possibilities of fishing at the Salem reservoir. I would advise you to "hold your horses boys" until it has been made legal; also wait to learn what the rules and regulations will be if and when fishing will be permitted.

Several years ago my supervisor and I met with Salem Council in an effort to get an easement with the Ohio Division of Wildlife to provide public fishing, and things appeared to be rosy. The easement was returned to district headquarters, with the request certain changes be made. This was done. Months later I had instructions to find out why the easement was withheld. I was told bluntly by Mr. Aubrey Hayes that the city of Salem did not want the state of Ohio to have anything to do with the reservoir. That is where it ended.

—:—

IN THE MEANTIME, the state engineering section went ahead and surveyed the area which was designated as the parking lot. Also, plans were drawn to provide sanitary facilities, a well was to be drilled and areas posted as out of bounds, where no shore fishing would be allowed, etc. All this was to be done at state expense and the money was appropriated for this purpose. Now I don't know what the state will do, since this will have to come from the front office.

One thing I feel sure about — if fishing is ever allowed there, it will be "hot" for awhile, with bluegills, bass, catfish and other creek fish.

After the fish become "educated" it will be like most other lakes. You will have to work to catch the fish, since they won't hit anything you toss at them.

Meantime, the reservoir should be test-netted to find out what kind of fish exist. No one has any way knowing if any of the walleyes stocked there a few years ago actually survived.

At least it appears that the "no-license, no-permit, no-nothing fishermen" have been checked for the time being and this little fisherman's paradise will be visited by "sneak-ins" only.

Williams To Return To Barons Full Time

CLEVELAND (AP) — Defenseman Tommy (Red) Williams will return to the Cleveland Barons hockey team on a full time basis this season.

Jack Gordon, Barons general manager, said Tuesday night Williams will join the Barons at trainig camp in St. Thomas, Ont., next Saturday. Williams saw part-time service in 29 of the Barons' home games last year.

Ohio 5-Day Forecast

NORTHERN OHIO — Temperatures will average six to 10 degrees below normal. Turning cooler Thursday and much cooler Friday through the weekend, warming Monday. Rainfall will average one-half to three-quarters of an inch in showers tonight and Thursday, and scattered light showers Friday, then dry thereafter.

SOUTHERN & CENTRAL OHIO —Temperatures will average seven to 10 degrees below normal. Turning cooler Thursday, slow moderation by the weekend. Rainfall will average three-quarters to two inches, with locally heavier amounts, in rain and scattered thunderstorms tonight and Thursday, no important amounts thereafter.

The 1967 University of Texas football schedule is now complete except for two games.

Browns Cut To 36 Limit

Cleveland Will Keep Six Rookie Gridders In 1961

CLEVELAND (AP)—Six rookies will be on the Cleveland Browns' roster in the season opener against the Philadelphia Eagles at Franklin Field Sunday.

They are John Brewer, a defensive end; Charley Ferguson and Bobby Crespino, offensive receivers; Tom Watkins and Preston Powell, running backs, and Ed Nutting, an offensive tackle.

Duane Putnam, obtained from the Los Angeles Rams to replace the injured Gene Hickerson at guard, is another new face.

The Browns got down to the National Football League limit of 36 players Tuseday by sending Billy Gault and Jim Marshall to the Minnesota Vikings.

None of the newcomers is slated for a regular role at present. Brewer, formerly of Mississippi, is the extra defensive end. Watkins, of Iowa State, will play behind Bobby Mitchell at halfback, while Powell is Jim Brown's understudy at fullback. Ferguson, from Tennessee State, will work behind flanker Ray Renfro.

Crespino, first draft choice from Mississippi, is the understudy for Rich Kreitling at end. Nutting was drafted as a "red shirt" but passed up a final year of football at Georgia Tech to try for the team. Putnam is the swing guard. He's worked at both sides.

The breakdown by positions:

DEFENSE — Halfbacks: Bernie Parrish, Jim Shofner, Bobby Franklin, Don Fleming and Ross Fichtner. Linebackers: Walt Michaels, Vince Costello, Galen Fiss and Dave Lloyd. Tackles: Bob Gain, Floyd Peters and Larry Stephens. Ends: Jim Houston, Paul Wiggin and John Brewer.

OFFENSE— Quarterbacks: Milt Plum and Len Dawson. Fullbacks —Jim Brown, Preston Powell and Sam Baker. Halfbacks: Bobby Mitchell, Tom Watkins, Ray Renfro and Charley Ferguson. Center: John Morrow. Guards: Jim Ray Smith, John Wooten and Duane Putnam. Tackles: Mike McCormack, Dick Schafrath, Ed Nutting and Lou Groza. Ends: Rich Kreitling, Gern Nagler, Leon Clarke and Bobby Crespino.

Virginia is the only member of the eight team Atlantic Coast Conference that has never played in a football bowl game.

Nicklaus, Coe, Ward Advance In Amateur

By JACK STEVENSON
Associated Press Sports Writer

PEBBLE BEACH, Calif. (AP) Three former champs and an Irish belter kept the United States Amateur Golf championship from being completely wide open today in play that will see only 36 survivors by nightfall.

Defending champion Deane Beman fell Tuesday before veteran Billy Joe Patton, but ex-titlists Harvie Ward Jr., Charlie Coe and Jack Nicklaus all whipped through the second round.

So did three-time British champion Joe Carr of Ireland, a witty fellow who laced a couple of drives about 300 yards while overwhelming Claude Wright of Englewood, Colo., 6 and 5. Not in 29 years has a foreigner won the U.S. Amateur title.

Exacting conditions of play over the 6,747-yard Pebble Beach course, with small greens, and weather conditions that vary almost hourly, give the advantage to the experienced golfer.

Even the dark horses were golfers with experience—Bob Gardner of Elmsford, N.Y., two-time former California champ and last year runner-up in the National to Beman and ex-pro Glen Fowler of Oklahoma City, both sub-par shooters the past two days.

Patton, 39, ousted Beman 2-up. The 1960 champ missed six putts of eight feet or less as his usually reliable putter failed.

Ward was 2 under par in dispatching Harlan Lane of Houston, 7 and 5, to put him against Dudley Wysong Jr., of McKinney, Tex., today. The San Franciscan, national champ in 1955 and 1956 didn't lose a hole. Wysong beat Andy Gard of Wayland, Mass., 2-up, after Gard staged one of the few first-round upsets by eliminating ex-Walker Cup star Bill Campbell.

Oklahoma City's Coe, titlist in 1949 and 1958, triumphed 5 and 4 over John Nichols of Downey, Calif. Nicklaus, even after nine, rallied to win the next three holes against Oregon champ Donald Krieger of Portland and go on to a 4 and 3 triumph. The big blond from Ohio State drew Bill Edwards of Garden City, N.Y., today. Edwards advanced with a 2 and 1 triumph over Dick Giddings of Modesto, Calif.

Congressman Jack Westland of Everett, Wash., national champion in 1952, went to the sidelines with Beman as collegian Frank James of Grinnell, Iowa, beat him 6 and 4.

Wilson Madden of Elyria, Ohio, was defeated 1 up in the second round by Ralph Bogart of Chevy Chase, Md.

35 At Scout Group Outing

Thirty-five attended the annual steak fry held Tuesday night at Wellsville Hammond Park for members of the Cherokee District Boy Scout committee, wives and guests.

Bill Rayburn, camping and activities chairman, was cook, assisted by Frank Rossi, district vice chairman.

Thomas Snow, chairman, conducted brief business. Rayburn reported on a Polar Bear Camp to be held in January.

Jerry D'Angelo, advancement chairman, reported the Eagle Board of Review had met at his home for Jerry Hoskinson of Troop 59 of Wellsville.

Kenneth Mugridge, the Shawnee District executive, and wife were introduced.

Rossi, nominating chairman, reported a slate of officers has been selected and will be voted on at the next meeting.

Robert Gray, district executive, reported on the increase of membership in the district. Alton West, a member of the district health and safety committee, was in charge of the closing.

A training course for adult Explorer leaders will be held Sunday at 5:30 p. m. at the Jaycee Hall in Wellsville. Snow will be in charge.

The Wellsville Jaycees and the Yellow Creek Presbyterian Church both are planning to sponsor an Explorer Post, along with the Salineville Presbyterian Church. The program is open to boys from 14 to 18.

Del Mar Race Track Ends Its Best Season

DEL MAR, Calif. (AP) — Del Mar racetrack concluded its most successful season in its 22 years of operation Tuesday.

Attendance total for the 42-day meeting was 448,819, an increase of 1.9 per cent over last year. A track record was set in wagering this season — $39,535,242. It represented an increase of 8.8 per cent over last year.

Quota Club Will Sponsor Travel Adventure Series

Final arrangements for sponsoring "The World Travel and Adventure Series" to be presented at Westgate School were made at the luncheon meeting of the Quota Club Tuesday afternoon at the Travelers Hotel. Nineteen attended.

Miss Gladys DeBolt, chairman, announced the speakers will be Stoneall O'Brien, "Switzerland," Oct. 17; Theodore Bumiller, "Germany", Oct. 24; Robert Davis, "Arizona Utopia," Oct. 31, and Gordon Palmquist, "Japan," Nov. 7.

Tickets for the series are adult, $3; student, $1.50; and for single admissions, $1 for adults and 50 cents for students. Patron tickets will sell at $5 and these lists will be printed and attached to the program for each event.

Committees named were Mrs. Laura Reinacher, Mrs. Dorothy Horsley, Mrs. Mildred McKim, Mrs. May Hartt, Mrs. Jeanette Carpenter, Miss Mildred McGregor, Mrs. Rebecca Turk, Mrs. Marie Hays and Mrs. Edna Jones, contact; Mrs. Margaret Duffy, Mrs. Irma McGarey, Dr. Edith Gilmore, Mrs. Janet O'Hara, Miss Phyllis Crook, Mrs. Carpenter, Mrs. Jones, Mrs. McKim and Mrs. Hays, program.

Mrs. Louella Thompson, finance; Mrs. Horsley and Mrs. Clara Hall, publicity; Mrs. Carpenter and Mrs. Hays, tickets and ushers; Miss McGregor and Dr. Gilmore, patron tickets, and Mrs. Horsley, literature.

Mrs. Ellen McLain, first vice president, presided in the absence of Miss Crook, president. Mrs. Ila Shingler read the minutes and Mrs. McGarey, the financial report.

Mrs. Eleanor Boice reported on contributions for the Kent State Scholarship fund. Mrs. McKim distributed the new program booklets.

An invitation was read from the Dahlia Club to attend the fall show Sept. 16-1 Saturday and Sunday at Westgate School. Mrs. Carpenter gave the project report.

Announcement was made of a change in delegates for the annual conference of District 6 Sept. 22-24 at Columbus. Those named are Miss DeBolt and Mrs. Reinacher, delegates, and Mrs. McLain and Mrs. Shingler, alternates.

The speech and hearing clinic will open Sept. 23 at Westgate School. Those interested may contact Miss McGregor.

Miss Justine Miller, membership chairman, reported she will read lists of majors and minors in classifications at each future meeting.

Next meeting is Sept. 26 with Mrs. Hilda McEwen of St. Clair Ave. Mrs. Doris Corns, Mrs. Horsley and Mrs. Mary Daily comprise the committee.

Wellsville Band Will Attend KSU Event On Sept. 23

Ted Koenig, director, announced at the meeting of the Wellsville Band Parents Monday night that the Wellsville High School band will attend annual Band Day ceremonies at Kent State University Sept. 23.

The group, which met at Daw Junior High School, will finance the trip. Twenty-nine attended. William Ferrall, president, conducted business.

Mrs. Mary Clark, social chairman, announced plans are being made for an awards banquet for the marching band at the close of the football season.

Following the banquet, a record hop and entertainment will be provided for the members and their dates. Tickets will be available for any parent desiring to attend the banquet.

Mrs. Anthony DeSarro, chairman of the majorette uniform committee, announced material for 15 new majorette uniforms has been ordered. It is hoped they will be ready for the next home game.

Next meeting is Oct. 9.

Lions At Cumberland Hear Weirton Guest

NEW CUMBERLAND — Charles I. Jones of Weirton addressed the Lions Club on "Juvenile Delinquency" at Tuesday night's meeting in Swaney Memorial Library.

A teacher at Broadview school and pastor of the Nessly Chapel, Jones discussed the work of the Weirton Christian Center and outlined duties of civic organizations in combatting delinquency.

Atty. Edwin Flowers, president, conducted business. Reports on the club's free community fair held over the Labor Day weekend were presented by Squire John D. Herron and W. C. Jones.

Representatives of the six Northern Panhandle clubs convened later with Pete Hamilton of Wellsburg in charge.

Order Reigns In Dominican After Rioting

CIUDAD TRUJILLO, Dominican Republic (AP) — Tanks and troops restored order today after rioting by opposition political groups left four dead and more than a score injured.

The violence was sparked by the arrival of a four-man team from the Organization of American States Tuesday. They are investigating the possibility of lifting some of the diplomatic and economic sanctions on the Dominican regime that took over after the assassination of Generalissimo Rafael L. Trujillo last May. The opposition fears this would entrench Trujillo's heirs in power.

There were conflicting versions of what happened near Duarte Bridge over the Ozama River around noon Tuesday, when a crowd of about 5,000, mostly from a nearby working class neighborhood, gathered to greet the OAS delegates.

Opposition eyewitnesses claimed that a car filled with armed forces and plain clothes police jumped out of their unmarked car and fired pistols and automatic rifles into the crowd.

But Col. Marcos Jorge, chief of the national police, said an air force sergeant, Victoriano Cruz Hernandez, was angered when the crowd stoned his car, emptied his revolver into the demonstrators and then fired his automatic rifle. Cruz Hernandez was turned over to civilian authorities for investigation, Jorge said.

The OAS caravan was chased about a mile toward the city by the crowd. Demonstrators chanted "liberty" and "brutality" and beat on the cars. Some carried placards deriding the U.S. representative, deLesseps Morrison, for accepting a medal from Trujillo. He has said the State Department advised him to accept it.

Some of the opposition leaders claim the police have provoked numerous riots—killing more than a dozen demonstrators in past weeks—and are trying to weaken the opposition by branding it as pro-Communist.

While President Joaquin Balaguer is the nominal head of the nation, the real power is generally considered to rest in the hands of Gen. Rafael L. Trujillo Jr., chief of the armed forces and son of the slain dictator.

Teachers To Get Tuberculin Test

LISBON — The Columbiana County Public Health League said Leetonia teachers will be given the Heaf test on Friday. Positive reactors will be referred to the mobile X-ray unit which will operate on the Square at Leetonia Tuesday from 2 to 5 and 6 to 9 p. m., according to Miss Lillian Schroeder, executive director.

The league is pushing the policy of tuberculin test first, taking chest X-rays on only the positive reactors.

Employes were examined recently at two plants in East Palestine — the Kenmar Manufacturing Co. and the Royal China, Inc., and of the 300 test, 37 or 10 per cent needed chest X-rays for tuberculosis.

It is possible by means of this simple Heaf skin test to find out who is now infected with TB germs. Most new cases of tuberculosis will come from those people now infected, she said.

Persons who show a negative reaction to tuberculin year after year do not need chest X-rays to find TB. Persons who show a positive reaction have been infected and can be checked annually by the chest X-ray to be sure they do not break down with the disease, Miss Schroder added.

Negley Church Plans Country Style Fair

NEGLEY — A country style fair will be held Saturday at the Negley Methodist Church, featuring a bazaar tent, public dinner and home talent show.

Proceeds will be used for the church building fund. The fair will begin at noon. The bazaar will include a country store, baked goods, candy shop and fancywork.

A chicken and ham dinner will be served from 5 to 7 p.m., and a home talent show is slated for 7:30.

Senate Vote Kills Chances

Kennedy Takes Political Setback Over School Aid

WASHINGTON (AP)—President Kennedy took a prestige-denting political licking when the Senate sided with the House in voting to continue two school aid programs until 1963.

For all practical purposes this action, accomplished Tuesday on a 45-40 Senate vote, probably means that Kennedy will not get the full-fledged aid to education program he is certain to propose again next year.

Congress may enact some fringe benefits for colleges in 1962, but the classroom construction and teacher salary assistance he has plugged for seems to have little chance for enactment. The House pigeonholed a measure of this nature after it had been passed by the Senate.

The theory is that these controversial proposals need to be sugar coated with extension of the popular impacted areas and National Defense Education Act programs. The first of these gives federal aid to school districts crowded with children of federal workers. The second provides scholarship grants as well as loans for scientific equipment.

Kennedy showed he was well aware that the extension of these two programs for two years, as the House and Senate now have voted, would make it difficult to get any education legislation thru next year.

He wrote Senate Democratic Leader Mike Mansfield of Montana urging a one-year extension so the impacted areas and NDEA programs could be re-examined in 1962.

Mansfield read the letter to the Senate shortly before it voted on a proposal by Sen. Wayne Morse, D-Ore., for a one-year extension of both measures. But the President's prestige wasn't sufficient in this case and a 45-40 defeat resulted.

Breaks Out In Rash

Girl, Allergic To Boys, To Attend All-Girl School

LOUGHTON, England (AP) — Jane Reeve, who breaks out in a rash when she mixes with boys, has won her battle to save her schoolgirl complexion.

She gaily skipped off today to an all-girl school where there'll be no boys to bring out those ugly blemishes.

Jane, 11, is allergic to boys. Boys make her nervous. That brings on the rash.

Finishing at her girls' school, Jane was threatened with a rash of rashes when she was assigned to a coed high school in this town just outside London.

Her father, Leslie Reeve, protested to the local educational authorities. He told them about the rashes.

The authorities turned down his request that Jane be allowed to attend the local girls-only school. That school, they said, is full.

Even a doctor's certificate, pointing out Jane's strange ailment, wouldn't budge them.

Until Tuesday, that is, when the authorities, after thinking things over, decided that in the interests of her health Jane should go to a girls' school.

An education official said: "It is felt that, in view of Jane's extreme nervousness, there is justification for her to be allowed to attend a single-sex school."

He said a place had been found at a girls' school a few miles out of Loughton.

Boosters To Hold Harvest Festival

Further plans for the annual Tri-State Harvest Festival Sept. 22-23 were made at a meeting of the Beaver Local Boosters Club Tuesday night at Beaver Local High School.

The festival committee, headed by George Gaydos, will meet Thursday night at 7 at the high school to make final preparations.

Mrs. Dorothy Smith of West Point is refreshments chairman for the event. Beaver Local will play Union Local Sept. 23 in a night game climaxing the fair.

Plans were made to feed the football team after home games. It was announced a whirlpool therapy machine for high school athletes, purchased by the club, is in operation.

Mrs. Charles Smith, vice president, was in charge. Twenty attended. Next meeting is Sept. 26.

10 Hurt In Crash

CLEVELAND (AP)—A car and a Cleveland Transit System bus collided on the Eagle Road ramp Tuesday, injuring 10 persons slightly. The driver of the car and his passenger were held by police for investigation.

Cook chicken livers in butter and chop; add to scrambled eggs just before the mixture sets. Nice for lunch or brunch.

Bringing Up A Family

By GARRY C. MEYERS

All Can Learn From Jewish Holidays

Dr. Garry Meyers

No matter what our religion or philosophy of life may be, there is something for us and our children to gain culturally and spiritually from knowing about and appreciating the special holidays celebrated by children and parents of the Jewish faith. Jewish children and their parents, along with their fellow Americans, celebrate January first as the national legal holiday. Also they still observe Rosh Hashanah as their religious New Year, according to Biblical instruction: "On the first day of the seventh month you shall have a holy convocation; you shall do no laborious work. It is the day for you to blow the trumpets."

—:—

MANY PEOPLE of Orthodox and Conservative synagogues celebrate Rosh Hashanah for two days in accordance with ancient tradition. Other Jews, of Reform synagogues, observe this holiday season for only one day.

On Rosh Hashanah eve, the family celebrates with a festive dinner. The father says the Kiddush, a blessing over the holiday cup of wine, and gives some to each member of the family.

A beautiful custom of Rosh Hashanah is the eating of an apple or some other fruit dipped in honey, to express the hope that the coming year may be full of sweetness.

Morning services are held in the synagogue. There the congregation prays to God to speed the time when all the people of the earth shall be brothers, and wickedness and tyranny shall pass away like smoke into the sky.

This is a prayer all of us, regardless of our faith, might also pray fervently.

—:—

TOO, DURING the services, a section is read from the Sefer Torah, a parchment scroll which contains the first five books of the Old Testament. The portion read tells the story of Abraham and Isaac, reminding the congregation that they, too, must renew their faith.

To the average Jewish child the most important ceremony of the day is the blowing of the shofar. Made of a ram's horn, it has a piercing sound. It was used in ancient times to call the people together for emergencies or special assemblies. Blown in the synagogue now, it reminds the congregation of the need for doing good and for living honorable and God-fearing lives.

Reminded so recently by the Eichmann trial of the murder of 6,000,000 Jews by the Hitler regime, just because they were Jews, we who call ourselves Christians might gain inner richness of soul if we and our children were to pause for a few moments in silent reverence in honor of those 6,000,000 martyrs.

My bulletin, "The Young Child and Religion" and "Graces and Prayers for Young Children," may be had by sending a self-addressed, stamped envelope to me in care of this newspaper.

Navigation Unit Will Inspect Dam

The "Gateway Clipper" of Pittsburgh will bring a delegation of 35 navigation experts to the Stratton Dam for a tour Sept. 20 at 2 p.m.

The group, comprised of experts in the fields of inland and ocean navigation on a global scale, will see navigation developments in this area as guests of Pittsburgh industrial and federal navigation interests.

The group is presently meeting ing in Baltimore as delegates to the XXth Permanent International Association of Navigation Congresses.

Its membership includes port officials, government leaders in shipping, transportation and marine engineering and technical people from firms and organizations who study ocean and inland waterway construction, port development, the mooring of ships and navigation aids.

Keep In Trim

By IDA JEAN KAIN

Vacation Pounds Must Be Trimmed

Ida Jean Kain

Everybody loves to eat . . . particularly when on vacation on the American plan. If calorie caution is tossed to the sea breezes, it's no trick at all to pick up three to five extra pounds. Alas, those five pounds can get you ten! Why?

You upped your "appestat," the name Dr. Norman Jolliffe gave the appetite-regulating mechanism.

Just two weeks of overeating can elevate the appestat and upset the natural habit pattern that regulates your food intake.

Don't worry about the three to five pounds — just get busy and take them off before they become a fixture. Recently - added fat is easiest to remove. You're not stuck with those vacation pounds.

—:—

HOW LONG will it take to get your appetite back under control? About five days. Plan meals that stick to the ribs and provide the greatest carry-over of energy.

Make protein the backbone of each meal since protein pulls its own weight. Protein foods not only stimulate body metabolism, but the body takes several hours to convert half of the protein into sugar. What this means in terms of hunger control is that a meal which includes a complete protein food stays by you longer.

On vacation you enjoyed a good breakfast. This would be a good time to establish the habit pattern for eating breakfast. Oh, not half a dozen hot cakes with syrup and sausages . . . but an adequate breakfast of egg and toast or hot or cold cereal with milk. If you wish to have a small serving of cereal with milk, plus an egg, have them.

On the breakfast score, keep this in mind. Food alone causes an increase in metabolism. The effect of food in raising metabolism is termed its specific dynamic action. Within an hour after a meal, metabolism begins to rise and reaches its peak in about three hours.

Protein causes the greatest rise in metabolism . . . therefore protein at the morning meal is in the interest of hunger control and slimming.

Reason this out for yourself. When you start the body working in the morning, you get the benefit of revved-up metabolism for many more hours than you do when breakfast is skipped.

—:—

OF COURSE, there is more than one way to overeat. On vacation, most likely rich desserts boosted the calorie score. When dessert comes with the meal, it is not easy to turn it down! Now that you're back home, cut out the high calorie desserts. Finish the meal with fruit or cheese and a beverage.

Summed up: If you enlarged your food capacity, cut your appetite down to size with smaller meals, well-planned so as to control hunger most effectively. You'll be so glad you did!

Send a long, self-addressed, stamped envelope for "Revised Calorie Chart." Address your request to Ida Jean Kain, in care of this newspaper. Postcard requests cannot be answered.

Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann Landers: I've been staring at this piece of paper for 30 minutes trying to figure out how to put my problem into words. I decided the logical place to start was at the beginning, so I began to review my troubles as objectively as possible.

To my surprise, the incidents which lead up to the present mess fell into a pattern which, for the first time, made some sense.

Now that I've thought things through I see the solution clearly. So you see, Ann Landers, you help people by just being around.

Maybe this letter isn't worth mailing, but since I've finished it and the envelope is stamped I'm going to send it.—PROBLEM SOLVED.

-:-

Dear Solved: I'll never know how many readers start to write and then find the solution in the telling. Usually the letter goes into the wastebasket. I'm delighted you mailed yours. Thanks for the day brightener.

Golden Silence

Dear Ann: I work with a delightful young woman. She's about 25, attractive and thoughtful. Everyone in the office loves her. Although I'm old enough to be her mother, we're more like girl friends, which of course is flattering to me.

Several months ago she married a handsome man. She seemed very much in love with him and beamed when she showed us her ring. Somehow I feel that he lacks the warm, human qualities which are important in a marriage.

Twice in the last few months she has come to work with a black eye and once with a swollen lip. She said she fell down the stairs, bumped into a cupboard, etc., etc.

Her disposition is no longer sunny. She seems depressed. Everyone has noticed a marked change.

I suspect her husband is the cause of her unhappiness. I want to help her. What can I do?—A FRIEND.

—:—

Dear Friend: Your silence during these difficult times is undoubtedly very much appreciated. She'll open up only if she feels comfortable about it. Until then—say nothing.

Father-In-Law Pest

Dear Ann: I'll bet your readers are sick of hearing complaints from women about "my husband's mother hasn't bothered me in years. She died in 1954. It's his father I can't stand.

Since he moved into this same apartment building there is no such thing as privacy. He has a key to our front door and barges in at any hour of the day or night. He has dinner here regularly and often brings some stumble bum or trampy bar fly. He uses foul language in front of our children and slips them money behind our backs.

I could write a book but I think you have the picture. My husband says he can't tell his dad to stay away. Besides, he points out, the rent here is very reasonable and we are close to everything. What's the answer?—GETTING CRAZY

-:-

Dear Getting: You're close to everything, all right—including a nervous collapse. Even if you could live in the building free, it would be too expensive in terms of your mental health.

The answer is to move. Once you are in another building you can establish new house rules. It could be a fresh beginning and a new way of life.

Confidentially

TO CAN'T CONTROL HIM: Your boy friend has a one-track mind and from your description the traffic is very light. Drop him and find a young man whose ideas are more like yours.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a stamped, self-addressed envelops.

How Can I?

By ANNE ASHLEY

Q. Can you suggest an emergency repair when the wire or ribbon element of a toaster or similar electrical appliance breaks?

A. Place the broken ends together, sprinkle with a little borax, and turn on the current. The resulting electric spark will fuse the broken ends, and your element should be restored to working efficiency.

Q. How can I store quinces?

A. Place quinces carefully in a barrel, using only prefectly sound fruit. Fill the barrel with water, fasten on the head of the barrel, and put in a cool place. If done properly, the quinces will keep all winter.

Q. How can I remove watermelon stains from linen?

A. By applying pure glycerin to the spot, alowing it to remain for a few minutes, then washing.

Stroke Of Luck

TOPEKA, Kan. (AP) — Carol Sue Kebert, 4-year-old daughter of Mr. and Mrs. Jimmie Kebert, kept playing with a lever on a hay rack until the tines were released. But her parents don't mind. When they checked the tines, they found she had released them at just the right moment to pin a two-and a-half foot copperhead snake.

'Hams' To Offer Instruction For Radio Operators

A course in amateur short wave radio will be offered to district adults and young people interested in obtaining an amateur radio license, including Citizen Band operators who want to become "hams."

The Triangle Amateur Radio Club at a meeting Monday night agreed to offer a course in basic theory and code if a sufficient enrollment is obtained.

Registration will be held Monday night at 7 at Room 209 in the high school building to determine how many want to take a course which would lead toward a Federal Communication Commission test for a novice license.

The course is offered Citizen Band operators who would like the broader operating privileges of licensed "hams" and to others interested in short wave radio operation in line with Civil Defense posts or preparation for communications work in the armed services.

Charles Burke, president, said the club had not originally planned a course this fall, but because of the interest of some Citizen Band operators along with the stepup in defense programs requiring trained operators, it was decided to offer the instruction.

About 20 attended a meeting of the club last night at the Smith St. quarters. Discussion was held on radio theory and problems. Refreshments were served.

Deadline's Sept. 30 For 'Mrs America'

The Ohio Valley Gas Co. issued a reminder today less than a month remains for East Liverpool area homemakers to enter the 1961 "Mrs. America" contest.

H. E. Sneddon, division manager, said the deadline is Sept. 30 for the $40,000 contest, held annually to discover the nation's outstanding homemakers, and is open to all married women over 21.

The contest will begin with the selection of "Mrs. East Liverpool" the week of Oct. 9. The winner will advance to the district cook-off Oct. 20 at Martins Ferry. The "Mrs. Ohio" finals will be Nov. 1-2 and the Mrs. America finals will be in Fort Lauderdale, Fla., in November. Applications may be obtained at the gas company office.

Pentagon Might Buy More B52s And Push B70s

WASHINGTON (AP)—A strong possibility arose today that the Pentagon may reverse itself to recommend buying more B52 bombers and push development of the 2,000 m.p.h. B70 bomber.

Final decision will be up to President Kennedy, acting on any recommendation Secretary of Defense Robert S. McNamara might make.

The matter is under study, the Pentagon said in response to a query from a reporter who noted that almost a month has passed since Kennedy signed the $46,662,556,000-defense appropriation bill.

Since the bill took effect Aug. 18, there has been no word on what would be done with the nearly $700 million Congress added on for more long-range bombers, which the administration said were needed, and for accelerated development of the B70, which the administration sought to cut back.

Air Force officials said they were optimistic that McNamara would change his opposition to spending more millions for these purposes.

Out Of The Air

By HAL HUMPHREY

We're Winning The Show Biz War In Berlin

Our strategy for licking the Berlin situation is fairly obvious now. We're going to demoralize East Berliners and their Russky bosses with television entertainment. Last week we had Jack Paar over there to do the job. CBS already has announced that Ed Sullivan and a jet load of stars will descend on Berlin the first week in October. (Actually, the CBS communique said "a Pan American" jet, which proves business is going on as usual in the plug department.)

Hal Humphrey

We're not being told, of course, about all of the TV stars headed for Berlin — for tactical reasons.

For example, only those of us very close to TV's high command know that Arthur Godfrey hasn't really quit the "Candid Camera" show. Instead, Arthur and a group of camouflaged cameramen are right now laying concealed around the Friedrichstrasse crossing.

-:-

WHEN A WOULD-BE refugee looks as if he is thinking of bolting for West Berlin, Arthur (disguised as an American general) interviews him. If the guy doesn't know who Arthur Godfrey is, or the latest number of home runs hit by Mantle and Maris, he is summarily sent back to East Berlin authorities — but not before he is told that he just starred on "Candid Camera."

It's a very funny routine, and Arthur laughs and laughs.

The whole point, you see, in sending our TV programs and stars to West Berlin is to prove to East Berliners that we don't give a darn. How can we be worried about anything Khrushchev says if we're busy watching Jack Paar and Ed Sullivan?

-:-

UNFORTUNATELY, Paar did not play the game the way he was supposed to. Instead of being the gay, carefree self (he didn't even tell a water closet joke), Parr got smitten with the seriousness of things.

"The Berlin crisis warrants sober consideration, and I intend to treat it that way," Paar said in a transatlantic phone call to his producer back in New York, shortly after Paar landed in Berlin.

Well, of course, this almost spoiled the whole gag. East Berliners who saw that "my-this-is-awful" look on Paar's phiz decided we really had the wind up. Either that, or we had run out of headache tablets.

-:-

THIS IS THE REASON Ed Sullivan has been drafted for a quick trip to Berlin. Ed never has been known as a laughing boy, even in East Berlin. But when he gets over there, the idea is to have Ed laughing things up a la Godfrey. When the Russians and East Germans see that, we may be asked to occupy East Berlin.

In some high TV quarters there have been fears that Khrushchev might see through our little deception and counterthrust with a troupe of Bolshoi Ballet artists, trained bears or singing Cosmonauts.

If each side assembled at the Brandenburg Gate with a panoply of entertainers, the Berlin crisis might be stalemated indefinitely, or so some Washington observers believe.

-:-

PERSONALLY, in a battle such as this, I think the United States is better armed than Russia can ever hope to be. If things really got tough, we could throw in the Katzenjammer Five — Frank Sinatra, Dean Martin, Sammy Davis Jr., Peter Lawford and Joey Bishop.

This group could infiltrate the Eastern sector of Berlin for a one-night party on the town and prove that nuclear weapons already are outmoded as an effective way of destroying civilization.

We have priceless reserve forces, too. There are Liz Taylor and Eddie Fisher, typical young Americans fighting to prove that millions of dollars are no handicap to happiness.

-:-

HOW COULD the Russians withstand a one-woman concert from Judy Garland? Or a re-creation of John Wayne's battle to save the Alamo?

And emceeing the whole affair would be Bill ("Price Is Right") Cullen, jumping up and down and shouting in maniacal tones, "What am I bid for West Berlin?"

2 City Bank Groups Await Canton Session

Delegations from two city banks will attend the annual meeting of Group 8 of the Ohio Bankers Association Sept. 20 at Canton.

Attending from the First National Bank will be Frank Richmond, James Reaney, S. R. Bloor, Miss Louella Thompson and Richard Emmerling. A group of six or eight also plan to represent the Potters Bank & Trust Co.

Attending a Mellon Banking Co. event at Pittsburgh the same day will be Robert Boyce, president of the First National Bank, along with Roy Wilson, Jack Allison and Colin Neal of the bank's staff.

Firemen At Midland May Form Auxiliary

Midland volunteer fire company No. 1 met Monday evening and discussed plans to form a women's auxiliary.

Tony Monaco, president, said a meeting may be called in the near future with a group of interested women.

He reported a corn roast will be held for firemen and their families Sunday at 2 p. m. at a pavilion on Murphy Hill Rd. Ollie Hamel and Al Monaco are chairmen.

Next meeting is Oct. 9 in the Borough Building quarters.

Wrong Driver Cited, Case Is Dismissed

MILWAUKEE (AP) — Clarence Wallner was arrested for speeding but he testified that the engine on his car wasn't even running.

A patrolman said Wallner was going 42 miles an hour in a 25-mile zone. But Wallner said his car stalled and a garageman was pushing him with a jeep.

"Why didn't the officer arrest the guy in the jeep?" Wallner asked.

The judge dismissed the case.

Labor Department Analysis

Jobless May Dip Below Four Million In October

WASHINGTON (AP)—The Labor Department reported Tuesday a good chance that unemployment will drop below 4 million in October.

The department issued its detailed analysis of the August job picture of which Secretary Arthur J. Goldberg had already given highlights.

The report showed that both business payrolls and total nonfarm employment, as well as over-all employment, reached a record high for August but joblessness clung to the recession rate of 6.9 per cent.

The department's manpower expert, Dr. Seymour Wolfbein, told reporters the August total of idle men and women, 4,542,000, reflects "a pretty sticky problem." Nevertheless there are signs that it is yielding to continued gains in business, he said.

If unemployment follows a strictly seasonal pattern it will drop to about 4.2 million this month and 4 million in October, Wolfbein said.

"We think there is a good chance that we will get better than the seasonal performance," he added.

Resumption of production in auto plants following model changeovers, the strong upsurge of steel output and the withdrawal of hordes of young folk from the labor force with the reopening of school should contribute to the brightening of the job picture, Wolfbein said.

Virtually all manufacturing industries except automobiles shared in the August advance in non-farm employment which carried the over-all job total to 68,539,000—a rise of 40,000 from July and about 350,000 from August 1960.

The average work week in factories climbed to 40.1 hours, a gain of about one-tenth of an hour.

Weekly earnings of factory employes stood at $93.83 on the average, about the same as in July.

Beaver Asks Third Park

BEAVER — Beaver County Commissioners Tuesday made application for a third county park to be located in Potter Township off Route 18 near the Koppers Co.

The application was made to the government surplus agency for the purchase of 293 acres. The area was formerly used by the Air Force as a storage center.

It has about 4,000 feet on a section of Raccoon Creek which is suitable for swimming and boating.

After the application is sent in, a mineral rights and cost study will be made. The land may be purchased for half of its assessed valuation. The property has several buildings and roads.

If the county purchases it, the commissioners plan to make application for federal funds to aid in the development of the park. Federal aid is reported available.

The county has Bradys Run Park in the north, Economy Park in the southern part and the proposed new park is located centrally.

Unexpected Return

LOUISVILLE, Ky. (AP) — Michaele Jane Helm, 16, thought she had seen the last of her wallet when she dropped it accidentally into deep Lake Cumberland recently. But a few days later Louisville Patrolman Alvin Kley returned it. He had been at the lake training with the police scuba diving team when a dock attendant told him of a wallet mishap. He dived in and found it in 55 feet of water.

Georgetown Church Buys Adjacent Tract

The Georgetown Methodist Church has purchased adjacent property belonging to Mr. and Mrs. Thomas Lombard.

The new property gives the church additional space and no special use has been planned. The Rev. David Dayen is pastor.

Man's Elaborate Plans For Bomb Shelter 'Blow Up'

DAYTON, Ohio (AP) — A Dayton man planned to build a nuclear blast shelter.

The original design was produced for testing at the Nevada proving grounds. Nuclear engineers claimed it would withstand five times the pressure of an atomic blast and keep out gamma rays and fallout.

Its estimated cost was above $2,500.

The resident hired a contractor. An engineer approved the plans. A 17-foot pit was dug in his backyard.

Then he applied to Montgomery County officials for a building permit.

His application was denied.

County engineers questioned whether the shelter would hold up the six feet of earth the man planned to pile on top of it.

West Virginia Firm Bares Merger Plans

SPENCER, W. Va. (AP) — The Spencer Manufacturing Co. announced today it would be merged soon with 16 other concerns that have combined annual sales of $80 million.

The new corporation will be known as the Kellwood Co., with headquarters in Chicago. It will be headed by Maurice Perlstein, now president of the McComb Manufacturing Co. of McComb, Mass.

All of the companies involved are supplies of private label goods to Sears, Roebuck and Co. The Spencer Manufacturing Co. produces sweaters and is the only West Virginia firm involved in the merger.

Squirrel That Steals Has A Nutty Taste

PITTSBURGH (AP) — A squirrel has been stealing candy bars from a vending machine in the city's Schenley Park.

A spokesman says the bushy-tailed thief reaches a paw up in the back of the machine, grabs a candy bar, then runs off to the nearest tree for a feast.

And it's a discriminating squirrel. It takes only candy bars with nuts in them.

Area Vegetable Supplies Hit Peak

Area vegetable counters are overflowing with locally - grown fresh vegetables according to Richard Skinner, marketing agent with the Co-operative Extension Service in Canfield.

Other fresh vegetables in good supply are potatoes, peppers, squash and cucumbers. Sweet corn still is available at very economical prices. Supplies will decrease rapidly after this week. If you are planning on freeing corn and have not yet done so, you should within the week, he said.

Buy corn that is displayed in a cool place and preferably corn that has been iced or held under refrigeration. The kernels should be well-filled, bright, plump and milky — yet firm enough to resist light pressure. If the husks are on, they should be fresh and green. Both immature and over mature corn lacks sweetness and flavor.

—:—

TOMATO CANNING season is finally with us. Tomatoes will be quite plentiful until the first frost. A bushel of tomatoes will make 15 to 20 quarts when canned. You also may want to consider making juice or canning tomatoes.

If you buy a quantity of tomatoes, you will want to keep them in a cool, not cold, place. To maintain high quality for several days, keep vine-ripened tomatoes at 50 to 55 degrees in a place such as a cool basement. Do not store tomatoes in the refrigerator for a period of time, as they lose their characteristic flavor and develop a flat taste. Tomatoes should be refrigerated just before using.

If tomatoes have not been allowed to color on the plant to the firm-ripe stage, keep them at room temperature until full color develops and then store them at a lower temperature. Do not place tomatoes in direct sunlight.

—:—

PRESENT POTATO prospects promise ample supplies and reasonable retail prices for months to come. The late summer crop which is now being harvested is about the same as last year, but the national fall crop is expected to be about a fifth larger than average.

This means lower prices to both the farmer and the consumer. The Idaho potato crop is 30 per cent above last year's large crop. You will probably find your grocer featuring Idaho potatoes this winter at very low prices. About half of the Ohio crop of 200 million pounds goes into chips. The other half is sold as table stock with a large percentage of this half being produced and sold in this immediate area.

This means more economical potatoes for area consumers because of the nearness to market which results in less transportation cost.

—:—

PEPPERS ARE available all year, but they are most plentiful and economical now. Peppers are high in Vitamin A and C and unusually high in Vitamin C. If you have green pappers in your garden or if you find a quantity of peppers with low price tags, you may want to freeze them. They are one of the easiest vegetables to freeze because they don't have to be heated in boiling water or steamed before packing for the freezer.

For freezing, select firm, crisp, thick-walled peppers. Wash and cut off stems, cut in half and remove seeds. If desired, cut into half-inch strips or rings. Pack the halves or slices of pepper into freezer containers, leave no head space in the container and freeze immediately.

—:—

IF YOU PLAN to use the peppers in cooked dishes, heat the halves in boiling water three minutes, slices two minutes. Cool promptly in cool water and drain. Pack in freezer containers leaving half-inch headspace for expansion during freezing. Seal container and freeze at once. The directions also apply to freezing hot garden peppers.

We are now in the middle of the changing squash seasons. Summer squash is disappearing from the markets and the fall squash is making its appearance.

The main difference between the summer and fall squash is in the rind. The summer squash have a tender rind while the fall squash have a hard rind. We eat all of the summer squash; the seeds, flesh and rind, while we eat only the flesh of the fall or winter squash.

Both types of squash are very versatile. Cook them just enough to bring out the best of flavor with a minimum of water concentrated toward the end. Important to weight watchers is the fact that summer squash has only about half the calories of fall or winter squash.

Cucumbers are available almost the year round although now is the peak of the season locally. Nearly all the cucumbers on area markets are supplied by local growers. Cucumbers of good quality and size are selling for about 5 cents each.

Small size eggs are usually the best buy on area markets.

Health Board Hears 7 For Inspector's Post

LISBON — Seven applicants were interviewed Monday night by the County Health Board, seeking are placement for Earl Wang of North Georgetown, plumbing inspector, who resigned Sept. 1.

Ten applications had been received. However, two applicants withdrew and another was ill and could not appear. The board said it talked with each applicant and discussed his qualifications.

The board said it hopes to fill the vacancy at its regular meeting Monday night. Wang held the post 14 years.

Book By Veteran Physician Suggests Daily Somersault

The wisdom of elderly doctors is a sure-fire formula for a best-seller, as evidenced by the great success of "Vermont Folk Medicine."

Among new books at the Carnegie Public Library, another octogenarian has come forward to challenge the prescriptions of Dr. Jarvis, whose penchant for vinegar and honey has been sweeping the country. Dr. Brady, who practiced for many years in Elmira, N. Y., diagnoses the human needs in "Secrets of Positive Health." One of his pet cures is a daily somersault, but he also has great faith in quantities of calcium.

Next to his own health, the average reader seems most curious about what makes the wheels go round in the lives of doctors and in the world of hospitals. A duo of new novels sheds light on this area and at the same time provides a maximum of entertainment: "The Identity of Dr. Frazier" by George Sklar and "Good-Bye Dr. Rich" by Andre Soubiran.

Readable histories are coming up on the scale on the layman's interests, probably due to the shrinking of our world.

Government and current history used to seem so far away. Two of the reasons for this new trend are the clairvoyance of sharp reporters such as Theodore H. White. He analyzes in minute detail "The Making of the Presidents in 1960." Much blame is given Nixon's staff for its failure to treat the press cordially.

Hugh Thomas has done amazing research on "The Spanish Civil War," a real first for this era.

Big cities such as New York often serve as a springboard for youthful criminals. Such was the fate of Carmelo Soraci. The account of his years in Sing Sing and his eventual release through the use of his artistic talents are related in his own story, "The Convict and the Stained Glass Windows."

Seymour Epstein, in "The Successor," explores the New York business world. He paints the city scene with unerring fidelity.

Two regional novels of America promise fruitful reading for those who prefer the modern scene: "Sow Not in Anger" is a novel of a Southern family dynasty and Barbara Woolcott writes of a woman whose roots were deep in the picturesque isle of Martha's Vinyard in "The Blessed Spot." She is a niece of the famous Alexander Woolcott.

A Greensboro, (N.C.) minister, John A. Redhead, presents a new formula for happiness in "Living All Your Life."

Aides Appointed For X-Ray Drive

Workers to aid in the three-day city visit of a mobile X-ray unit from the State Department of Health were announced by the city Board of Health, which is sponsoring the free chest examinations.

The mobile unit will be located at the Veterans Social Club on Pennsylvania Ave. from 2 to 5 and 6 to 9 p.m. today and in the Diamond on Thursday and Friday. Thursday's hours will be from 3 to 9 p.m. and on Friday the unit will be open from 2 to 5 and 6 to 9 p.m.

Assisting at the Social Club today will be Mrs. Anna Mae Jones, Mrs. Molly Ann Stone, Mrs. Grace Smith, Mrs. Dorothy E. Peters, Mrs. Lucille Monroe, Mrs. Josephine Spencer and Mrs. Rosalie Spencer.

Working Thursday will be Mrs. Dorothy Cloran, Mrs. Helen Beck, Mrs. Lilyan Alpern, Mrs. Marie Hays, Mrs. Edna Sweeney and Mrs. Ceil Teague. Friday's aides will be Mrs. Nellie McLain, Mrs. Mabel Kaiser, Mrs. Dorothy Horsley, Mrs. Robret K. Duling, Mrs. Mary McCullough, Mrs. May Hartt, Mrs. Frances Savage and Mrs. Betsy Woolweaver.

Did you know that codfish cake mix is available in a can? All you have to do to prepare it is to add a beaten egg and some butter and then deep-fat fry.

Steel Producers' Spirits Dimmed By Strike At GM

PITTSBURGH (AP) — The strike against General Motors Corp. has dampened the spirits of steel producers in the Pittsburgh area.

They had hoped the strike by the United Auto Workers would be averted and that auto companies would place big orders for model changeovers.

Jones & Laughlin Steel Corp. had been getting ready for a production speedup. J&L is a big supplier of sheet metal for GM.

U.S. Steel Corp.'s nearby Irvin Works felt the effect of the closing of GM's Fisher Body plant in West Mifflin even before the national strike hit Monday. The West Mifflin plant, which receives a large amount of steel from the Irwin Works, closed down last Wednesday in a local labor dispute.

In addition, the strike is hurting the Pittsburgh Plate Glass Co., which produces glass for autos at its Creighton, Ford City and Greensburg plants.

Cook pared diced squash (any kind) in a small amount of salted boiling water just until tender; drain. Mash with butter and lots of freshly - ground black pepper. The pepper does the trick in making a bland vegetable really flavorsome. Try it!

Katanga Secession Brought To Forced End By U.N. Troops

Louisiana, Texas Start To Rebuild

Property Loss In Hundred Million; Death Toll At 15

GALVESTON, Tex. (AP)—Texas and western Louisiana areas in watery ruin turned today to a staggering task of rebuilding left by Hurricane Carla, one of the mightiest ever to roar out of the Gulf of Mexico.

With a possibility more bodies yet may be found, the death toll stood at 15 along 250 miles of coastline laid waste by hurricane gales up to 175 miles per hour, raging seas and a rash of tornadoes. Damage which may take months to compute ran into hundreds of millions.

Added to the mammoth recovery chore were problems of polluted water supplies and companion health threats in scores of towns and cities, a few still under as much as eight feet of water.

Flood threats posed by heavy rains in Carla's wake were another factor.

Also ahead was the return home for most of an estimated half million people who moved inland as Carla approached, a mass migration averting much heavier loss of life.

Ten of the deaths occurred as the dying winds of Carla hurled back tornadoes after the hurricane's center was many miles inland. Finally shorn of its vicious gales, remnants of the giant tropical storm moved northeastward out of Texas toward Missouri.

In a telephone conference Tuesday night, President Kennedy told Texas Gov. Prince Daniel that the director of the Office of Civil and Defense Mobilization, Frank B. Ellis, would arrive in Houston Thursday to inspect storm-ravaged areas.

Vice President Lyndon B. Johnson prepared to fly back to his home state with other federal officials. Daniel said the President may come to Texas later.

The governor said Galveston and inundated Texas City, on the mainland nearby, "right now appear to have the greatest need for additional state help from the standpoint of food, health and the protection of property."

Rolling toward the coast was a 38-car special train taking 122 men and 80 vehicles to restore 100,000 telephones knocked out by the hurricane.

Esther Spins Strong Gale In Atlantic

MIAMI, Fla. (AP) — Hurricane Esther, with peak winds at 130 miles an hour, churned on a west-northwest course today as the tropical Atlantic tossed out hurricanes in Roman candle fashion.

Betsy, Debbie and now Esther have sprung in the past two weeks from the tropical storm nesting grounds off Africa's west coast.

A hurricane hunter airplane from San Juan, P.R., penetrated the storm early today and estimated the center about 1,400 statute miles east of San Juan. The hurricane was moving west-northwest at about 12 m.p.h.

Esther was labelled a "dangerous hurricane" and shipping in her path was warned to exercise caution.

The peak winds cover a small area near the center. Hurricane force winds extend outward 135 miles in the northern semicircle and 65 miles in the southern semicircle. Gale winds extend outward 230 miles in all directions.

Step To Man In Orbit

U.S. Orbits Space Device Carrying 'Artificial Man'

CAPE CANAVERAL, Fla. (AP) —The United States sent a mechanical astronaut in orbital flight around the earth today and 90 minutes after launching signalled a return.

Reverse rockets were set off as the space traveler sped over the Mexican west coast, to slow it for a descent into the Atlantic east of Bermuda.

There an attempt was to be made to recover the project Mercury capsule, just as would be done if a spaceman were aboard.

If the space craft parachutes safely into the Atlantic Ocean after one circuit of the world, plans call for a chimpanzee and then a man to be sent into triple orbits about the earth, hopefully—but not optimistically—by the end of the year.

A powerful Atlas missile thundered aloft at 9:04 a.m. with the two-ton capsule perched on its nose. Bolted inside the spacecraft was a gray box called a crewman simulator which was to "breathe, sweat and talk" in realistic fashion.

The blastoff looked perfect to bystanders.

The Atlas' mission was to hurl the 9-foot-tall bell-shaped capsule into orbit at a speed of 17,400 miles an hour. The orbit was to range from a low alfitude of 100 miles to a high point of about 150 miles.

The 93-foot rocket assembly sped into a partly cloudy sky spewing a triple tail of fire from its three big engines.

About 30 seconds after liftoff it arched over on its intended trajectory toward the northeast, vanishing from sight about three minutes after launch.

The tracking station at Bermuda reported about a minute after launch that it had acquired signals from the space craft as the Atlas rose into the sky.

After one 110-minute circuit, reverse rockets were to fire to slow the vehicle so it would be drawn into the earth's atmosphere for a landing 230 miles east of Bermuda. A large recovery fleet stood by in the impact area.

President Flees, Raps U.N. Action

Administrator Is Selected To Take Over In Province

LEOPOLDVILLE, the Congo (AP)—The United Nations announced today a forceful end to Katanga's secession from the Congo. U.N. troops downed military resistance in a blood-spilling fight of several hours at Elisabethville, the provincial capital.

President Moise Tshombe fled, denouncing the attack, and the Leopoldville central government appointed an administrator to take over the mineral-rich province.

"The Katanga secession is over," U.N. headquarters here was told by its Elisabethville representative, Conor Cruise O'Brien. "Katanga is now a Congolese province."

This would mean an end to the independence of the lush, copper-laden plateau land proclaimed by Tshombe 14 months ago.

It also would mean diversion of millions in tax revenues from Katanga's $980-million annual production to the treasury of the deficit-run central government.

Casualties among Elisabethville defenders were undetermined.

Swedish sources said one U. N. soldier, a Gurka in Indian ranks, was killed. They reported five Swedes and seven Indians wounded. U. N. headquarters here said two U. N. soldiers were killed and five or six wounded.

Premier Cyrille Adoula announced the Katanga army — stripped of its 500 or so white mercenaries by another show of U. N. force Aug. 28—will be integrated with troops of the central government's commander in chief, Gen. Joseph Mobutu.

Adoula told newsmen he had asked the United Nations to take over all essential services in Katanga and his government has declared a state of emergency in the province.

Petition Seen Futile To Halt School Plan

Southern, Franklin Merger To Become Effective Thursday

The formal merger of the Franklin Local and Southern Local school districts is due to become effective Thursday, but a last-minute petition from Franklin Local residents for a merger with Carroll County districts has been submitted.

County School Supt. James McBride received the petition, bearing signatures of 307 Franklin residents, from Fred Johnson, who seeks transfer of the Franklin district to Carroll County school district with an election on the proposal.

The petition does not have sufficient signatures to qualify as a remonstrance petition, which would delay the merger to permit an election in the two districts on the proposal, authorities said.

A remonstrance petition would require signatures of 35 per cent of the voters in the two districts, and Johnson says the petition he has offered includes about 10 per cent.

However, he says the petition represents 98 per cent of the Franklin voters.

The merger was authorized by the County Board of Education Aug. 15, and was to take place following a 30-day period in which a remonstrance petition could be filed.

Franklin Local operates one school for the first eight grades at Summitville, and is faced with the need to consolidate with a 12-grade system.

Johnson said he did not file a taxpayer's suit against the planned merger, because he did not want to halt construction of a new Southern Local high school near Salineville for which a bond issue was approved earlier this year.

Johnson said he is interested solely in permitting Franklin Lo-

Relief Still Promised As Mercury Hits 91

The mercury soared to a sizzling 91 high Tuesday for the second time this week as the Ohio weatherman insisted cooler weather is coming.

But he put off the relief for another 24 hours, forecasting a cooler trend Thursday afternoon following scattered showers this afternoon, tonight and tomorrow morning.

The 91 high Monday and yesterday marked the peak of the summer heat — the previous high was 90 for the season.

Today's high range will be 78 to 85 which would be a slight break in the hot and humid seige. It will be windy and continued warm tonight with a low range of 66 to 70.

The Stratton Dam, which recorded the 91 yesterday at 4 p. m., had a low of 74 this morning. The downtown had 69.

FREEWAY CONSTRUCTION. This aerial view shows the progress being made on the new city freeway from the W. 8th St. overpass toward W. 3rd and Monroe Sts. A portion of the overpass is visible in the lower left of the photo as big earth haulers work to build the roadway to grade level. In the center can be seen City Hospital with the retaining wall constructed for the freeway on the right as the roadway swings to the left beneath the Newell Bridge. Work on the 2.5 mile freeway by Chapin & Chapin, Inc., of Norwalk and Baker & Hickey Co. of Columbus is about 55 per cent complete. The bottom photo shows an aerial view of a new bridge being constructed on State Route 154 near Elkton. The project is about 25 per cent completed. Both aerial views were taken by the Division 11 office of the State Highway Department.

Named Campaign Chairman

Emmerling Will Direct Community Fund Appeal

Richard R. Emmerling has been named campaign chairman for the October fund-raising drive of the Community Fund Association.

His appointment was announced today by Robert E. Boyce, association president.

Emmerling is manager of the Consumer Credit Department and is assistant cashier at the First National Bank. He has been active in many community organizations, having served as an officer or director in such groups as the Kiwanis Club, McKinley Parent - Teachers Association, Chamber of Commerce, Junior Chamber of Commerce, Pony League and the Columbiana County Council of Boy Scouts.

He also has headed such fund-raising campaigns as Red Cross in 1959 and served as assistant drive chairman in the two preceding years. He was East Liverpool chairman for the Columbiana County Retarded Children Council in the 1960 and 1961 campaigns.

Emmerling is a choir member and Sunday School teacher at Trinity United Presbyterian Church and is a member of Mas-

Brokaw Still Waits Raid Information

A section of the Columbiana County Grand Jury's docket is labeled "reserved" for evidence concerning charges against the Lisbon Salesbook Co., but by noon today information needed in the case had not yet been received from state officials, Prosecutor William Brokaw said.

The firm was raided last Wednesday by Ohio Attorney General Mark McElroy, and large quantities of numbers betting book forms were seized by the state official, who said the company was the third largest such illegal printing operation in the United States.

Brokaw, who is currently presenting 30 criminal cases to the panel which convened Tuesday, said he will include the charges against the firm when McElroy provides him with needed data.

According to the prosecutor, no charges or information have been filed by the attorney general, and the only legal paper in the Courthouse in connection with the case is the search warrant obtained by McElroy.

Brokaw said time has been set aside Thursday for hearing evidence if information is provided.

Postal Plan's Preliminary Airing Staged

Wellsville Session Hears Details For Combined Building

A preliminary discussion on the possibility of constructing a combination post office and municipal building in Wellsville was held by members of Wellsville City Council and officials of the Post Office Department Tuesday night.

Council was informed by the postal authorities that such a project is possible. The proposal aired last night called for razing of the present City Hall at 5th and Main Sts. and erection of a new building, taking in some neighboring pieces of property.

When the meeting was first announced it was indicated the session was to be a caucus but several persons were in the audience and voiced opinions.

John Meinhart of Cincinnati, regional real estate director for the Postal Department, headed the delegation of four men which included William Rahter, a former Wellsville resident and son of Mrs. Mary Rahter, Council president.

Council members present were Mrs. Rahter, Paul Nelson, Donald Miller, Aguin Bowling, Clarence Cartwright and William Stroble. Absent were Councilmen Robert Taggart and George Mackall.

The group told Council such a building could be constructed. They presented plans showing a one-story building and another for a two-story structure. The city would have to hire an architect to survey the plans, determine the cost of the building and then learn from the Post Office how much it would pay for rental.

The program calls for the city constructing the building with public funds and then retiring the debt with the rental fee. After approximately 20 years the city would have the cost retired and own the building.

The postal group said a mini-

6 In Hancock Indicted For 11 Felonies

Arraignments Held For 2, Others Given Dates For Hearings

In one of the briefest sessions on record, the Hancock County Grand Jury ended a one-day meeting Tuesday in New Cumberland by returning 11 felony indictments against six defendants.

Two defendants were arraigned before Judge Ralph E. Pryor, who set dates for others to appear in court during the September term.

Phyllis Audrey Martin of Wick entered a plea of innocent to an indictment charging arson. Her trial was set for Sept. 25 at 9:30 a.m.

She is charged with setting fire to a 1949 model National Coach house trailer of Mrs. P. L. Owens of New Cumberland Feb. 25.

John Joseph Varlas of Weirton entered an innocent plea to one of two indictments charging assault. Trial date was set Oct. 25 at 9:30 a.m. on both.

The first indictment against Varlas charges felonious and malicious stabbing of Joy Jeanette Faller, and the second alleges malicious and felonious stabbing of Harry Lawrence Scammell and assault with blows of an iron bar.

Arraignment was scheduled today for Edward Lee Young of Weirton, who was indicted on a charge of theft of $654.30 in jewelry from the Granada Jewelers in Weirton June 9.

George Breedlove, indicted on four counts of forgery, is scheduled to be arraigned Thursday. The indictment alleges Breedlove uttered checks of $38, $20 and two for $25 with intent to defraud Mona G. Salerno, James Ferrelli, Fred H. Lewis, and Helen Quatro, proprietor of the Broadview Inn, in August.

Earl Henry Caldwell of Weirton was indicted on a charge of felonious and malicious stabbing of Rachel Mintdrop June 24. Ar-

Judge Gives Warning On Sterner Penalties

Municipal Judge Samuel M. Chertoff served notice from the bench today that he will deal sternly with traffic violations which occur during school hours as a way of reducing the danger to youngsters.

He served the warning after imposing a fine of $10 and costs on Dave Delong, 35, of 2137 Michigan Ave., cited Tuesday at 1:10 p. m. on a charge of speeding 38 miles an hour in a 25-mile zone on Pennsylvania Ave. Delong pleaded guilty.

"The court wishes to give fair warning to all drivers that it will deal sternly with any traffic violations which occur during school hours," the judge commented. Judge Chertoff said he seeks to eliminate violations which might endanger children's lives.

Kenmar Firm Nears Normal Production

EAST PALESTINE — Production at the Kenmar Manufacturing Co., where a 3½-week strike was settled last week, is to reach normal output Thursday, officials said today.

About 90 per cent of the working staff was on the job with the remainder due to be called for tomorrow. A six-month extension of the previous contract cleared the way for work resumption at the furniture concern.

Set For Late October

Yearly Chamber Meeting Planned

The Chamber of Commerce will hold its annual fall membership meeting late in October at the Country Club, it was decided Tuesday night when the Board of Trustees and committee chairmen met at the Travelers Hotel.

Two tentative dates were picked for the fall meeting — Oct. 24 or 25. The program will be on regional planning and community development.

In connection with regional planning, Dean Wilhelm reported on a recent meeting with the County Agricultural Council at Lisbon. He said the group decided to petition county commissioners to establish a group to make a study of area planning.

—:—

IF THE commissioners act, it can lead to establishment of a regional planning board in the county. Wilhelm said the group favored regional planning — work for the betterment of a series of related areas — as opposed to countywide planning.

The need for adequate, safe water supplies and efficient sanitation systems in suburban areas was seen as one of the principal needs, Wihlelm said.

H. Judson English chairman of the safety committee, also reported on recent activities.

The safety committee represented the Chamber in a recent conference with Council seeking legislation to require standards for venting gas space heaters and similar equipment, he said. The committee has co-ordinated driver training programs in nine county high schools and distributed safety education materials to all schools for the new term, he said.

—:—

THE HAZARDOUS stretch of Route 30 at Cannons Mills has been pointed out to the safety engineer of the Division 11 office of the State Highway Department, English reported. Two recent highway fatalities have occurred on the stretch.

The committee recognizes that the dangerous stretch will be eliminated in a few years with construction of the four-lane Lake Erie-Ohio River Freeway, but it feels some action should be taken to make it safer in the meantime, English reported.

English also explained preliminary planning for the local observance of National Fire Prevention Week in October. As in the past, the Chamber expects to hold a "kick-off" dinner for district fire chiefs and furnish them with campaign materials. It also will distribute fire prevention literature to schools throughout the area, he said.

Edwin Maloney, chairman of the public education committee, reported on the reception held Sept. 5 for new teachers in the East Liverpool and Beaver Local school systems.

The program, including a tour of the city and a luncheon, "received much favorable comment and we intend to continue it," Maloney said.

—:—

DR. MYER ALPERN and C. W. Ashbaugh, co-chairmen, reported for the industrial development committee. Dr. Alpern said the group has been broken down into seven two-man sub-committees that will call on existing industries and offer their help.

Atty. Francis H. Lang, chairman of the highway committee, discussed plans for two scheduled meetings. They are a conference between the Board of Directors of the Lake Erie - Ohio River Highway Association and Highway Department officials Friday at Salem and a meeting Sept. 20 at Steubenville between highway officials from Ohio, Pennsylvania and West Virginia and members of the Upper Ohio Valley Development Council.

Winston Porter reported on recent activiteis of the local UOVDC committee. E. R. Chandler, secretary-manager, reminded that an economic discussion group will hold its first session Tuesday at 7 a.m. at the Travelers Hotel, with School Supt. Ralph W. Betts as leader. The nine-week course will continue two mornings each week at the same time.

—:—

THE MEETING concluded with a workshop on Chamber leaders' responsibilities, conducted by Richard L. Baily of Toledo, district manager for the Chamber. Most of the discussion centered on Baily's answers to written questions from the audience.

Local Chambers are involved in "much broader work than they were 30 years ago," Bailey said, asserting the trend has been away from "boosterism and backslapping" and toward undertakings that benefit the community.

"There isn't unlimited manpower and time for the jobs," Bailey said. "We must decide how to apply them best."

Then he listed five fields which he said are worth equal emphasis in any local Chamber's program: Community improvement; industrial and commercial improvement; economic and political education; legislative affairs, and organization improvement.

—:—

THE DISCUSSION ranged over dozens of topics, including urban renewal, planning and zoning, public relations, budgets and membership fees, parks and recreation and tourist attractions.

Twenty-five attended. Alvin T. Babb, president, presided.

licitations. According to Emmerling, some 700 to 800 active workers will be needed in the nine divisions of the campaign organization.

He expressed the hope "that local persons will volunteer their help by phoning Community Fund headquarters (FUlton 5-2082), or if approached by one of the division chairman and requested to serve, that their answer will be yes. Each of the six agencies maintained through the Community Fund deserves public support. The Boy Scouts, Girl Scouts, YMCA, Recreation Council, Salvation Army and USO all make a vital contribution to community welfare. It is our responsibility to support them with our time and our gifts."

The campaign organization will include nine divisions, each soliciting gifts from a classified list of prospective donors. Divisions are Advance Special Gifts, Mercantile, Industrial, Women's, Men's, Public Service, Professional, Public Affairs and Chester. These divisional appointments will be announced as soon as the roster is completed, probably within a week.

The overall campaign goal, budget allocations to the six participating agencies, divisional quotas and other financial details of the campaign are being planned now in a series of meetings between campaign leaders and Community Fund Association officials.

Brokaw

The attorney general's office said it was sending John W. Gleason, an assistant, who took part in the riad. He also was scheduled to discuss possible padlocking of the firm.

The prosecutor said today he doubts if charges will be filed against individuals in the case, but he is saving a place on the docket for presentation of evidence against the corporation. Martin and Isadore Sufrin of Pittsburgh, the owners.

Brokaw said he hopes to complete his presentations in order to have the Grand Jury report Friday afternoon.

The panel is currently on schedule with 15 witnesses slated today for testimony in 10 cases.

Thursday's schedule calls for 12 witnesses in eight cases.

Unity PTO To Meet

UNITY — The Unity Parent-Teacher Organization will hold a "get-acquainted" coverdish dinner Thursday night at 6 at the school, followed by the first fall business meeting at 7:30, Mrs. Louis Danch, president, announced.

Music Association's Fall Signup To Be Launched

Final arrangements for launching the annual fall membership campaign of the Tri-State Civic Music Association were made at a meeting Tuesday night at the home of the president, Ernest Lowe, of Wedgewood Ave.

The "kick-off" dinner is scheduled for 6:30 p.m. Friday at St. Aloysius Parochial School Hall. Mrs. Meyer Alpern, chairmen, may be reached for details concerning guests.

Mrs. Blanche Eli, New York representative of the Civic Concert, Inc., will assist in mapping out the campaign. A native of California, she has been associated with the firm for some five years and also is connected with the Chicago office.

Kits will be distributed to the workers and division leaders and captains will be announced.

Miss Olive Williamson, executive secretary, will be at headquarters in the Little Building, on the Dresden Ave. side, daily next week, beginning Monday.

Outlying areas open for membership are East Palestine, Lisbon, Columbiana, Midland, Salem, Chester, Newell and Wellsville.

Others attending were Miss Virginia Rigby, Mrs. Herbert Plotts, Miss Louella Thompson, Mrs. Jane Neiser Rife, Mrs. Ruth Wakefield, Mrs. Leslie Ellis, Mrs J. B. Cartwright, Mrs. Beulah Malkin, Mrs. Lowe, Miss Williamson and Paul Blair.

cal residents to decide where they want to send their students. He said a similar problem arose in Holmes County, and the courts granted the school district an election.

McBride turned the petition over to County Prosecutor William Brokaw for study. Brokaw is currently presenting criminal cases before the September Grand Jury, and has not yet had time to make a full analysis of the petition's effectiveness.

Some legal authorities doubt if the petition can affect the slated merger.

The county board, in setting the consolidation, appointed a new five-member Board of Education for the new district. The appointees are J. B. Fergason and Martin Adams of Salineville, Jack Stewart of Yellow Creek, John Ewing of Wayne Township and John Dangelo of Franklin Local.

The new board is to select a name for the merged districts.

Johnson last month said a main objection to the consolidation is the distance of the Franklin area from the new high school which is to be built on Route 39 east of Salineville, about 14 miles from Franklin.

Man, 28, Bound Over On Charge Of Assault

Clarence Jones, 28, of 8th Ave., LaCroft, was bound over to the Grand Jury under $2,500 bond today in Municipal Court on a charge alleging assault with intent to rape a 20-year-old woman who is a relative by marriage.

Jones pleaded not guilty when arraigned for a preliminary hearing before Judge Samuel M. Chertoff on a charge filed by the woman, also a resident of LaCroft. The woman said the attempted rape took place in her home Monday. She filed the charge Tuesday. The judge heard testimony from the woman before ordering Jones held for the higher court.

Rural Youths May Enroll In Peace Corps

LISBON — Columbiana County young people who are over 18 and have rural and 4-H background are invited to volunteer for a Peace Corps project being considered for Latin America, according to Floyd Lower, county extension agent in agriculture.

The exact location of the project cannot be announced because negotiations still are under way but participants would work as two-person teams to help 4-H-type rural youth programs.

The teams would assist homeland extension workers in recruiting and training local volunteer club leaders and help members with projects, demonstrations, meetings, exhibits and recreation.

The Peace Corps assignment would be for two years starting about Dec. 1. It would include a three-month training program in the language of the country as well as its customs and culture at the national 4-H Club Center at Washington.

Selectees will be accompanied to their assignments and guided in their work by a project director and three regional supervisors representing the national 4-H Club Foundation.

Lower said interested county young people should call, write or visit the county extension office as soon as possible. The office will have additional information and Peace Corps application forms.

Combined City Hall, Post Office Favored By Club

The Wellsville Women's Civic Club Tuesday night went on record favoring a proposal that a combination post office and municipal building be constructed in Wellsville.

Mrs. Helen Welch spoke briefly on the plan, which is being discussed by postal authorities and city officials.

The club met at the Elks Lodge for the first of the fall. A donation was made to the volunteer firemen.

Plans were started for a dance in October. No date was set. Mrs. Peggy Rawlings will be in charge of a jewelry party in November.

It was announced a total of $1,355.67 was collected in the Cancer Fund campaign conducted in the spring by the club. Of this, $375 was provided by Crucible Steel Co. charities.

The Lunch committee for the meeting Oct. 10 will be Mrs. Martha Somers, Mrs. Evelyn Nightingale, Mrs. Martha Wilson and Mrs. Marjorie Dysert.

Session Canceled At Youth Center

There will be no Midland Hi-Spot Youth Center session following the Lincoln High School football game Friday evening due to refinishing of the ballroom floor.

Mrs. William Spisak, director, said the center will open again with a dance Saturday, Sept. 23. Lincoln High plays at Beaver Sept. 22.

She said the floor will be sanded, and given two coats of sealer and two coats of finish. Announcements of the closing will be made at the high school.

The ballroom has been painted and additional painting is expected to include the game room.

Mrs. Spisak said record crowds have attended the two sessions so far this term. Over 200 attended the "Back to School Hop" and over 350 last Friday following a home football game.

Autoists Are Unhurt In Hancock Collision

WEIRTON — Cars driven by Steve Takach, 46, of New Cumberland R.D. 1 and Harold A. Otey, 31, of Weirton collided Tuesday afternoon at 3:30 on North Kings Creek Rd.

Hancock County sheriff's deputies said Takach slid on oily surface into the car of Otey. The road is being repaired.

Neither driver was injured. Deputies estimated $300 damages to Tackach's 1955 Chevrolet, and $250 to Otey's 1960 Buick.

Lessons Learned From Carla

Once, no one knew what to expect from a Caribbean hurricane. Until recent years, no one knew a hurricane was coming, until it was too late to do much about it.

Hurricane-belters relied on the same instincts that made birds and animals uneasy before the onslaught of a great storm. And when the storm came, their survival was by chance, not design.

They now have scientific detection of hurricanes. They are no longer helpless.

The evacuation of people from large sections of the Gulf Coast before Hurricane Carla wreaked its damage was a tribute to scientific detection and systematic precautions.

There was strong evidence for the first time that people in the hurricane belt can be persuaded to leave their homes and possessions in order to save their lives. Old-timers would have thought such large-scale movement of human beings to safety was impossible.

If there was going to be a disaster, they were going to be part of it they said. They were fatalists. Some of them, perhaps, were defeatists. Whatever they were, they would not have run away even if they had been given the means.

The automobile now gives them the means. The communications media gives them the information. The government, the Red Cross and widespread awareness of danger give them the help they need.

There always will be fatalists who will wait to get what they think is unavoidable if it's their time to get it.

There always will be the reckless and the inept who cannot be helped because they cannot help themselves.

There also will be people with the instinct to claw for survival; the ones willing to leave their earthly possessions behind if fleeing can save their lives.

The United States learned about more things from Hurricane Carla than the force of the winds and the predictability of disaster defense would work in a showdown.

At War With A Shadow

An ominous note has been sounded.

The Soviet Union has told the West that East Germany has the right to regulate all foreign travel to East Berlin.

It has told the Western Allies their complaints should be taken up with the East German government. This is the prelude to telling them that East Germany has the right to regulate foreign travel to West Berlin as well as East Berlin.

If they have the right to do the one, they have a presumed right to do the other. That's why an ominous note has been sounded.

West Berlin is an outpost that could be put under siege any time, as it was put under siege in 1948-49. On that occasion, the siege failed because of the Berlin airlift.

As it turned out, the airlift was the tremendous price the Western Allies, chiefly the United States, paid for the ransom of beleaguered Berlin.

THERE COULD BE no airlift without Russian forbearance. If Allied cargo planes were attacked by Russian fighter planes and Allied fighter planes took to the air to defend them, war would have begun.

The typical Communist twist in all this would be that the war would have begun between the United States and the puppet state of East Germany. The Russian planes would be piloted by East German aviators.

The United States would try to broaden it out to a war between the United Nations and the Communist Conspiracy. But in fact the Korean war was between the United States and a shadow nation called the People's Democratic Republic of Korea. Before it was suspended, the war was between the United States and the People's Republic of China.

Never was the real opponent's identity involved in either the fighting or the negotiations to end the fighting.

THIS IS THE way it would be if the United States became involved in war with the German Democratic Republic. It would be fighting a shadow, just as it and its allies soon may be negotiating with a shadow over their right to possess something the shadow has taken away.

The German Democratic Republic—East Germany—will become the antagonist of the Western Allies, if the Soviet Union presses for a showdown on Berlin. The Kremlin will let its puppet state have the distinction of tangling with the great United States—the same bitter prank it played when it let the United States come to grips with the People's Republic of Korea and achieve, of all things, a truce.

One For All, All For One

The steady expansion of St. Clair Township has been accompanied by the usual problems of roads, sanitation, school facilities and other growing pains.

These problems have been tackled by the trustees, real estate developers, school officials and others with varying degrees of success, and the area continues to have great appeal as a residential and commercial business center.

However, several challenges face the township in the future, and many of these can most easily be met by community action apart from the sometimes restricted action of governmental bodies.

The St. Clair Township Development Association is one instrument by which such matters as sewage and water supply can be studied and solutions devised. Community planning is another phase of activity in which the group has shown some progress.

But many residents have failed so far to grasp the potential of the association and the time is fast approaching when the true interest of the citizenry must be displayed.

Association leaders are urging residents to attend the monthly meeting and to help prepare new plans for the township.

The future of St. Clair Township is being worked out today, and it is the home owners and leaders of the area who must decide if it is to be a haphazard course of coincidence and necessity or a careful preparation for better living for the years to come.

Only The Outcome Is Certain

Walter Lucki and Walter Fingulin aren't going to become as celebrated as Nicola Sacco and Bartolemeo Vanzetti, the foreign agitators befriended by the labor unions a generation ago pending their execution for murder.

But Lucki and Fingulin could be turned into a celebrated case with a touch of reverse English. They are labor unionists accused by their union brothers of United Auto Workers Local 971 of working too hard.

The history of their case shows that the Bendix-Westinghouse Automotive Air Brake Co. in Elyria, Ohio, has been under a production limit imposed by the local union last Aug. 26. This limit made it improper for workers to earn extra pay for producing beyond 100 per cent of their company-set quota. Lucki and Fingulin refused to abide by the quota.

They overproduced. If this constitutes a punishable offense against their union brothers, they could lose their jobs because the union could expel them. They could not be employed in that event, because their employer has recognized a union shop. They have no right to work as hard as they please and might have no right to work at all.

This could be quite a case, if it gets out of hand. It already has brought into use such forbidden words as "slowdown" and "stranglehold."

We don't know how long it will take for foreign competition finally to overhaul U.S. production, but we do know that will be the outcome unless Americans are willing to compete with Russian, Japanese, German, Italian and other workers who are still trying to see how much they can produce with their efforts, not how little effort they can exert and still make a living.

Hoffa Signs New Union Ally

By Victor Riesel

A full stock of "handsome, gold-plated perfume-filled spray atomizers" has just been stored by Jimmy Hoff's Teamsters Brotherhood. The sprayers —with "choice of one or two highly desired perfumes" — will be given free as a bonus to activists.

Victor Riesel

I never did think I'd be giving Jimmy a word of good advice. But it is hereby suggested he keep the atomizers in stock as a deodorant if he continues to sign political and organizational "mutual assistance" pacts such as the one he signed the other day.

Jimmy H. sat down with one John Clark, president of the International Union of Mine, Mill and Smelter Workers — and signed a document pledging mutual help on many fronts. It only can be hoped here, even where Hoffa is concerned, that he knew not what he did.

I HAVE BEEN keeping my eye on Brother Clark for a long time because his union is literally deep in the heart of our defense complex. It controls membership which digs everything from nickel — vital to thermonuclear bomb production — to uranium and copper.

It can be reported here that a federal record shows that in October 1952 John Clark refused under oath to deny he was a member of the Communist party, or that his union collaborated with the American section of what was then the Communist International (Comintern).

"The fact of the matter is," a Senate committee chairman asked, "you are a member of the Communist party now; are you not:"

The answer: "I refuse to answer that under the privilege of the Fifth Amendment."

"Does your organization collaborate with the Communist party on labor matters?" the committee chairman asked. Again Mr. Clark swallowed another Fifth.

CLARK STILL is president of the Mine, Mill union and apparently needs allies, for all is not going well. I returned from Europe in time to be told of his efforts to keep dissidents from bolting his union because they loathed his left wing politics.

The rebels are important, for they are from Sudbury (Ontario), Canada — the neighborhood of the International Nickel Co. The nickel is mighty important to us now that Fidel Castro liberated the U.S. government nickel mines from us down Cuba way.

Half of the membership of Clark's entire Canadian organization is in the Sudbury 17,000-member local, which wants to get out and join Dave McDonald's United Steelworkers.

The local refused to send the Mine, Mill international headquarters in Denver some $25,000-a-month in dues, and Clark and Company dispatched a trustee there late in August.

THE PARTY got rough. The union headquarters in Sudbury was barricaded. Rocks were heaved. There was slugging all over the place. The police came with firemen and hoses as reinforcements.

The union headquarters was boarded up. Finally Clark's trustee took over.

The Sudbury rank-and-file went into court to get back their million dollar building and their union rights as well.

On Wednesday, Sept. 6, Chief Justice McRuer ruled that the Mine, Mill International men had taken over illegally and the Sudbury union was returned to the people.

Now the Sudbury local wants to take its members into the Canadian Labor Congress (the AFL-CIO of Canada). Some years ago the Canadian Congress of Labor (the old CIO) had expelled the Mine, Mill union. The Canadians wanted none of its pro-Sovietism.

There are hundreds of pages of testimony before the Senate subcommittee on Internal Security which pin the pro-Communist label on Clark's union.

I don't know how much of this Jimmy Hoffa has read. But he had better, it seems to me. Especially since the pact he signed with Clark says: "The parties shall wherever possible work together and with other unions in political activity beneficial to the interests of each other and to organized labor. . . ."

Read the small print, Jimmy, read the small print.

Letters To The Editor

Orchids for the Review and onions to the Webster Dictionary publishing people! What a deplorable thing it is to discover that "ain't" is now to be considered grammatically acceptable.

In a line or two, I will intimate why I think such is the case. First, congratulations to The Review for taking a stand against its use.

Before any of you readers fall in line and add this now respectful word to your vocabularies, ask yourselves a few elementary questions: Do I say something because someone else does so? Do I do a thing because someone else does it? Do I think some one way because someone else does? The answer should be obvious to anyone but a parrot. Be an individual and stick to your guns.

Let us assume that someone phones and asks for me when I have gone out to mail this letter to the editor. Shall my wife say: "He ain't here. N' if'n he ain't here, he cain't marry, bury, talk, pray or baptize for you!"

No. She has two other constructions to choose from: "He is not here" or "He isn't here." Both of these are correct, and the secondary choice is at least a contraction derived by a logical method. Three choices! Why make the most objectionable?

It might help us to decide not to use the word if we would simply review the present indicative of the verb "to be" in its negative forms. Then, try to figure out how "ain't" can even be remotely arrived at by logic, contraction, construction or otherwise. The only conclusion one can arrive at is that someone with a cleft palate or terrible sinus condition simply gave up on trying to vocalize the word "aren't."

Please be an individual and don't use this lately respectable word merely because someone else does. If you must persist in your wish to use it, at least think it out and be prepared to defend its usage on semantically reasonable and etymologically sound grounds.

My only hope is that "lebenty-seben" more articulate English teachers have already deluged the editor with mail to uphold the use of proper English and to deplore and discourage conformism.

"Lebenty - seben?" Why not? Brer Rabbit uses it!

I read closely "Letters To The Editor". I agree with many and am glad to see some people aren't afraid to express their views. If my letter is published, I will believe in freedom of the press.

There are many, I am sure, would agree with me when the complaint is parking meters and meter maids. From the beginning, they have been a mistake, and still are as far as I'm concerned.

An article Sept. 6 in The Review asking Council to buy new meters was of interest to me. The reason was that some of the old ones were unsatisfactory and that coins jammed the meters if not deposited in a certain way. I wonder how many know this. On Sept. 5 I parked my car on W. 5th St. preparatory to shopping. I put a nickel in the meter. It did not register. I put pennies in. They did not register. Thinking the meter was out of order, I went on my way, only to return and find a ticket. Wasting my time and patience, I walked to the office to tell them the meter wasn't working.

I was informed by a most unfriendly person that if I have lived in East Liverpool as long as I have I should know how to work a parking meter. The Meter Maid said she was tired of complaints and everyone should know you have to pay five pennies first then a nickel if you wish to park two hours.

In all fairness to the citizens of our town, the meters should be plainly marked and painted as to what order coins should be deposited. Otherwise, Meter Maids should be instructed not to ticket those meters. Why are they not marked? Is it so Meter Maids can write more tickets? Tricky, unmarked meters are as dishonest as stealing in my opinion.

Merchants advertise, "Shop in your home town". Why should we? Other cities have better parking facilities and friendly officers. Perhaps citizens would not protest so much over the city income tax if we had a few less meters and maids. To City Council: Why buy more meters? Who wants them? The Meter Maids?

Khrushchev Unmasked

By David Lawrence

U.S. Readers Need Background On Lies

Many people wonder why American newspapers give extensive space to Nikita Khrushchev's views. For the Soviet Union rigidly censors its own press and keeps the people there from reading what the President and secretary of state of the United States and leaders in our Congress have to say on world affairs.

David Lawrence

There is, of course, no justification for withholding Khrushchev's statements from the American people. To publish them is sound journalism.

It is important, however, to print the other side — the American side — that is, to interpolate for the benefit of the American reader the meaning of some of the Soviet premier's strange statements and to call attention to his misuse of words.

Thus, the New York Times the other day devoted two whole pages to the story and text of a very interesting interview with Mr. Khrushchev obtained in Russia by C. L. Sulzberger, one of the most capable of American correspondents in Europe.

Previously Walter Lippmann and James Reston, and recently Drew Pearson, interviewed the Soviet premier for a large number of newspapers in this country.

Mr. Khrushchev periodically gives many hours of his precious time as head of a large government to what seems to him is a very useful means of getting his views across to the American people.

The American writers accurately reproduce his statements at length, and many readers who do not follow some of these matters too closely find themselves reading what appears to them to be reasonable and often seemingly persuasive arguments.

THE "VOICE OF AMERICA," moreover, doesn't get in a year as good a penetration of the Soviet Union's listeners and readers as Mr. Khrushchev gets in a single day in the United States through a lengthy interview with some well-known American correspondent.

This writer would find it personally obnoxious to sit down with Nikita Khrushchev for an interview or any other conversation because the Soviet premier is not a man who tells the truth. Mr. Khrushchev is as quick to tell a lie to a foreign newsman as he is to order an East German citizen to jail for listening to a foreign news broadcast.

Mr. Khrushchev's words, however, do make news, and those who interview him, as well as the newspapers which bring those views are, to be sure, performing a journalistic function that is well recognized.

At the same time, shouldn't the American reader be given a chance to read in that same day's issue an interpolation that exposes paragraph by paragraph Mr. Khrushchev's mendacity?

And shouldn't the same American newspapers which print his views insist vehemently and constantly that the Soviet newspapers be opened up to the president of the United States, so that at least his statements on public policy and comments given at press conferences would be fully covered in the newspapers and on the radio throughout the Communist-bloc countries?

FOR SEVERAL DAYS recently news was deliberately withheld from the Soviet people that their government had actually conducted nuclear tests, despite Mr. Khrushchev's earlier pledges that he would not do so unless the other side made such tests first.

It was only after Indian Prime Minister Nehru had revealed this information at a rally in Moscow that the Soviet premier confirmed it in vague words, without telling the people that the government had up to that time made at least four such tests and that they were all exploded in the atmosphere.

Millions of Soviet citizens still do not know that their premier has broken faith with the world. Nor will they ever be permitted to read American comments which point out the glaring untruths in the Khrushchev interview in the New York Times, wherein, for instance, he says:

"We do not recognize that any country has a right to fight a war for the liberation of another country. . . .

"We recognize a people's right to wage a struggle for its liberation — that is something different. Take Algeria, for example."

Why not take Hungary, or East Germany? Khrushchev adds: "Our sympathies are with peoples fighting for their liberation and we are prepared to help them in every way we can. That, in brief, is our concept about war."

THE RECORD of the Soviet troops stationed in all the satellite countries is well known. The severity of their measures of oppression and suppression has been established before the United Nations.

But Mr. Khrushchev can still sit down with leading American writers and get extensive space in American and European newspapers as he repeats, again and again, his lie that he recognizes the right of an enslaved people to rise up and fight a war of liberation to regain their independence. Yet he and his Communist forces have taken that same independence away from them and he tells a boldfaced lie when he says: "We are prepared to help them in every way we can."

Mirages

Mirages tantalize thirsty travelers. They also fool wildlife and cameras.

Summer drivers soon become familiar with the shimmering pool that retreats before their rushing automobiles. In flat desert regions around the highway to form the image of a lake. Cars seem to travel on a moving island in the unreal water.

Such desert mirages can attract wildlife. Ducks have swooped down for a swim only to find a dust bath waiting instead. Cattle are never fooled. They locate water by smell.

While mirages have been hoodwinking man for centuries, they are not the product of feverish imagination. They are optical illusions that can deceive even the impersonal camera.

Mirages are created by air layers of different densities. Just as glass and water can bend a beam of light, a lens of warm air surrounded by cold can form the common, roadway mirage.

Hot asphalt warms the air, which reflects trees, cards, or other objects where the motorist can see them. A breeze in the air layer can create ripples suggesting waves.

More complex conditions involving lenses higher in the sky can produce even more mysterious sights. Images have been carried hundreds of miles across the earth. Small objects have appeared immense.

Club Told Family Harmony Linked To Regard For Child

Considerate regard for the individual characteristics of a child is the first essential for family harmony, Dr. Herschel A. Rubin told fellow members of Rotary Club Tuesday.

Speaking on "Togetherness" at the club's noon meeting in the Travelers Hotel, the optometrist asserted that perhaps families become too concerned over the lack of constant "harmony" in social life.

"In these days of larger families, there are too many levels of development to bring about a uniformity of interests," Rubin declared.

"Isn't it better to study the levels of child development carefully, and plan any activities to conform to this study — rather than to expect all members of a family to enjoy being together at all times?" he asked.

Rubin said conclusions based on studies made by the Gesell Institute of Child Development indicate that a child adjusts to family life steadily from birth through the late teens.

As the adjustments progress with each year of growth, the role of the parents in providing guidance and discipline must fluctuate accordingly, Rubin said.

Pointing out that the family unit is a "complex institution," Rubin said that "it needs more planning and deliberate self-appraisal than it ordinarily receives."

"This is particularly true when the household has to reckon not only with children, but with uncles, aunts, grandmothers and grandfathers," he said.

"The child's developing image of family life is chiefly the outgrowth of the experiences which he undergoes in his own home circle," Rubin pointed out.

He added: "If harmony prevails, it will help to integrate his orientation and to direct his affections. On the other hand, poor adjustment between husband and wife has far-reaching effects upon the emotional life of perceptive children," he concluded.

Rubin was introduced by Dr. R. Jay Kinsey, president, who presided.

Various factions were represented last night. One group made inquiries as to why the Post Office was not established in the Standard Garage & Hardware Building at 12th and Main Sts. It was purchased last year by a Cleveland man who planned to remodel it and lease it to the government.

Some objected to a remodeled building, others to the location and some want an entirely new building.

The present Post Office does not have enough space.

Deaths and Funerals

H. F. Banfield Claimed At 80

Harlow F. Banfield, 413 Riverside Ave., Wellsville, father of two district physicians, died Tuesday night at 9:10 at City Hospital. He was 80 and had been a patient since Thursday.

Mr. Banfield was born Sept. 27, 1880, in Leechburg, Pa., to William Banfield and Henrietta Shearer Banfield. He attended Lehigh University at Bethlehem, Pa.

At one time he owned and operated the Banfield Brick Co. at Irondale until it closed in 1937. For sometime, before retiring in 1949, he had been employed in the offices of the Midland Works of the Crucible Steel Co. He resided in Wellsville for 47 years.

He was a member of the First Methodist Church and was an honorary steward and former trustee. He belonged to Wellsville Masonic Lodge 180.

Mr. and Mrs. Banfield observed their 55th wedding anniversary Sept. 5.

Besides his widow, Mrs. Olive Moore Banfield, at home, and sons, Dr. H. Frederick Banfield Jr., of East Liverpool and Dr. William S. Banfield of Irondale, he is survived by a daughter, Mrs. Mary Olive Harris of Cleveland; two sisters, Mrs. Kemp B. Scroggs and Miss Wilda Banfield, and two brothers, Wallace Banfield and Judson Banfield, all of Beaver, and six grandchildren.

Services will be held Friday at 2 p.m. at the MacLean Funeral Home in Wellsville by the Rev. Arden R. Beck. Burial will be in Springhill Cemetery.

Friends may call at the funeral home after 3:30 p.m. Thursday.

Beth Ann French

Graveside services for Beth Ann French, 8-day-old daughter of Ronald French and Bonnie Taggart French, 308½ 10th St., Wellsville, were held this afternoon at Springhill Cemetery in Wellsville by the Rev. William A. Hewitt, pastor of the Central Methodist Church.

The infant died Tuesday about 4:40 p.m. at City Hospital.

Besides her parents, she leaves three brothers, Ronald French, Randall French and Rickey French, all at home; maternal grandparents, Mrs. Naomi Taggart of Wellsville and Howard Taggart of Wellsville R.D.; the paternal grandparents, Mr. and Mrs. Harry French, and the maternal great - grandmother, Mrs. W. J. Faloon, all of Wellsville.

The Haugh Funeral Home was in charge of arrangements.

Grand Jury

(Continued from Page One)

raignment was set for Tuesday at 9:30 a.m.

The 15-member panel returned two indictments against Mike Italia of Ellwood City, charging theft of $121 June 8, 1959, and $59.41 May 29, 1959 from J. William Davis.

The panel was headed by Irel E. Glover of New Cumberland.

Woman Cited As Auto Rams East End Pole

A 22-year-old East End woman escaped unhurt Tuesday at 6:05 p. m. when her auto crashed into a utility pole on Bushwick St. near Ohio Ave., police said.

Mrs. Evelyn Ankrom, 2149 Ohio Ave., was cited for operating an auto without a license as an aftermath of a freak series of circumstances, police reported.

Mrs. Ankrom reported she was steering her disabled auto while it was pushed from the rear by another car. As she rounded the turn off Ohio Ave. onto Bushwick, the motor sputtered and the brakes squealed. Mrs. Ankrom said she attempted to apply the brakes, but her foot hit the gas pedal and the auto shot forward, crossed the street and hit the utility pole.

The collision damaged the left front bumper, hood, fender and radiator of the 1955 auto, police said. The bottom of the utility ple was marred, but unbroken, officers reported.

Mrs. Ankrom pleaded guilty to the police charge this morning before Municipal Judge Samuel M. Chertoff. The court ordered a fine of $25 and costs, but upon learning that she is the wife of a serviceman, Judge Chertoff suspended all except the $7.50 costs.

Mrs. Ankrom told the judge she once had a learner's permit, but it expired in 1959. Judge Chertoff suggested she dispose of the car. Otherwise, she is not to drive again until she obtains an operator's permit, he said. He warned Mrs. Ankrom that driving without a license leaves her liable to a jail sentence.

Miss Suzanne Beaver received and dedicated the offering to "What Is a Love Gift?" at the meeting of the Elizabeth Fleming Missionary Society of the First Baptist Church Monday night with Miss Ora McElroy of W. 3rd St.

Mrs. Ruth Welch conducted the devotions and program. She read Scripture from Luke 24 and Mrs. Edith Rodenhausen gave prayer.

A panel discussion, "That I May Speak," featured the program. Articles read were Miss Beaver, "Evangelism, Out of Date;" Mrs. Roxie Shenkel, "Who Is My Neighbor," and Mrs. Phoebe Myers, "How Does The Vocational Program Work."

Mrs. Arzelia Green, Mrs. Wilma Beaver and Mrs. Vera Hendricks led prayer calls.

Miss McElroy, president, opened business with prayer. Mrs. Mae Wray read the minutes and financial report.

Mrs. Hendricks, chairman, reported the project of assembling the layette for the clinic at Beaufort, S. C., has been completed. Mrs. Peg Townsend collected the offering for the scholarship fund.

Announcement was made of the mission study class to be taught by Mrs. Laverne Chadwick. Scheduled for four weeks beginning Oct. 3, the book to be reviewed will be "Edge of the Edge."

Refreshments were served by the hostess, assisted by Mrs. Wray, co-hostess, and Mrs. Beaver and Mrs. Hendricks.

Articles for the bazaar at the Cleveland Baptist Home in October, will be brought to the meeting Oct. 9 at the church. Mrs. Wray is program chairman. Mrs. Shenkel and Mrs. Myers are hostesses.

⁂ ⁂ ⁂

Committees for future projects were named at the meeting of St. Ann's Guild Monday night in the social rooms of St. Ann's Catholic Church.

In charge of the bake sale to follow Masses Sept. 24 are Mrs. Nancy DeSarro, Mrs. Mary Dawson, Mrs. Mary Vallera, Mrs. Pat White and Mrs. Jean Jones.

The public card party Oct. 18 will be arranged by Mrs. Emily Yanni, Mrs. Carol Baugess and Mrs. Nora Kinsey.

Miss Bernadine Riccitelli, president, conducted business. Fr. Richard Buchmann, pastor, gave opening and closing prayer.

Lunch was served by Mrs. Pat White and Mrs. Frances Hornick. Next meeting is Oct. 2. Miss Mary Helen Lessel and Mrs. Rose Duncan are hostesses.

⁂ ⁂ ⁂

The "108" Club will meet Friday with Mrs. Carol Reed of the Y. & O. Rd.

⁂ ⁂ ⁂

Secret pal gifts were presented at the meeting of the Aces Wild Card Club Monday night with Mrs. Gaynell Kelly of Riverside Park.

Mrs. Nancy Seitz and Mrs. Janet Johnston received wedding anniversary gifts and Mrs. Ruth Osborn, a birthday anniversary remembrance.

Prize winners at two tables of 500 were Mrs. Norma Ollis, Mrs. Ruth Dingey and Mrs. Seitz.

Refreshments were served by the hostess.

Mrs. Mary Ann Shaw of Belmar Ave. will entertain Sept. 25.

⁂ ⁂ ⁂

Installation of officers will be held jointly by the Calcutta and Pomona Granges at 8:30 o'clock Saturday night at the Calcutta Grange Hall.

Mrs. Doris Thompson, lecturer, will be in charge. Ellis Wright, master, will preside.

⁂ ⁂ ⁂

Eighty attended the reunion of the descendants of Allan and Sarah Lyons Woodburn Sunday at Thompson Park. The basket dinner was served at 1 o'clock.

Guests were from Rogers, Lisbon and Wellsville. Charles Mercer was the eldest present; Brigid Poe, daughter of Mr. and Mrs. William Poe, youngest, and Mr. and Mrs. Ray Lindberg of Bethel Island, Calif., traveled the farthest. They are visiting their uncles, Fred Woodburn of College St., and G. M. Woodburn of Lisbon R.D. 1. Mrs. Lindberg's parents were the late Mr. and Mrs. R. L. Woodburn Emler of Wellsville.

Fred Woodburn was elected president and Lester Poe, secretary. A sports program featured the afternoon.

Miss Ruth Eppley will present "Profiles In Print" for the opening fall luncheon of the New Century Club Saturday afternoon at 1 o'clock at Piatt's Tea Room in Wellsville.

Mrs. Richard Brian, Mrs. Charles Gerace and Mrs. John Skidmore are in charge of arrangements.

⁂ ⁂ ⁂

Chester Couple To Observe 55th Wedding Date

Mr. and Mrs. R. B. Abrams of Louisiana Ave., Chester, will be honored with a party in celebration of their 55th wedding anniversary Saturday at the home of Mr. and Mrs. Hugh Allison of Canal Fulton, who are observing their 50th wedding anniversary. Mrs. Abrams is Allison's sister.

Mrs. Ralph Green, Mrs. Thompson Allison and Mrs. William Green are in charge of arrangements for the family affair. The buffet table will feature two wedding cakes in tiers along with flowers and lighted tapers.

Mr. and Mrs. Abrams were married Sept. 12, 1906, at Chester. She is the former Pearl Allison and was born at Georgetown, daughter of the late John and Ella Allison. Her husband, an oil contractor, was born in Hookstown, a son of the late Thomas and Margaret Abrams. They have resided in Chester 32 years.

They have two sons, John Abrams of Chester, and Robert Abrams of Richland, Wash., and four daughters, Misses Leona Abrams, Alberta Abrams and Eunice Abrams and Mrs. Dennis Smith of Cincinnati. There are six grandchildren.

The Allisons, former district residents, have resided at Canal Fulton for 33 years. He is a retired oil and water well driller and was born at Hookstown and is a 32nd Degree Mason. His wife, the former Myra Shay, was born at Fairview, W. Va. Mrs. Allison was organist for the Eastern Star for 19 years and for the Daughters of America for 18 years. They are members of the Methodist Church of Canal Fulton.

Teacher Guest At Meeting For Newell Women's Club

Mrs. Carol Cameron, a teacher at Wells High School, discussed "Is Education Important?" at the Newell Women's Club's first meeting of fall Monday night.

Thirty-four attended the 6:30 o'clock picnic at Tomlinson Run State Park near Pughtown.

The speaker cited the importance of completing high school in her talk on education. A general discussion of the "drop-out" rate of high school pupils followed. Mrs. Gertrude Stevens was program chairman.

During business conducted by Miss Betty Buben, president, the club authorized donations of $25 to the Child Counseling Center in East Liverpool, and $10 to the Newell Civic Council.

Miss Buben reported on her attendance at an Adult Institute this summer at West Virginia University, and discussed the donation of eyes to an eye bank to aid in sight-saving.

Other reports were heard from the program, finance, mental health and Girl Scout committees. Mrs. Doris Durham has been named new neighborhood Girl Scout chairman for Newell.

She reported the club realized $105.67 from sponsoring a booth in the volunteer fireman's carnival.

Plans were also discussed to sponsor adult education classes on world affairs, with speakers from West Virginia University.

Programs were distributed by Mrs. Stevens.

Miss Buben presented a gift of appreciation to Mrs. Ann Cawthon, past president.

Mrs. Dorothy Gogol led devotions. Rose Spence, representing the Variety International Productions of Houston, Tex., was a guest. The company will provide professional actors for a club-sponsored play, "The Money Saucer," Nov. 25 at Wells High School.

Hostesses included members of the social committee, with Mrs. Dorothy Gogol and Mrs. Gertrude Carson as co-chairmen.

Auxiliary Of Midland Post Holds Installation Dinner

The auxiliary of Midland American Legion Post 481 held its annual installation dinner meeting Monday evening in the Legion Home when Mrs. Charles Adkins, president, announced that the local group won three citations at the recent state convention held in Erie.

They were for unit activities, membership and history.

Mrs. H. L. Henderson of Sharpsville, Western District director, installed the following officers:

Mrs. Adkins, who was re-elected; Mrs. James Green, first vice president; Mrs. Hilda Jones, second vice president; Mrs. Ann McKnight, secretary; Mrs. L. F. Pickering, treasurer; Mrs. Mary Feragotti, sergeant - at - arms; Mrs. Mary Rodfong, chaplain, and Mrs. L. E. Kinsey, historian.

Mrs. Henderson spoke briefly on the highlights of the state convention and Mrs. H. C. McDougal, also of Sharpsville and president of the Tri-County Council, spoke on membership.

The president presented gifts and corsages to the two guests. Mrs. Adkins received the past president's pin from Mrs. Henderson.

Tokens of appreciation were presented by Mrs. Adkins to Mrs. Pickering and Mrs. Rodfong, who were re-elected, and to Mrs. Rex Black, retiring secretary.

The president reported on the recent magazine drive sponsored by the auxiliary. Proceeds are being used to purchase a wheel chair and an invalid walker for use in the community.

The Tri-County Council meeting will be held in Freedom Sept. 21 and reservations are to be turned in to the president by Saturday.

Miss Louise Torres won the state convention plate and Miss Andrea Torres won a special prize.

The tables were decorated in a fall theme and tall tapers and a floral centerpiece completed the setting.

The dinner committee included Miss Andrea Torres and Miss Louise Torres and Mrs. Hilda Jones.

Next meeting is Oct. 9.

Elaine Fergason Weds Airman In Salineville Rites

Airman 2C and Mrs. James E. Rigsby are residing at Lisbon R. D. 1 following their marriage Aug. 19 at the Salineville Church of Christ.

The bride was Miss Elaine Sue Fergason, daughter of Mr. and Mrs. J. B. Fergason of West End, Salineville, and her husband's parents are Mr. and Mrs. Alvin Rigsby of East Main St., Salineville.

The Rev. Gerald Finnie, pastor, officiated for the double-ring ceremony.

Mrs. Janet Hart presented a half hour of organ music.

Given in marriage by her father, the bride wore a floor-length gown of ivory, pure silk and Chantilly lace.

Mrs. Sonya Rose was her sister's matron of honor. She wore a street-length dress of pink nylon organza over taffeta.

Miss Linda Madison and Miss Sue Russell were bridesmaids and appeared in mint green dresses identcial to that of the matron of honor.

John H. Rigsby served as his brother's best man. Ushers were Richard Fergason, brother of the bride, Carl Hertel and Dick Clark.

The mother of the bride chose a dress of yellow print on white chiffon with neutral accessories. The bridegroom's mother wore blue chiffon with white accessories.

A reception was held at the home of the bride's parents.

Aides were Mrs. Jessie Barcus, Mrs. Betty McDowell, Mrs. Mary Lou Digman and Mrs. Beulah Betteridge, aunts of the bride.

Out-of-town guests were from Cleveland, Salem, Minerva, Wellsville, New York City, Illinois and New Jersey.

The newlyweds are 1960 graduates of Salineville High School. The bride is employed in the office of the Deming Division of the Crane Co. at Salem.

Her husband was stationed at Chenute Air Force Base at Rantoul, Ill., and will leave Monday for 12 months duty in Iceland.

The bride will remain with her parents.

Advantage Of Advertising In Newspaper Discussed

Merits of newspaper advertising and the challenge of civic publicity were stressed by Mrs. Ann Claypool and Mrs. Clara Hall at the meeting of the Women of the Moose Chapter 642 Monday night at the lodge home.

Mrs. Claypool, who is employed in the classified advertising department of The Review, spoke of modern-day advertising and its advantages. She told of the work involved in the classified department and the types of service it offers. She also enumerated results of advertising.

Mrs. Hall, society editor, gave a list of requirements for chairmen to follow, enabling their groups to receive proper publicity. She mentioned advance preparation of important stories and the setting up of photography. She said publicity assists in the growth of the group and adds to the fund-raising capabilities.

Mrs. Mary Ellen Reed, senior regent, presided. Mrs. Mary Woolf and Mrs. Mildred Springer were speaker escorts.

Mrs. Marjorie Bartley was initiated in the defending circle. Mrs. Verna Lyons reported on the sick and shut-ins.

Mrs. Permelia Kilmer, chairman, named her committee for the Muscular Dystrophy Fund drive in November. They are Mrs. Mildred Wagoner, Mrs. Evelyn Balser, Mrs. Leona Swiger, Mrs. Lou Winters, Mrs. Ida Skinner and Mrs. Reed.

Tag Day was scheduled May 14, 1962, with Mrs. Julia Baumgarner chairman. Proceeds go for the nursing scholarship at City Hospital.

A letter was read to attend a meeting Oct. 14 honoring Mrs. Geneva Baumer of Fremont, district grand regent.

The group will serve breakfast and dinner for a district meeting of the men's lodge.

Orders were taken for articles to be sold for fund-raising. The Executive Board met afterwards.

Refreshments were served at a buffet table decorated with garden flowers and white tapers. The social committee was Mrs. Florence Smith, Mrs. Woolf and Mrs. Balser. Mrs. Bessie Daugherty won a prize.

Annual reports of standing committee chairmen will be heard at the meeting Sept. 25.

Akron Police Use Sledge Hammer In House Raid

AKRON, Ohio (AP)—Arkon police and Summit County sheriff's deputies used a sledge hammer Tuesday night in a raid on a home they described as a $4,000-a-week clearing house headquarters.

Raiders led by Vice Squad Lt. George L. Mullen and Chief Deputy Paul E. Wein hit a $30,000 ranch house in an exclusive section of nearby Bath Twp.

A woman slammed the front door when she saw police coming so they used a sledge hammer to get in, Wein said.

Walter Vuins, 40, was booked for violation of the new state anti-gambling law. He was released on $500 bail.

Police said they found clearing house slips on a desk in the kitchen and some more in a basement incinerator. Three cases of loaded dice were found in a car trunk.

Police quoted Vuins as admitting he was in the numbers racket for a month and did all his business by telephone.

Law On Juveniles Hit By Prosecutor

CINCINNATI (AP) — The law giving the state department of hygiene and correction the right to freeze and set up quotas for committing juveniles to state schools is unconstitutional, according to C. Watson Hover, Hamilton County prosecutor.

Hover gave this opinion Tuesday at the request of county Juvenile Court Judge Benjamin F. Schwartz.

According to Hover, the law infringes on the authority of courts to whom the legislature has given the right to commit juveniles to schools.

Man, 31, Charged With Fiery Murder

CLEVELAND (AP) — Police have charged Thomas J. Linen 31, with second-degree murder in the fiery death of Acie Cook, 44.

Police said Linen admitted throwing a can of gasoline on Cook Sunday after an argument over a $5.50 debt. The fuel was set afire by Cook's cigarette.

Presbytery's Installation Of Pastor Set

Installation services for the new pastor of the Glenmoor church were arranged and a call to a Hopedale clergyman to serve as associate minister of the Trinity church was approved at the meeting of the Steubenville Presbytery Tuesday night at the Scio church.

The Rev. James Fyfe Donald will be inducted Sept. 20 at 7:30 p.m. at the Glenmoor church with a commission of the Presbytery in charge.

The Rev. Gene Toot, pastor of the Hopedale and Annapolis church near Bloomingdale, will become associate minister at the Trinity church here by Oct. 1.

An extensive discussion on problems of "Town and Country" churches was conducted by a five-member committee on national missions.

It included the Rev. Robert Thompson of the Bloomingdale church, the Rev. George Jenkins of Carrollton, general presbyter, the Rev. John Bartko of the Jewitt, Scio-Ridge Larger Parish, Fred Cooper of the Island Creek church near Toronto and Mrs. John Warren of the Knoxville church.

The Rev. Milton Davis of Minerva, moderator, was in charge of the sessions.

Next meeting is Nov. 14 at the Bloomingdale church.

Animals Along Road Should Face Traffic

LISBON — Floyd Lower, county extension agent, said a new law of the recent State Legislature now provides that persons riding or leading horses or animals along the highway should face traffic.

When sufficient space is available along the left side of the traveled portion of a street or highway, outside the limits of municipal corporations, persons riding or leading an animal shall proceed, when practicable so that they are facing approaching traffic and shall exercise due care, the law provides.

Auctioneer Licensed

LISBON — Donald Stafford of East Rochester qualified as an auctioneer Tuesday before Common Pleas Judge Raymond S. Buzzard. He posted a $1,000 security bond and paid a $5 yearly fee.

WALKING MAN. Aleksei Pekikarpov, 62, walks toward the Krasnodar territory, U. S. S. R., from Dagestan. The retired Russian has walked over 6,000 miles since 1959. He has traveled along the Black Sea shore to Armenia, Georgia and Azerbaijan and hopes to write a book after he finishes his travels.

Knights Of Columbus Set Wellsville Social

Plans for a monthly social Saturday night at 8 for members, prospective members, their wives and friends were outlined by Wellsville Knights of Columbus Council 507 Tuesday night.

Reports were heard on a diocesian youth campaign meeting held last week at Youngstown. Attending were John Kozora, grand knight, George Prokop, Andrew Holowaty and Robert Graham.

Participation in a Columbus Day program was approved. The next meeting will be Tuesday night at 8.

Akron Driver Forfeits

LISBON — William B. Brown Jr., 54, of Akron forfeited a $20 appearance bond Tuesday in County Judge James L. MacDonald's court on a charge of passing without assured clear distance. He was cited by the State Highway Patrol.

Mental Case Care Outlined

The need for broadened care of mental patients and greater understanding of mental illness was underscored by the Rev. Donald Vogel at a meeting of the Chester Kiwanis Club Tuesday night at the City Hall auditorium.

Rev. Vogel, pastor of the First United Presbyterian Church of Chester, spoke on "Wake Up, West Virginia, To Mental Health," utilizing information in a brochure on the subjcet.

He said that unless help is provided, some 180,000 West Virginia mental victims will not receive proper treatment. He declared that no state hospital has a psychiatrist on the staff.

"According to a report issued by Congress, one of every 10 persons in the nation has a mental illness of some degree," Rev. Vogel said.

He said the public must learn to realize that mental illness is a genuine illness that can afflict anyone and that mental patients must have as good care as other sick people and receive the same understanding and sympathy.

Twenty-two attended the meeting at which Russell Davis, president, was in charge.

Dr. Frank Bragg, Chester dentist, and Paul Stephens, teacher at Pughtown School, were welcomed as new members.

R. M. McFarland asked members aid at Chester High School home football games. Davis commended Robert Smith for his work as co-chairman of a public bazaar held last week at the City Park.

For a savory sauce for steak, add catchup, Worcestershire sauce and a dash of tabasco to butter and heat.

Slides Shown Civil War Unit On Bull Run's Re-Enactment

Slides of the colorful re-enactment of the Battle of Bull Run in Northern Virginia in July and a demonstration of Civil War weapons highlighted a meeting of the Tri-State Civil War Roundtable Tuesday night at the Carnegie Library.

About 30 attended the meeting at which Paul Ward screened slides of the re-enactment of 1861 battle, and commented on the staging of the event.

Wayne Wallace of Wellsville R. D. 1 spoke on a summer visit at Franklin, Tenn., site of an 1864 battle in which the 104th Regiment, which included some 400 Columbiana County men, played a key role in a Union victory.

Other reports of summer visitations were given.

Joseph Robbins of East Liverpool presented a demonstration on the loading procedures for the Civil War musket and revolver, and spoke on the development of the infantry weapons.

Robbins pointed out a formal manual of loading was needed for the training of a soldier in order to instill a habit of safe and effective arming of the guns. He said after many battles it was found that muskets had been loaded with three or four charges and not discharged.

The roundtable agreed to meet the second Tuesday of each month, instead of alternating with the second Wednesday, in order to simplify the meeting schedule.

Robert Cole of Salineville discussed a current Ohio drive to obtain funds to set aside a memorial at Gettysburg for the state units which fought there. Deeds to a square foot of land are being sold for $1, and 16 such deeds were sold last night to members.

The state drive is part of a national campaign headed by Cliff Arquette, "Charley Weaver" of television, to preserve the Gettysburg battlefield from encroachments of commercial businesses, and is being handled by Ohio banks.

Charles Tittle reported he has a Civil War display in the windows of the former Trotter Hardware rooms on Dresden Ave. Refreshments were served. Judge Tobin, president, was in charge.

Next meeting is Oct. 10.

Tire At Some Remarks

Young Poets Get 'Fed Up'

By HAL BOYLE

NEW YORK (AP)—Remarks a young poet gets tired of hearing:

"If you ask me, Henry Wadsworth Longfellow said it all."

"How do you guys get paid—by the line or by the rhyme?"

"Could you knock off a couple of funny stanzas about my cousin and his wife? They're celebrating their 10th wedding anniversary next week and, just for laughs, I'd like to have something comic to surprise them on the occasion."

"There's nothing in the mail, dear, except three more rejection slips."

"In a way he's like Western Union—full of messages for mankind. The difference is that Western Union knows where to deliver them."

"I understand he's a stand-in writer for the fellow who writes those highway shave jingles."

"You couldn't exactly call Algernon a mute, inglorious Milton. For one thing he isn't mute—unfortunately."

"They tell me you're a poet, young fellow. That's nice. What do you do for a living?"

"I'm leaving you, Algernon, and going home to mother. No, it's not because I'm mad at you. But at mother's I can at least be sure of eating."

"Algernon kind of reminds me of Alfred Tennyson, particularly when he runs out of razor blades and doesn't shave for a month or two."

"I didn't actually say he doesn't have ability. All I said was his lack of inspiration barely rises above his lack of perspiration."

"He really hasn't published anything noteworthy ever since that mimeograph machine broke down in the office where his sister works."

"Algernon isn't proud. He'd be glad to write for the little magazines. The trouble is that so far he hasn't found one small enough for his kind of verse."

Couple Will Face Bank Theft Trial

PITTSBURGH (AP) — A Pittsburgh couple faces trial in U.S. District Court in a $19,262 bank robbery.

Robert E. Himes, 46, and his wife, Mary, 31, were indicted Tuesday by a federal grand jury in the holdup of the First National Bank of Saxton, Bedford County, last July 13.

They were arrested by a state policeman in a rented car on a highway near Pittsburgh the day of the robbery. The money was found in the car, authorities said.

The couple's daughters, Linda, 4, and Sandra, 2, were in the car at the time of the arrest. The youngsters are now in a foster home at Bedford.

In all 23 indictments were handed down, including:

Simon Petroff Jr., 38, New Kensington, auto theft.

Harry D. G. Swope, 25, Chicora R. D. 3, Selective Service violation.

Lisbon Republicans Will Hear Atty. Bettis

LISBON — State Rep. Warren Bettis of Salineville will speak at the Mid-County Republican Club meeting Thursday night at 8 in the Council chambers of the Town Hall.

Atty. Joseph Baronzzi, membership chairman for the local GOP club, announced the meeting will kick-off for the 1962 membership drive.

Refreshments will be served.

The meeting is open to the public.

Strike Continues

MIDDLETOWN, Ohio (AP) — A strike by truck drivers for Wilson's Motor Transit, Middletown, continued today with no indication of a settlement. The strike began Sunday night when 25 drivers walked off the job after negotiations between the company and Teamsters Union Local 836 broke down.

Wellsville Girl Scout Troop Consultant Set

Mrs. Audrey Stevens has accepted the post of troop consultant for Girl Scouting in Wellsville for her second term, according to Mrs. George Elliott, neighborhood chairman.

Intermediate Girl Scout Troop 65 was omitted from the listing of troops that will not be resuming their activities Oct. 1, due to lack of a leader. Wellsville is without a troop organizer and persons interested in either position may phone Mrs. Elliott, LE. 2-3392.

U.S. Mediator Meets With Pact Negotiators

CLEVELAND (AP) — Federal Mediator Luther J. DeSantis was to meet today with negotiators of Commission House Drivers Local 400, representing 550 driver and warehousemen and representatives of 75 produce firms, to iron out a new contract.

The workers are employed at the Northern Ohio Food Terminal, servicing independent neighborhood grocers.

PTA Assigns Homerooms

Homeroom mothers were named by Russell Smith, president, at a meeting of the Grandview Parent-Teacher Associaion Tuesday night at the school near Chester.

Appointed were Mrs. Lura Logston and Mrs. Ruby Adkins, first grade; Mrs. Donna Mott, second, and Mrs. Ruth Smith and Mrs. Thelma Wright, third and fourth.

Smith also named Mrs. Ruth Smith, PTA magazine chairman; Mrs. Sophia Brown, hospitality chairman, and Mrs. Gaynell Shroades, historian.

Mrs. Audrey Litman of Weirton, curriculum co-ordinator for Hancock County schools, spoke on the primary block system of the first four grades.

The attendance banner was won by the third and fourth grades taught by C. B. Smith, principal. Eighteen attended. Next meeting is Oct. 3.

Farm Scholarships Available For Seniors

LISBON — Any high school senior graduating in 1962 may complete for an agricultural scholarship to Ohio State University, if he is in the upper 40 per cent of his class, according to Floyd Lower, county extension agent in agriculture.

Communications have been sent to school superintendents and principals by the assistant dean of the Agricultural College.

However, applications must be turned into the local scholarship committee chairman in the high school prior to Oct. 14, with examinations to begin in November, Lower said.

Salineville PTA Sets Faculty Introduction

SALINEVILLE—Faculty members will be introduced at a meeting of the Salineville Parent-Teacher Association Thursday night at 8 at the high school cafeteria.

Tom Leek, principal, will introduce the teachers in a "Let's Get Acquainted" program. Jack Baker, executive head, will speak.

David Frazer is president. Lunch will be served by the executive committee.

Police Are Hampered In Stolen Car Hunt

MISHAWAKA, Ind. (AP) — Mishawaka police were somewhat hampered today in their search for a stolen car—the description is classified information.

The missing car is a 1962 model, the details of which are supposed to be top secret until the new line is introduced next week.

Dealer Jim Hammes hid the car behind a billboard near his agency, trying to keep the secret. When he looked for it Tuesday night it was gone.

Ohio Official Elected

MEMPHIS, Tenn. (AP) — Hayden W. Olds, chief of the Ohio Division of Wildlife, has been elected president of the International Association of Game, Fish and Conservation Commissioners. The election came on the closing day of the two-day convention here Tuesday.

Criticizes Foreign Policy

Goldwater Predicts GOP Victory In House In '62

SPRINGFIELD, Ohio (AP) — The United States should give up its impression that it wants to be loved by foreign countries because it needs to be respected, Sen. Barry M. Goldwater, R-Ariz., declared here Tuesday night.

Speaking at a testimonial dinner for Ohio Congressman Clarence J. Brown, Goldwater told nearly 3,000 persons at the Clark County Fairgrounds that because of this desire to be loved "we are scared to death to do something about communism 90 miles off our shores because of what people will say about us."

The Republican conservative, who told newsmen he was not thinking about the 1964 Presidential election right now, said he had no criticism of President Kennedy's stand on Berlin, only that it took him too long to take it.

The real challenge now, he said, is whether Kennedy will stand firm. "If he doesn't we can forget about the cold war because it will be lost."

Goldwater, who appeared trying to fire up the GOP, predicted the Republicans would win control of the House in the 1962 congressional election. The margin in the Senate, he feels, is too great to overcome in one election.

"The New Frontier has fallen flat on its face and the American people want no part of it. It is a phony rehash of what (President Franklin D.) Roosevelt tried in 1932 and it took World War II to pull us out of it," Goldwater asserted.

He said he sensed the swing to the GOP "through the enthusiasm our (Republican) speakers are encountering all over the nation—more than in the campaign last year." He also said the number of young people turning to the GOP is very encouraging and is something that hasn't happened in many years.

Goldwater, long associated with the conservative wing of the Republican party, denied that there is much of a split in the GOP.

"We are not too far apart," he said. "People like to make it a great breach, but its like a hen's scratch on a billiard ball compared to the breach in the Democratic party."

The Arizona senator indicated he thinks former Vice President Richard M. Nixon should enter the California gubernatorial race. He said the head of the Republican party should speak for an elective position, and "the governorship of California is the only thing open to him now."

Goldwater arrived only minutes before his address at the $25-a-plate dinner and then left immediately after the talk for Washington. He will return to Ohio tonight, however, for a speech in Canton.

Truck Driver Killed

NORWALK, Ohio (AP) — Paul Klinger, 58, of Plainfield, Ill., was killed Tuesday when his tractor-trailer went out of control and overturned on Ohio 20 a quarter mile east of here.

Lausche And Young Don't See Eye-To-Eye

WASHINGTON (AP) — Ohio's two Democratic senators didn't see eye-to-eye when the Senate rejected President Kennedy's plea Tuesday and defeated an amendment to a school aid program.

Sen. Stephen M. Young favored the proposal, which would have limited extension of the impacted area school aid program to one year instead of two. Sen. Frank J. Lausche was one of 50 senators who voted against the measure.

9 Strikers Arrested

CINCINNATI (AP)—Nine striking employes of Queen City Dinettes, Inc., have been arrested this week on charges of interfering with workers trying to enter the plant, struck July 23 by 1,600 members of the International Union of Electrical Workers in a wage dispute. The troubles began Monday when new workers hired by the firm sought to enter the plant. Bennie Gabbard, 28, the ninth man arrested, was charged with disorderly conduct Tuesday.

Canton Man Injured In Route 164 Mishap

A 27-year-old Canton man was slightly injured when his small car veered off Route 164 south of Gavers late Tuesday morning after he served to avoid a collision with a truck.

The Ohio Highway Patrol at Lisbon said Jeremiah Chapman, headed south, swerved to avoid colliding with a truck operated by Rupert Sorg, 30, of Ava, who had pulled out of a private drive.

Chapman's 1960 French auto went off the road, receiving considerable damage, and he suffered bruises of the knee and head, officers said.

Patient Transferred

NEGLEY — Burdell Hill of Negley, taken to Salem City Hospital Monday night by ambulance after he was stricken with a heart attack, has been transferred to the Veterans Administration Hospital at Brecksville.

Hot Weather 'Freak' Cuts Citys' Power

A hot weather freak caused automatic safety controls to take over on a rotary condenser Tuesday afternoon at the Ohio Power Co.'s 2nd St. substation, reducing voltage supplied to the downtown area and close-in residential districts and briefly affecting the operation of devices such as elevators and air conditioners.

The drop in voltage, noted mainly in the "sick" behavior of air condifioning equipment, occurred at 2 but was corrected by 2:34. W. E. Williams, district manager of Ohio Power, reported.

At the time, a thermometer in the shade outside the substation read 92, but the temperature inside the building was close to 104.

Here's how the utility executive explained the freak occurrence:

The substation equipment includes a rotary condenser which automatically stabilizes and maintains the voltage in the lines. The condenser is equipped with an automatic safety device that takes it out of service when the temperature hits a point that threatens to burn it up.

Yesterday, the temperature hit that point and the condenser went out of service, dropping the voltage in lines to the downtown area and close-in districts.

Spotting the trouble quickly, Ohio Power installed additional fans to help cool the building. Meanwhile, the temperature had fallen and the rotary condenser was put back in service within 34 minutes. Williams said the firm expects no more trouble because of extra precautions taken to help hold down the heat inside the substation building.

Mrs. Earl Pugh Wins Grange Baking Prize

Mrs. Earl Pugh of State Route 2 won first place in a Pomona Grange baking contest, it was announced at a meeting of the Fairview Grange Tuesday night at the Pughtown Grange Hall.

Mrs. Pugh, Fairview Grange member, will participate in a state baking contest at West Liberty State College Oct. 27.

A memorial service was held for the late Willard Swan with Mrs. Charles Mills in charge.

Mrs. Rose Hukill, in charge of the program, presented a reading, and Miss Vicki Myers gave a pantomime sketch. Lunch was served 36 by Mrs. Bertha Shaffer and Mrs. Ellen Rawson.

Next meeting is Sept. 26.

Outdoor Burning Caution Is Urged

Liverpool Township West volunteer firemen today urged residents to use caution in outdoor burning after a grass fire threatened a grove of pine trees Tuesday afternoon.

The department sent two trucks to Radio Heights at 12:30 p.m. where sparks from burning trash had ignited a grassy area near a grove of trees.

The fire, which occurred in the rear of the Robert Bloor home, was extinguished by neighbors before any damage resulted.

Homer Cronin, assistant chief, appealed to residents to be cautious in outdoor burning because of the dry weather. Fire permits are not required until Oct. 1.

Twenty firemen attended the opening session of a 10-week fire school Tuesday night in the station. Chief Robert Lewis of Wellsville gave instruction in hydraulic pumps and legal aspects of fire protection in Ohio.

The second instruction period will be Tuesday night at 7.

School Board Told Of Road Plans In 1962

Widening and resurfacing of Route 168 will be done during the reconstruction year of 1962, Park H. Martin, secretary of Pennsylvania's highways, told the Western Beaver County Board of Education in a letter Monday evening.

The board met at the Ray W. Snyder School in Industry with James P. McClaskey, president, in charge.

Frank A. Meredith, supervising principal, reported that letters were also read from Beaver County legislators that Martin has promised them the road work will be done next year.

The letter should apparently allay any fears of Ohio Township residents that the work would not be done. Residents have complained of the narrow road on which school buses and large trucks travel.

Interviews will be held in the near future for the positions of secretary to the elementary principal and a cafeteria worker. Persons interested may contact Meredith at the Snyder School at NE 4-6536.

The positions became vacant with the board's acceptance of the resignations of Miss Patricia Carothers, secretary, and Mrs. Helen Sullivan, cafeteria worker at the Fairview School.

E. Jay Hineman, Industry tax collector, was appointed delinquent tax collector for 1960 school taxes. He was exonerated of his 1960 school tax books.

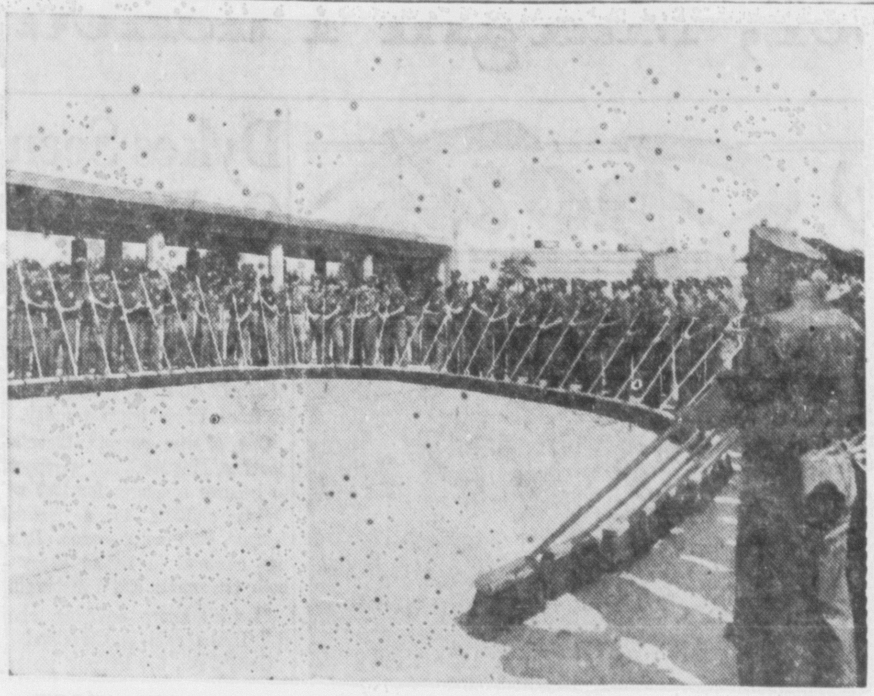
Miss Eva Rossomme, wage and earned income tax collector for the school district, was authorized to proceed with legal action against all residents who have not paid 1960 taxes.

Edward Stephens Jr., chairman of the building and grounds committee, reported on progress of construction of the new high school.

John Flasco, chairman of the transportation committee, reported buses being used this year are in good condition.

Flasco also said bus stops have been arranged at Russell Hill and at Sunrise Hill.

Bills in the amount of $28,564.63 were ordered paid. Next meeting is Oct. 2.



SWEEPING SCHOOL. Getting ready to make a clean sweep of things, Department of Sanitation rookies assemble in a semi-circular formation. The men, 100 strong, just finished training at Randalls Island, New York City, and will be assigned to the five boroughs. With all the people living in New York, they'll have a lot of cleaning up to do.

Mrs. George Smith Retained As Lisbon Group's President

Mrs. George Smith was re-elected president of the Loyal Women's Class of the First Christian Church at Lisbon at its quarterly meeting Monday night.

Others elected were Mrs. William Rose, vice president; Mrs. Helen Guy, secretary; Mrs. Lela Stock, assistant secretary; Mrs. Velva Allmon, treasurer; Mrs. Mary Hoy, assistant treasurer, and Mrs. Smith, missionary treasurer.

Yule Group Named

Mrs. Smith presided and appointed Mrs. Allmon, Mrs. Stock, Mrs. Anna Reuff and Mrs. Smith the committee for the Christmas meeting.

Lunch followed in the dining-room and tables were decorated with summer flowers. Mrs. Fred Nicholson, Mrs. Ruth McKee, Mrs. Charles Stark and Mrs. Rose were hostesses.

The auxiliary of the American Legion Post met Monday night at the post home with Mrs. Gail McCune, president, in charge.

It was announced that the County Council will meet Tuesday night at 8 at Wellsville Post 70.

Refreshments were served by Mrs. Jean Haifley and Mrs. Berneda Fife.

Next meeting is Oct. 2.

Rosary Group Meets

The Altar and Rosary Society of St. George's Catholic Church met Monday evening at the Parish Hall with 20 present.

Mrs. William Thompson, president, announced that reservations still are being taken for the pilgrimmage Oct. 6 to the Shrine at Washington. Mrs. John Kelly, secretary, of the NCCW is taking reservations.

A bake sale is planned for Oct. 28, with the place to be announced.

Lunch was served by Mrs. George Vokovich, Mrs. Jerome Molina, Mrs. James Klug and Mrs. Wilfred Welsh. Mrs. Urban Engel won a prize.

Next meeting is Oct. 2 with Mrs. Charles Rogan, Mrs. Paul McGaffic, Mrs. Louis Vay and Mrs. Harry Serago the committee.

Mrs. H. R. Deemer attended the meeting of the Trimonite Club Monday night with Mrs. Blanche Dailey of Fredericktown.

Masonic Girls Meet

Job's Daughters Bethel 48 convened Monday night at the Masonic Temple with Miss Gloria Dell Tritten, honored queen, presiding.

Business was conducted and plans were made for a slumber party Friday night at the Cycle Club near Canfield following the football game.

Next meeting is Sept. 25.

Mrs. Marian Figley of E. Lincoln Way was hostess to the Victory Club Monday night.

Two tables of 500 were in play with prizes won by Mrs. Francis Gunn and Mrs. Victor Williams. Lunch followed.

Mrs. Robert Stacey will entertain September 25.

Betrothal Announced

The engagement and forthcoming marriage of Miss Kaye Rodi, daughter of Mr. and Mrs. F. H. Kennedy of N. Market St. to Larry Stephen Kessler, son of Lawrence Kessler and the late Eileen Kessler of Salineville, have been announced by her parents.

The bride-elect is a junior at Mt. Union College and is a member of Delta Delta Delta Sorority.

Kessler is employed at the Myers Funeral Home in Alliance.

The wedding will be solomnized during the Christmas holidays.

Safety Booklets Furnished 2,300 In Grade School

The police department has furnished 2,300 safety manuals for distribution to youngsters in the first four grades of East Liverpool schools, Chief Americo J. Radeschi said today.

The 28-page booklets, published by the Child Safety Council of Jackson, Mich., were purchased with the co-operation of 21 business and industrial concerns. Following a "picture book" format designed to appeal to young readers, the 11-x-8-inch pages carry illustrations, jingles and slogans on the hazards of poison in a medicine chest; fire prevention; the danger of falls; boating and water safety; caution in alighting from a school bus; the danger of firearms; proper use of a bicycle and many other safety tips.

Similar books also were distributed at the beginning of the 1960-61 term. The department turned over the books to School Supt. Ralph W. Betts, who supervised distribution to the various buildings.

A separate publication was distributed to the pupils cautioning them never to accompany a stranger who accosts them with an offer of candy or money. If the stranger is riding in auto, the child should write down the license number, the booklet says.

The publication includes a list of the sponsoring firms and a roster of the police department and "Meter Maids."

Rural Group To Meet

LISBON — A program on how to help save money will be presented for the Hanover Township Home Demonstration Group Thursday from 10 a.m. to 2 p.m. at the Hanoverton Presbyterian Church. Mrs. Camille Kelton will be leader, according to Miss Julia Shank, county extension agent in home economics.

Exams Slated For NROTC

Application forms now are available for the 16th annual national competitive examination for Regular Naval Reserve Officers Training Corps which will be given eligible high school seniors and graduates on Dec. 9, Chief Petty Officer James M. Pattison, local recruiter, announced today.

The forms, which must be mailed by Nov. 17, are available at the recruiting office on the third floor of City Hall or at the various high schools, Chief Pattison said.

High school seniors and graduates who have reached their 17th birthday but who will not be 21 before July 1 may apply for the NROTC aptitude test.

Those who make a qualifying score will be given rigid physical examinations early next year. From the number remaining, at least 1,600 will be selected to begin their naval careers in September 1962.

The NROTC college training program also is open to enlisted men on active duty with the Navy or Marines. A separate quota is established for applicants in the services.

The program makes it possible for a youth to earn a regular commission while studying at the civilian college of his choice which has an NROTC unit. All tuition, fees and books are furnished by the Navy and the student receives an annual retainer of $600 for not more than four years. During summers the students go on training cruises as midshipmen.

Navy Recruiting Post Shares Area Award

The Cleveland Navy Recruiting Station, which includes the local Chief Petty Officer James M. Pattison, was the best all-around recruiting station in the 4th Naval District during August, Capt. R. D. Macklin, director of Navy recruiting in Columbus, announced.

The Cleveland office enlisted 117 per cent of its assigned high school graduate trainees quota and also surpassed its quota in the Polaris and nuclear fields. Approximately 85 per cent of all men enlisted last month will be sent to one of the Navy's trade schools or will receive extensive on-the-job training.

The Cleveland main office surpassed the rest of Ohio, Pennsylvania, Southern New Jersey, Delaware and parts of West Virginia and Kentucky.

The local office is on the third floor of City Hall.

SINGING IN THE RAIN. The show goes on despite a heavy rainfall as singer Anita Bryant performs under an umbrella at the Central Canada Exhibition in Ottawa. The pretty singer's reflection in a puddle near the microphone provided an unscheduled "double" feature for the damp audience.

Storm Aids Prisoners

ACAPULCO, Mexico (AP) — Taking advantage of the distraction provided by a thunderstorm, 59 prisoners escaped from the city jail Tuesday. The prisoners had dug a tunnel under the prison wall.

Holiday Store Schedule Due For Decision

A proposed schedule of Christmas season store hours will be presented by the Executive Committee at the next meeting Oct. 3 the East Liverpool Merchants Association decided Tuesday at a meeting in the Chamber of Commerce office.

James Locke is chairman of the committee, which will present the schedule for approval, rejection or modification.

In other action looking forward to the holidays, a report was submitted by Jack Steinberg, co-chairman of the community Christmas activities program.

Steinberg reported additional cross-street decorations have been purchased for use in the business district. The new prices are similar to others that were used last year for the first time.

Steinberg also reported the committee has contracted for renovation of decorative, lighted Yule tree replicas which are hung on utility poles in the business district.

Ralph A. Finley, chairman, reported a committee from the Business & Professional Women's Club is working on a city beautification project. ELMA has agreed to co-operate and its downtown improvement committee will be assigned to work with the BPW group, he said.

Finley also reported on the meeting of the Ohio State Council of Retail Merchants last Wednesday through Friday at Granville.

He attended the session, along with Paul Bloor and E. R. Chandler, secretary.

Rice Shortage Leads To State Of Calamity

MANILA (AP)—President Carlos P. Garcia declared a nation-wide state of public calamity Tuesday because of a shortage of rice, the Philippines' staple food.

The president's proclamation permits seizure of all hoarded rice stocks for public sale and sets ceiling prices. Garcia said the action was needed to avert panic and disorder.

Reds' Chances Looking Better, Margin Pushed To 4½

The Review Sports

WEDNESDAY, SEPTEMBER 13, 1961 EAST LIVERPOOL REVIEW PAGE 20

Cincy Tops Old Jinx, 7-2; Demeter, Phils Rout LA

By MIKE RATHET
Associated Press Sports Writer

Darrell Johnson, acquired by Cincinnati in mid-August, drove in three runs with a pair of doubles Tuesday night as the Reds beat the Chicago Cubs 7-2 and boosted their National League lead over second place Los Angeles to 4½ games.

Johnson, 34, with a .233 major league batting average, has been hitting at a .275 clip since he was purchased from Philadelphia but his exploits had to share top billing with Don Demeter's.

Demeter made the woeful Phils anything but as he crashed three homers and a single, driving in seven runs in a 19-10 rout of the pennant-chasing Dodgers. Joe Gibbon's three-hitter for Pittsburgh blanked San Francisco 3-0 and a five-hitter by St. Louis' Bob Gibson checked Milwaukee 4-1.

In the American League, Roger Maris and Mickey Mantle went homerless as the league-leading New York Yankees beat Chicago's White Sox 4-3 in a game called in the last of the sixth due to rain. Second-place Detroit defeated Kansas City 3-1 for Frank Lary's 20th win, and Washington whipped Boston 5-1. Los Angeles and Minnesota were rained out. Baltimore and Cleveland were idle.

Johnson and Wally Post formed a formidable 1-2 punch for the Reds against starter Dick Ellsworth (8-11) and his successors.

Post hit his 19th homer in the fourth and drove in the clincher for Jim O'Toole (15-8) with a sixth inning single that scored Elio Chacon.

In a game that had nine homers —five by the Phils—29 hits and the most runs scored against the Dodgers since they moved to Los Angeles in 1958, Demeter's performance was easily the standout. The former Dodger hit a two-run homer in the first, drove in a run with a single in a nine-run second, homered with two on in the seventh and hit a solo shot in the ninth.

That nine-run second inning won it for the Phils, who chased starter Sandy Koufax (15-11).

Dick Stuart homered twice, driving in all Pittsburgh's runs off Mike McCormick (12-15) as Gibbon (11-10) snapped the Giants' four-game winning streak.

Run-producing singles by Charlie James and Don Taussig and an error on a throw home won it for Gibson (11-11) as the Cardinals chased Milwaukee starter Bob Hendley with three runs in the seventh.

Trotting Champ Eyes Record, Plus Bonus

YONKERS, N.Y. (AP)—Su Mac Lad, already the biggest money winning trotter of all time, will get a much awaited chance to earn a $5,000 bonus for a world record in the $25,000 Volomite Trot over one mile at Yonkers Raceway Friday.

Seven horses have entered the race, changed from a mile and a quarter to a mile to give the 7-year-old gelding the opportunity at the world record of 1 minute, 59.4 seconds for the distance set by Darn Safe at Saratoga in 1957.

Su Mac Lad has been assigned the No. 7 post and has been established an even money choice. The rail went to Demon Dansel, with Regal Pick, Senator Frost, Silver Song, Hickory Pride, Air Record and Su Mac Lad following in that order.

Reds About Ready To Count Shares

CINCINNATI (AP) — The pennant fever hit Cincinnati today.

After the Reds knocked off their worst opponent 7-2 Tuesday night, some of the boys were ready to begin counting the money a World Series brings.

But not Fred Hutchinson, the Reds' manager, He was well-pleased, of course, when the team turned back Chicago, and with 12 games to go he was happy.

"They played fine baseball last night," Hutch said. "Jimmy O'Toole pitched very well. Perhaps he did throw too many balls, but his curve was working well and his fast ball was jumping."

It was a game where Frank Robinson and Wally Post came through again with the big bat. And so did Darrell Johnson, a coach earlier this season who turned back to his trade of catching after he left St. Louis.

Johnson came through with an insurance double in the eighth which sent two runners over the plate.

It was an especially good victory for Hutchinson and his players. It was the ninth time they had beaten the Cubs. But Chicago has beaten the Reds 12 times.

Cincinnati, with everything in its favor schedule-wise, will play Milwaukee tonight. The Reds have a 14-7 season record against the Braves.

Joey Jay, trying for his 20th victory, will start for the Reds. Carlton Willey (5-10) will hurl for Milwaukee.

Asked if he thought the Reds were in, pennant-wise, Hutchinson shrugged and said:

"We looked pretty good last night. As a matter of fact we have looked well in recent games. But, baseball being what it is, we are just going to have to play each one and try to win. No pennant talk here yet."

Tuesday night, Robinson doubled home the Reds' first run in the opening inning, and Wally Post's 19th home run in the fourth was good for another. Post also singled home another player in the sixth.

The Reds got two runs in both the seventh and the eighth.

Gordon Coleman opened for the Reds with a single. Johnson's double scored him. The Reds' new catcher then reached home on a scarifice and a double by Ed Kasko. Next inning, he hit the two-run insurance double.

Andre Rodgers' double brought home George Altman in the sixth for the Cubs' first run. Their second came in the seventh on a walk, and singles by Don Zimmer and Ernie Banks.

Burbick Fires 18 Straight Pars In Seniors Golf Play

An East Liverpool golfer recorded a golf oddity this past weekend when he won his division in the Ohio Valley Seniors Golf tourney at the Williams Country Club in Weirton.

Don Burbick turned in 18 straight pars in shooting a 37-36-73 total to win honors in the 50-54-age group.

There were no birdies, bogies or eagles, just straight pars for Burbick, who said "that was the first time I had ever done that."

Competing in the tournament were 173 golfers from Wheeling and on up the Ohio Valley.

J. M. Wells Sr., of Newell won the 70-and-over division with a 44-39-83.

Jack C. Watson of Steubenville swept all honors with a two-under-par 71.

Baltimore, Indians May Talk To Leo

LOS ANGELES (AP) — The Cleveland Indians and Baltimore Orioles have asked permission to talk to Leo Durocher about managing their clubs, The Associated Press learned today.

But — even before any offers have been made—the 54-year-old Dodger coach has said he isn't interested.

The AP learned from baseball writer Phil Collier of the San Diego Union that general managers Gabe Paul of Cleveland and Lee MacPhail of Baltimore asked and received permission from the Dodgers to approach Durocher.

This reported expression of interest by Cleveland supports an AP story from Chicago today. There AP sports writer Joe Reichler says he has learned Manager Jimmie Dykes will not be retained by the Indians next season.

The manager's job at Baltimore was vacated recently by Paul Richards, who is moving to Houston as general manager of the new National League club there.

Hayes Puts Mummey Back In Fullback Slot

COLUMBUS, Ohio (AP) — John Mummey, an All-Ohio fullback at Painesville High School but who has shifted around at halfback and quarterback at Ohio State, is back home—even if it means being an understudy to All-America Bob Ferguson.

Jets And Bisons Draw First Blood In IL's Playoffs

By The Associated Press

Columbus and Buffalo drew first blood in the opening round of the International League semifinal playoffs Tuesday night when the league champion Jets defeated Rochester 4-1 and the Bisons topped Charleston 3-2.

Jim Umbricht, a nine-game winner for the Jets, fired a seven-hitter. He lost his shutout in the seventh on doubles by Fred Valentine and Stan Jok.

Back-to-back home runs by Johnny Powers and Donn Clendenon broke the scoreless deadlock in the fourth inning as the Jets scored three runs. Clendenon also drove in the final Columbus run in the fifth with a double.

Buffalo scored two runs after two were out in the ninth to derail the Marlins.

Alvin Jackson (12-7) will pitch for Columbus tonight against Rochester's John Anderson (14-9) in the second game of the best of seven set. Paul Brown (3-2) or Bill Smith (9-7) will get the call for Buffalo against Charleston's Dean Stone (12-8).

Yesterday's Stars

Pitching — Frank Lary, Tigers, beat Kansas City 3-1 with five-hitter for 20th victory.

Hitting — Don Demeter, Phils, knocked in seven runs with three homers and a single in 19-10 victory over Los Angeles Dodgers.

DODGERS' WALLY MOON (9) is shown being congratulated by teammates Maury Wills (left) and Jim Gilliam (19) after the pair scored before him on his home run in the first inning. Moon's home run was of a little help Tuesday night as the Phillies blasted the flag chasers, 19-10. (UPI Telephoto)

Jockey, Owner, Trainer Suspended At Waterford

A jockey, an owner and a trainer have been suspended for the remainder of the meeting at Waterford Park and their cases have been referred to the West Virginia Racing Commission for further action.

Suspended were owner-trainer L. O. Wentz of Miami, Fla., owner John I. Works of Oldsmar, Fla. and jockey Gust N. Baouris of Baltimore. All three men face possible six-month suspensions from racing in West Virginia for their violations.

Wentz was suspended on the violation of racing rule 267, (possession of hypodermic needles, syringes and etc.)

Works and Baouris drew suspensions for the violation of racing rule 274 (alleged participation in the corrupt running of a race.)

The suspensions were handed down by the Waterford Park stewards and signed by stewards Sterling Hudson, Jay Eyster and Horace Wade, racing secretary.

Another $300 Plus DD Is Paid At Waterford

Another $300 plus daily double turned up for the second straight day at Waterford Park.

Dykes Seen On Way Out With Tribe

CHICAGO (AP)—Jimmie Dykes will not be retained as manager of the Cleveland Indians, The Associated Press learned today.

One of the current Cleveland coaches, Mel McGaha, is expected to become manager for 1962 with Dykes shifting to a National League club as a coach. Dykes has coached in recent years at both Cincinnati and Pittsburgh.

"I don't know anything about it," Dykes said in Cleveland.

Gabe Paul, the Indians' general manager, would neither confirm nor deny the information.

McGaha, who joined the Indians' coaching staff this season after leading the Toronto Maple Leafs to the 1960 International League pennant, was unavailable to comment.

The 64-year-old Dykes, now in his 45th consecutive baseball season, went to Cleveland last year when he was traded for Joe Gordon of Detroit in an unprecedented swap of managers. He is in his 21st season as a major league manager, having previously handled the Chicago White Sox, Philadelphia Athletics, Baltimore Orioles and Cincinnati Reds in addition to the Tigers.

He was a coach with the Pirates when he left to become manager at Detroit. The Pirates reportedly told him at that time he could return as a coach whenever he wanted.

Paul was general manager at Cincinnati when Dykes became interim manager of the Reds for the last 41 games of the 1958 season.

Dykes was not rehired for 1959, however, and went to the Pirates as a coach until he moved up to the manager's chair at Detroit. They wound up on the same club when Paul resigned as general manager of the New Houston club of the National League and joined the Indians earlier this season.

Richest Horse Race Scheduled For 1962

CHICAGO (AP) — The world's richest horse race — a $150,000 added, $400,000 gross futurity — will be run in Chicago in 1962 at Arlington Park.

The race, which will be held on the first Saturday in September next year, will combine the Arlington Park and Washington Park futurities, annual tests for 2-year-olds. Announcement of the 1962 combination was made Tuesday by Mrs. Marjorie Lindheimer Everett, president of Chicago Thoroughbred Enterprises, Inc., which operates Washington Park and Arlington.

The single race, which replaces the pair of $100,000 added events, will reward the winner with approximately $200,000.

Tackle Don Reese Scored Chester's TD

It is rare when an unsung lineman scores a touchdown and when he does he likes to get credit for it.

Don Reese, a 165-pound senior tackle from Chester, scored his team's only touchdown Saturday at United. However, it was reported incorrectly and teammate Larry Jarvis got credit for the TD.

But it was Reese who rushed in hard and blocked a punt by United's Larry Marks, then picked up the ball and ran 25 yards for the touchdown. Chester lost the game, 14-8.

Maris Raps Plate Umpire As HR Pressure Builds Up

Soar Is Criticized In Yanks 4-3 Win

By The Associated Press

There's been a claim of foul in that home run race that's heading into the homestretch with Roger Maris holding a three-length lead over fast-closing Babe Ruth and Mickey Mantle losing ground.

Maris, the leader with 56 home runs, angrily criticized plate umpire Hank Soar Tuesday night after the New York Yankees edged the Chicago White Sox 4-3 in a rain-shortened contest that cost Maris and Mantle at least one at-bat apiece.

Reduced to a three-game edge over Ruth's record 60 homer pace of 1927, Maris cited Soar for what he called poor balls and strikes calls. "I didn't get too many strikes," complained the Yankee slugger, "yet they were being called strikes. I was swinging in self defense."

Both Maris, who now needs four homers in the next nine decisions to tie Ruth's mark in the allotted time, and Mantle were held homerless by Billy Pierce and Frank Baumann. But each had a single before the game was called in the last of the sixth.

The triumph kept the Yankees 11½ games ahead of the Detroit Tigers, and lowered their magic number to seven. Any combination of seven wins or Detroit losses will bring New York its 11th pennant in the last 13 years and the first for rookie manager Ralph Houk.

The Tigers kept pace by beating Kansas City 3-1 for Frank Lary's 20th victory. And Washington whipped Boston 5-1 on Pete Burnside's three-hitter. Los Angeles-Minnesota was postponed. Baltimore and Cleveland were not scheduled.

In the National League, Cincinnati's first-place Reds bopped the Chicago Cubs 7-2 and moved 4½ games in front of the Los Angeles Dodgers, who lost 19-10 to Philadelphia. St. Louis beat Milwaukee 4-1 and Pittsburgh blanked San Francisco 3-0.

Maris and Mantle were instrumental in the Yankees 13th consecutive triumph with Maris wheeling home with the winning run in the fifth on Elston's Howard single. He had opened with a single and moved up on Mantle's base hit. Maris, who went to the plate four times, also walked in the first and scored, while Mantle who has 53 homers, struck out and flied deep to center in his other at-bats.

Ralph Terry (14-2) won it for the Yanks although tagged for eight hits—one the game's only homer by little Luis Aparicio.

Al Smith began the final inning with a double to left center and Nellie Fox moved him to third with a sacrifice. The Yanks pulled the infield in and held Smith at third while Jim Landis grounded out. Then the rains came.

Pierce (9-9) who lasted one inning—he gave up three runs and four hits—was charged with the loss.

Lary (20-9) won his 20th on the fourth go-round with a five-hitter when the Tigers came up with two in the eighth against Jerry Walker (7-12). Billy Bruton's triple, a walk, Norm Cash's sacrifice fly and singles by Dick McAuliffe and Steve Boros got the job done after Dick Brown tied it in the fifth with his 13th homer. Homer No. 8 for Deron Johnson accounted for the A's run.

Roger's Latest 'Blast' Doesn't Help HR Total

By JOE REICHLER
Associated Press Sports Writer

CHICAGO (AP) — Roger Maris really put on the blast Tuesday night.

But it didn't add to his season's home run total which remained at 56 when the best he could do was collect a single in four times at bat in New York's 4-3 victory over Chicago.

The blast was directed at plate umpire Hank Soar. Maris accused the arbiter of making at least three bad calls against him.

Soar, who has been an American League umpire for 15 years, blasted right back.

"Those pitchers didn't throw me too many strikes tonight," complained Maris, "yet they were being called strikes. I had to swing in self defense."

Soar shot back:

"He's so tight he can't breathe. You can't call a strike on him without getting an argument."

Maris cited three instances when he believed Soar erred in his judgment of balls and strikes. The first time was in the second inning when, with runners on second and third, Roger bluffed a bunt but did not swing. Soar called it a strike.

"The pitch was high—up here," Maris said, raising his arm above his shoulder.

The second bad call, according the Maris, was when Soar called him out on strikes a few moments later.

"I didn't swing," he asserted. "My body moved but my bat didn't."

"What am I supposed to be—a mind reader?" asked Soar. "When he swings, he swings."

In the sixth inning, Maris disagreed with a strike call, an inside pitch. Roger raised a high foul caught outside first base on the pitcher's next delivery.

"They are pitching him inside," said Soar, "and he's letting them go by."

Said Maris: "I realize an umpire can have a bad day just as a player can have one. But I don't like it when it happens every time I come to bat. I'm not looking for any favors. All I want is a fair shake."

THE TEENAGE SET has taken to Mickey Mantle (left) and Roger Maris as they sign autographs for two young girls at O'Hara Airport in Chicago after their arrival Tuesday for a scheduled 3-game series with the White Sox. (UPI Telephoto)

NBA Opponents Meet

Royals, Knicks In Oct. 5 Contest At Steubenville

STEUBENVILLE — Professional basketball will make its debut in Steubenville Thursday, Oct. 5, when the Cincinnati Royals, with the great Oscar Robertson, take on the New York Knickerbockers at the 6,500 seat Steubenville Community Arena. Game time is set for 8 p. m.

The contest is being sponsored by The College of Steubenville Alumni Association and its chapters throughout the nation.

The Royals, the hottest team in the National Basketball Association during the closing portion of the NBA season, will bring a host of outstanding rookies in addition to the returning members of the squad.

Returning to aid the great "Big O" will be Jack Twyman, Arlen Bockhorn, Wayne Embry, Hub Reed and giant Bob Boozer.

The rookies include Joe Buckhalter, the 6'7" Tennessee A & I flash who played an outstanding game against The College of Steubenville Barons three season back in the Youngstown Tournament; Bob Wiesenhahn, captain of last season's University of Cincinnati NCAA champions; Adrian Smith, All-American from Kentucky who scored 45 points in the final game of the Weirton Community Center tournament last April; Dave Zeller, most valuable in the Weirton tourney.

Also, Larry Kruger, 6'4"; Dale Moore, 6'6", Bud McRoberts, 6'5"; St. Louis All-American Bob Nordmann, 6'10"; Carl Short, 6'4"; Gerry Thelen, 6'9" Villa Madonna College star who played so well against the Barons; and Jack Walters, 6'4".

The game is one of 11 preseason games scheduled by the Royals. Charley Wolf, Royal coach, led three teams against The College of Steubenville Barons while directing Villa Madonna College Wolf feels that with his returning veterans and the outstanding crop of first year men, the Royals will be a serious challenger for the NBA crown.

The New York Knicks will be coached this season by Eddie Donovan, former coach at St. Bonaventure College. Donavan will attempt to lead the Knicks back to the top of the NBA, a position they held a few seasons back. Leading the attack for the Knicks are veterans Willie Naulls, Charley Tyra, Rich Guerin and John Green.

Guerin can be remembered as the high scoring ace of the Quantico Marine team which was defeated by the Barons four seasons ago on the Steubenville High School court. Guerin tossed over 30 points in that contest. The Knicks also will have their finest rookie crop in history although they have lost Tom Stith, last season's leading college scorer, who is ill. His brother, Sam Stith is now a member of the squad.

The great Robertson, three time collegiate scoring leader and All-America, was named the NBA "Rookie of the Year" last season. The "Big O" had a 30.5 scoring average and broke Bob Cousy's NBA assist record with a 9.7 average. He was the league's third leading scorer with 2,165, 4th in field goal percentage, 47.2, 9th in foul tries, 82.2, top rebounding guard, 716, and most valuable player in last January's NBA all-star game at Syracuse when he scored 23 points in 34 minutes and had 14 assists.

The "Big O" was the leading figure in the last Olympic games as he led the American team to the championship. Last year he scored 45 points twice, went over 40 points nine times and over 30 points 44 times.

Jack Twyman, the second half of the Royal's one-two punch, has been among the NBA scoring leaders during his six seasons in the league. Last year he averaged 25.3 points and hit for 49.00 percent from the field. His 2,338 points two seasons ago was the second best scoring season in the NBA history.

Twyman is the guardian for ex-Royal Maurice Stokes who was stricken with a mysterious brain injury in 1958 and has had complete charage of the fund raising campaign to aid Stokes.

Ticket prices for the game are: $2.00, box seats; $1.50 and $1.25, reserve seats; $1.00, general admission.

Red Mihalik, popular national collegiate official from Pittsburgh will be one of the officials for the game. The other official will be a regular National Basketball Association official.

Panthers Picked To Win Grid Opener Over Miami

By HAROLD CLAASSEN

PEBBLE BEACH, Calif. (AP) —Punts or putts? Touchdowns or tee shots? Halfbacks or hooks? Picking this year's first football winners at the scene of the National Amateur Golf Tournament.

Pittsburgh over Miami: Your first TV dish of the season. The visiting easterners are proud of their line, bulwarked by Kaltenbach and Vignali.

Iowa State over Drake: Once this one was the climax of the year for both clubs, now it is the opener with Big Eight Cyclones the heavy favorites because of their dedication.

West Virginia over Richmond: The Mountaineers are on their way back with Holdinsky and Colvard leading the way.

San Jose over Brigham Young: If you can't run the hundred in 10 seconds flat, there's no need for you to try out for the San Jose backfield.

Virginia Tech over William & Mary: Tech is the favorite for the Southern Conference title but William & Mary has a batch of newcomers who could be tough.

Wyoming over Montana: Football is a way of life with the Wyoming students.

Florida State over George Washington: The new regime at George Washington gets off on the wrong foot. This could be the year Florida State reaches it much desired big-time rating.

Skipping over the others in a hurry:

SOUTH: Virginia Military over Marshal, Memphis State over The Citadel; Furman over Presbyterian, Catawba over Davidson.

MIDWEST: Cincinnati over Dayton; Miami over Villanova; Wichita over Toledo.

WEST: New Mexico state over Arizona State of Flagstaff; Utah State over Texas Western; Utah over Colorado State University.

Wellsville Assistant Takes New Athens Post

Carl Firm, an assistant coach at Wellsville High School for the past four years, has accepted a post as head basketball coach at Athens Union Local High School at New Athens.

Located in Harrison County, Athens Union has an enrollment of only 58 in the high school grades, and plays against such Class A teams as Jewett, Scio and Adena.

The Athens Bobcats failed to win a game the entire season last year under Coach Don Love. Love remained at Athens Union as a teacher.

Firm moved on from Wellsville after turning out some outstanding squads in his four-year tenure as reserve basketball coach.

A graduate of Toronto High School and Kent State University, Firm will teach history at Athens Union. The school is in Franklin Township of Harrison County.

Supt. S. E. Daw said that James Criss, a graduate of West Virginia University, has been employed to fill Firm's vacancy.

Negroes Declare They'll Play In 49ers' Opener

REDWOOD CITY, Calif. (AP)—Negro players on the San Francisco 49er squad said Tuesday they will play in their team's National Football League opener against the Washington Redskins Sunday.

The nine players had been asked by the Congress of Racial Equality (CORE) and the San Francisco chapter of the National Association for the Advancement of Colored People to refuse to play because the Redskins have never hired a Negro player.

Defensieve back Abe Woodson, selected as spokesman for the players, said, "This is different from situations where there are segregated audiences and things like that."

Even College Teams Have Representatives

COLLEGE PARK, Md. (AP) — Even college football teams have player representatives.

But when tackle Roger Shoals of the University of Maryland goes to see Coach Tom Nugent, they don't discuss pension plans.

They talk over such matters as length of workouts, time of the preschool bed checks, and other player-coach problems.

"The other day," Nugent said, "they even asked if we could hold longer practice sessions."

Boosters To See Film Of Salineville Contest

SALINEVILLE — Films of the Salineville-Greenford grid game will be screened at a special meeting of the Athletic Boosters Club tonight at 8 at the high school cafeteria.

The executive committee will be elected. Warren Dunlap was re-elected president of the group at a meeting last week. Other officers are Gillis Earl, vice president; Miss Carolyn Malone, secretary, and Bill Tolson, treasurer.

FIELD AND STREAM

By R. L. LIDE

Have you seen Beaver Creek down along the Pennsylvania line lately?

A good portion of the creek now has been claimed by the Ohio River since the New Cumberland dam has been installed. What were once good fishing waters with lacy white riffles and deep pools are now a back-wash with floating debris and an odor.

This is the result of what is known as progress?

I have been informed by news releases that the migratory waterfowl season opens at noon Oct. 20. I do not have the laws regarding ducks and geese, so I will have no correct information until I receive the laws.

—:—

SQUIRREL SEASON opens Friday at daylight. Squirrel hunters should pick up a digest of the laws before going hunting.

Ohio has zoned the squirrel hunting in what is known as Zone 1 and Zone 2. Both zones come in on the 15th, but the season is shorter in Zone 2 than Zone 1. But there is no reason for anyone to be confused.

Local fishermen are enthused about the possibilities of fishing at the Salem reservoir. I would advise you to "hold your horses boys" until it has been made legal; also wait to learn what the rules and regulations will be if and when fishing will be permitted.

Several years ago my supervisor and I met with Salem Council in an effort to get an easement with the Ohio Division of Wildlife to provide public fishing, and things appeared to be rosy. The easement was returned to district headquarters, with the request certain changes be made. This was done. Months later I had instructions to find out why the easement was withheld. I was told bluntly by Mr. Aubrey Hayes that the city of Salem did not want the state of Ohio to have anything to do with the reservoir. That is where it ended.

—:—

IN THE MEANTIME, the state engineering section went ahead and surveyed the area which was designated as the parking lot. Also, plans were drawn to provide sanitary facilities, a well was to be drilled and areas posted as out of bounds, where no shore fishing would be allowed, etc. All this was to be done at state expense and the money was appropriated for this purpose. Now I don't know what the state will do, since this will have to come from the front office.

One thing I feel sure about — if fishing is ever allowed there, it will be "hot" for awhile, with bluegills, bass, catfish and other creek fish.

After the fish become "educated" it will be like most other lakes. You will have to work to catch the fish, since they won't hit anything you toss at them.

Meantime, the reservoir should be test-netted to find out what kind of fish exist. No one has any way knowing if any of the walleyes stocked there a few years ago actually survived.

At least it appears that the "no-license, no-permit, no-nothing fishermen" have been checked for the time being and this little fisherman's paradise will be visited by "sneak-ins" only.

Williams To Return To Barons Full Time

CLEVELAND (AP) — Defenseman Tommy (Red) Williams will return to the Cleveland Barons hockey team on a full time basis this season.

Jack Gordon, Barons general manager, said Tuesday night Williams will join the Barons at trainig camp in St. Thomas, Ont., next Saturday. Williams saw part-time service in 29 of the Barons' home games last year.

Ohio 5-Day Forecast

NORTHERN OHIO — Temperatures will average six to 10 degrees below normal. Turning cooler Thursday and much cooler Friday through the weekend, warming Monday. Rainfall will average one-half to three-quarters of an inch in showers tonight and Thursday, and scattered light showers Friday, then dry thereafter.

SOUTHERN & CENTRAL OHIO —Temperatures will average seven to 10 degrees below normal. Turning cooler Thursday, slow moderation by the weekend. Rainfall will average three-quarters to two inches, with locally heavier amounts, in rain and scattered thunderstorms tonight and Thursday, no important amounts thereafter.

The 1967 University of Texas football schedule is now complete except for two games.

Browns Cut To 36 Limit

Cleveland Will Keep Six Rookie Gridders In 1961

CLEVELAND (AP)—Six rookies will be on the Cleveland Browns' roster in the season opener against the Philadelphia Eagles at Franklin Field Sunday.

They are John Brewer, a defensive end; Charley Ferguson and Bobby Crespino, offensive receivers; Tom Watkins and Preston Powell, running backs, and Ed Nutting, an offensive tackle.

Duane Putnam, obtained from the Los Angeles Rams to replace the injured Gene Hickerson at guard, is another new face.

The Browns got down to the National Football League limit of 36 players Tuseday by sending Billy Gault and Jim Marshall to the Minnesota Vikings.

None of the newcomers is slated for a regular role at present. Brewer, formerly of Mississippi, is the extra defensive end. Watkins, of Iowa State, will play behind Bobby Mitchell at halfback, while Powell is Jim Brown's understudy at fullback. Ferguson, from Tennessee State, will work behind flanker Ray Renfro.

Crespino, first draft choice from Mississippi, is the understudy for Rich Kreitling at end. Nutting was drafted as a "red shirt" but passed up a final year of football at Georgia Tech to try for the team. Putnam is the swing guard. He's worked at both sides.

The breakdown by positions:

DEFENSE — Halfbacks: Bernie Parrish, Jim Shofner, Bobby Franklin, Don Fleming and Ross Fichtner. Linebackers: Walt Michaels, Vince Costello, Galen Fiss and Dave Lloyd. Tackles: Bob Gain, Floyd Peters and Larry Stephens. Ends: Jim Houston, Paul Wiggin and John Brewer.

OFFENSE— Quarterbacks: Milt Plum and Len Dawson. Fullbacks —Jim Brown, Preston Powell and Sam Baker. Halfbacks: Bobby Mitchell, Tom Watkins, Ray Renfro and Charley Ferguson. Center: John Morrow. Guards: Jim Ray Smith, John Wooten and Duane Putnam. Tackles: Mike McCormack, Dick Schafrath, Ed Nutting and Lou Groza. Ends: Rich Kreitling, Gern Nagler, Leon Clarke and Bobby Crespino.

Virginia is the only member of the eight team Atlantic Coast Conference that has never played in a football bowl game.

Nicklaus, Coe, Ward Advance In Amateur

By JACK STEVENSON
Associated Press Sports Writer

PEBBLE BEACH, Calif. (AP) Three former champs and an Irish belter kept the United States Amateur Golf championship from being completely wide open today in play that will see only 36 survivors by nightfall.

Defending champion Deane Beman fell Tuesday before veteran Billy Joe Patton, but ex-titlists Harvie Ward Jr., Charlie Coe and Jack Nicklaus all whipped through the second round.

So did three-time British champion Joe Carr of Ireland, a witty fellow who laced a couple of drives about 300 yards while overwhelming Claude Wright of Englewood, Colo., 6 and 5. Not in 29 years has a foreigner won the U.S. Amateur title.

Exacting conditions of play over the 6,747-yard Pebble Beach course, with small greens, and weather conditions that vary almost hourly, give the advantage to the experienced golfer.

Even the dark horses were golfers with experience—Bob Gardner of Elmsford, N.Y., two-time former California champ and last year runner-up in the National to Beman and ex-pro Glen Fowler of Oklahoma City, both sub-par shooters the past two days.

Patton, 39, ousted Beman 2-up. The 1960 champ missed six putts of eight feet or less as his usually reliable putter failed.

Ward was 2 under par in dispatching Harlan Lane of Houston, 7 and 5, to put him against Dudley Wysong Jr., of McKinney, Tex., today. The San Franciscan, national champ in 1955 and 1956 didn't lose a hole. Wysong beat Andy Gard of Wayland, Mass., 2-up, after Gard staged one of the few first-round upsets by eliminating ex-Walker Cup star Bill Campbell.

Oklahoma City's Coe, titlist in 1949 and 1958, triumphed 5 and 4 over John Nichols of Downey, Calif. Nicklaus, even after nine, rallied to win the next three holes against Oregon champ Donald Krieger of Portland and go on to a 4 and 3 triumph. The big blond from Ohio State drew Bill Edwards of Garden City, N.Y., today. Edwards advanced with a 2 and 1 triumph over Dick Giddings of Modesto, Calif.

Congressman Jack Westland of Everett, Wash., national champion in 1952, went to the sidelines with Beman as collegian Frank James of Grinnell, Iowa, beat him 6 and 4.

Wilson Madden of Elyria, Ohio, was defeated 1 up in the second round by Ralph Bogart of Chevy Chase, Md.

35 At Scout Group Outing

Thirty-five attended the annual steak fry held Tuesday night at Wellsville Hammond Park for members of the Cherokee District Boy Scout committee, wives and guests.

Bill Rayburn, camping and activities chairman, was cook, assisted by Frank Rossi, district vice chairman.

Thomas Snow, chairman, conducted brief business. Rayburn reported on a Polar Bear Camp to be held in January.

Jerry D'Angelo, advancement chairman, reported the Eagle Board of Review had met at his home for Jerry Hoskinson of Troop 59 of Wellsville.

Kenneth Mugridge, the Shawnee District executive, and wife were introduced.

Rossi, nominating chairman, reported a slate of officers has been selected and will be voted on at the next meeting.

Robert Gray, district executive, reported on the increase of membership in the district. Alton West, a member of the district health and safety committee, was in charge of the closing.

A training course for adult Explorer leaders will be held Sunday at 5:30 p. m. at the Jaycee Hall in Wellsville. Snow will be in charge.

The Wellsville Jaycees and the Yellow Creek Presbyterian Church both are planning to sponsor an Explorer Post, along with the Salineville Presbyterian Church. The program is open to boys from 14 to 18.

Del Mar Race Track Ends Its Best Season

DEL MAR, Calif. (AP) — Del Mar racetrack concluded its most successful season in its 22 years of operation Tuesday.

Attendance total for the 42-day meeting was 448,819, an increase of 1.9 per cent over last year. A track record was set in wagering this season — $39,535,242. It represented an increase of 8.8 per cent over last year.

Quota Club Will Sponsor Travel Adventure Series

Final arrangements for sponsoring "The World Travel and Adventure Series" to be presented at Westgate School were made at the luncheon meeting of the Quota Club Tuesday afternoon at the Travelers Hotel. Nineteen attended.

Miss Gladys DeBolt, chairman, announced the speakers will be Stoneall O'Brien, "Switzerland," Oct. 17; Theodore Bumiller, "Germany", Oct. 24; Robert Davis, "Arizona Utopia," Oct. 31, and Gordon Palmquist, "Japan," Nov. 7.

Tickets for the series are adult, $3; student, $1.50; and for single admissions, $1 for adults and 50 cents for students. Patron tickets will sell at $5 and these lists will be printed and attached to the program for each event.

Committees named were Mrs. Laura Reinacher, Mrs. Dorothy Horsley, Mrs. Mildred McKim, Mrs. May Hartt, Mrs. Jeanette Carpenter, Miss Mildred McGregor, Mrs. Rebecca Turk, Mrs. Marie Hays and Mrs. Edna Jones, contact; Mrs. Margaret Duffy, Mrs. Irma McGarey, Dr. Edith Gilmore, Mrs. Janet O'Hara, Miss Phyllis Crook, Mrs. Carpenter, Mrs. Jones, Mrs. McKim and Mrs. Hays, program.

Mrs. Louella Thompson, finance; Mrs. Horsley and Mrs. Clara Hall, publicity; Mrs. Carpenter and Mrs. Hays, tickets and ushers; Miss McGregor and Dr. Gilmore, patron tickets, and Mrs. Horsley, literature.

Mrs. Ellen McLain, first vice president, presided in the absence of Miss Crook, president. Mrs. Ila Shingler read the minutes and Mrs. McGarey, the financial report.

Mrs. Eleanor Boice reported on contributions for the Kent State Scholarship fund. Mrs. McKim distributed the new program booklets.

An invitation was read from the Dahlia Club to attend the fall show Sept. 16-1 Saturday and Sunday at Westgate School. Mrs. Carpenter gave the project report.

Announcement was made of a change in delegates for the annual conference of District 6 Sept. 22-24 at Columbus. Those named are Miss DeBolt and Mrs. Reinacher, delegates, and Mrs. McLain and Mrs. Shingler, alternates.

The speech and hearing clinic will open Sept. 23 at Westgate School. Those interested may contact Miss McGregor.

Miss Justine Miller, membership chairman, reported she will read lists of majors and minors in classifications at each future meeting.

Next meeting is Sept. 26 with Mrs. Hilda McEwen of St. Clair Ave. Mrs. Doris Corns, Mrs. Horsley and Mrs. Mary Daily comprise the committee.

Wellsville Band Will Attend KSU Event On Sept. 23

Ted Koenig, director, announced at the meeting of the Wellsville Band Parents Monday night that the Wellsville High School band will attend annual Band Day ceremonies at Kent State University Sept. 23.

The group, which met at Daw Junior High School, will finance the trip. Twenty-nine attended. William Ferrall, president, conducted business.

Mrs. Mary Clark, social chairman, announced plans are being made for an awards banquet for the marching band at the close of the football season.

Following the banquet, a record hop and entertainment will be provided for the members and their dates. Tickets will be available for any parent desiring to attend the banquet.

Mrs. Anthony DeSarro, chairman of the majorette uniform committee, announced material for 15 new majorette uniforms has been ordered. It is hoped they will be ready for the next home game.

Next meeting is Oct. 9.

Lions At Cumberland Hear Weirton Guest

NEW CUMBERLAND — Charles I. Jones of Weirton addressed the Lions Club on "Juvenile Delinquency" at Tuesday night's meeting in Swaney Memorial Library.

A teacher at Broadview school and pastor of the Nessly Chapel, Jones discussed the work of the Weirton Christian Center and outlined duties of civic organizations in combatting delinquency.

Atty. Edwin Flowers, president, conducted business. Reports on the club's free community fair held over the Labor Day weekend were presented by Squire John D. Herron and W. C. Jones.

Representatives of the six Northern Panhandle clubs convened later with Pete Hamilton of Wellsburg in charge.

Order Reigns In Dominican After Rioting

CIUDAD TRUJILLO, Dominican Republic (AP) — Tanks and troops restored order today after rioting by opposition political groups left four dead and more than a score injured.

The violence was sparked by the arrival of a four-man team from the Organization of American States Tuesday. They are investigating the possibility of lifting some of the diplomatic and economic sanctions on the Dominican regime that took over after the assassination of Generalissimo Rafael L. Trujillo last May. The opposition fears this would entrench Trujillo's heirs in power.

There were conflicting versions of what happened near Duarte Bridge over the Ozama River around noon Tuesday, when a crowd of about 5,000, mostly from a nearby working class neighborhood, gathered to greet the OAS delegates.

Opposition eyewitnesses claimed that a car filled with armed forces and plain clothes police jumped out of their unmarked car and fired pistols and automatic rifles into the crowd.

But Col. Marcos Jorge, chief of the national police, said an air force sergeant, Victoriano Cruz Hernandez, was angered when the crowd stoned his car, emptied his revolver into the demonstrators and then fired his automatic rifle. Cruz Hernandez was turned over to civilian authorities for investigation, Jorge said.

The OAS caravan was chased about a mile toward the city by the crowd. Demonstrators chanted "liberty" and "brutality" and beat on the cars. Some carried placards deriding the U.S. representative, deLesseps Morrison, for accepting a medal from Trujillo. He has said the State Department advised him to accept it.

Some of the opposition leaders claim the police have provoked numerous riots—killing more than a dozen demonstrators in past weeks—and are trying to weaken the opposition by branding it as pro-Communist.

While President Joaquin Balaguer is the nominal head of the nation, the real power is generally considered to rest in the hands of Gen. Rafael L. Trujillo Jr., chief of the armed forces and son of the slain dictator.

Teachers To Get Tuberculin Test

LISBON — The Columbiana County Public Health League said Leetonia teachers will be given the Heaf test on Friday. Positive reactors will be referred to the mobile X-ray unit which will operate on the Square at Leetonia Tuesday from 2 to 5 and 6 to 9 p. m., according to Miss Lillian Schroeder, executive director.

The league is pushing the policy of tuberculin test first, taking chest X-rays on only the positive reactors.

Employes were examined recently at two plants in East Palestine — the Kenmar Manufacturing Co. and the Royal China, Inc., and of the 300 test, 37 or 10 per cent needed chest X-rays for tuberculosis.

It is possible by means of this simple Heaf skin test to find out who is now infected with TB germs. Most new cases of tuberculosis will come from those people now infected, she said.

Persons who show a negative reaction to tuberculin year after year do not need chest X-rays to find TB. Persons who show a positive reaction have been infected and can be checked annually by the chest X-ray to be sure they do not break down with the disease, Miss Schroder added.

Negley Church Plans Country Style Fair

NEGLEY — A country style fair will be held Saturday at the Negley Methodist Church, featuring a bazaar tent, public dinner and home talent show.

Proceeds will be used for the church building fund. The fair will begin at noon. The bazaar will include a country store, baked goods, candy shop and fancywork.

A chicken and ham dinner will be served from 5 to 7 p.m., and a home talent show is slated for 7:30.

Senate Vote Kills Chances

Kennedy Takes Political Setback Over School Aid

WASHINGTON (AP)—President Kennedy took a prestige-denting political licking when the Senate sided with the House in voting to continue two school aid programs until 1963.

For all practical purposes this action, accomplished Tuesday on a 45-40 Senate vote, probably means that Kennedy will not get the full-fledged aid to education program he is certain to propose again next year.

Congress may enact some fringe benefits for colleges in 1962, but the classroom construction and teacher salary assistance he has plugged for seems to have little chance for enactment. The House pigeonholed a measure of this nature after it had been passed by the Senate.

The theory is that these controversial proposals need to be sugar coated with extension of the popular impacted areas and National Defense Education Act programs. The first of these gives federal aid to school districts crowded with children of federal workers. The second provides scholarship grants as well as loans for scientific equipment.

Kennedy showed he was well aware that the extension of these two programs for two years, as the House and Senate now have voted, would make it difficult to get any education legislation thru next year.

He wrote Senate Democratic Leader Mike Mansfield of Montana urging a one-year extension so the impacted areas and NDEA programs could be re-examined in 1962.

Mansfield read the letter to the Senate shortly before it voted on a proposal by Sen. Wayne Morse, D-Ore., for a one-year extension of both measures. But the President's prestige wasn't sufficient in this case and a 45-40 defeat resulted.

Breaks Out In Rash

Girl, Allergic To Boys, To Attend All-Girl School

LOUGHTON, England (AP) — Jane Reeve, who breaks out in a rash when she mixes with boys, has won her battle to save her schoolgirl complexion.

She gaily skipped off today to an all-girl school where there'll be no boys to bring out those ugly blemishes.

Jane, 11, is allergic to boys. Boys make her nervous. That brings on the rash.

Finishing at her girls' school, Jane was threatened with a rash of rashes when she was assigned to a coed high school in this town just outside London.

Her father, Leslie Reeve, protested to the local educational authorities. He told them about the rashes.

The authorities turned down his request that Jane be allowed to attend the local girls-only school. That school, they said, is full.

Even a doctor's certificate, pointing out Jane's strange ailment, wouldn't budge them.

Until Tuesday, that is, when the authorities, after thinking things over, decided that in the interests of her health Jane should go to a girls' school.

An education official said: "It is felt that, in view of Jane's extreme nervousness, there is justification for her to be allowed to attend a single-sex school."

He said a place had been found at a girls' school a few miles out of Loughton.

Boosters To Hold Harvest Festival

Further plans for the annual Tri-State Harvest Festival Sept. 22-23 were made at a meeting of the Beaver Local Boosters Club Tuesday night at Beaver Local High School.

The festival committee, headed by George Gaydos, will meet Thursday night at 7 at the high school to make final preparations.

Mrs. Dorothy Smith of West Point is refreshments chairman for the event. Beaver Local will play Union Local Sept. 23 in a night game climaxing the fair.

Plans were made to feed the football team after home games. It was announced a whirlpool therapy machine for high school athletes, purchased by the club, is in operation.

Mrs. Charles Smith, vice president, was in charge. Twenty attended. Next meeting is Sept. 26.

10 Hurt In Crash

CLEVELAND (AP)—A car and a Cleveland Transit System bus collided on the Eagle Road ramp Tuesday, injuring 10 persons slightly. The driver of the car and his passenger were held by police for investigation.

Cook chicken livers in butter and chop; add to scrambled eggs just before the mixture sets. Nice for lunch or brunch.

Bringing Up A Family

By GARRY C. MEYERS

All Can Learn From Jewish Holidays

Dr. Garry Meyers

No matter what our religion or philosophy of life may be, there is something for us and our children to gain culturally and spiritually from knowing about and appreciating the special holidays celebrated by children and parents of the Jewish faith. Jewish children and their parents, along with their fellow Americans, celebrate January first as the national legal holiday. Also they still observe Rosh Hashanah as their religious New Year, according to Biblical instruction: "On the first day of the seventh month you shall have a holy convocation; you shall do no laborious work. It is the day for you to blow the trumpets."

—:—

MANY PEOPLE of Orthodox and Conservative synagogues celebrate Rosh Hashanah for two days in accordance with ancient tradition. Other Jews, of Reform synagogues, observe this holiday season for only one day.

On Rosh Hashanah eve, the family celebrates with a festive dinner. The father says the Kiddush, a blessing over the holiday cup of wine, and gives some to each member of the family.

A beautiful custom of Rosh Hashanah is the eating of an apple or some other fruit dipped in honey, to express the hope that the coming year may be full of sweetness.

Morning services are held in the synagogue. There the congregation prays to God to speed the time when all the people of the earth shall be brothers, and wickedness and tyranny shall pass away like smoke into the sky.

This is a prayer all of us, regardless of our faith, might also pray fervently.

—:—

TOO, DURING the services, a section is read from the Sefer Torah, a parchment scroll which contains the first five books of the Old Testament. The portion read tells the story of Abraham and Isaac, reminding the congregation that they, too, must renew their faith.

To the average Jewish child the most important ceremony of the day is the blowing of the shofar. Made of a ram's horn, it has a piercing sound. It was used in ancient times to call the people together for emergencies or special assemblies. Blown in the synagogue now, it reminds the congregation of the need for doing good and for living honorable and God-fearing lives.

Reminded so recently by the Eichmann trial of the murder of 6,000,000 Jews by the Hitler regime, just because they were Jews, we who call ourselves Christians might gain inner richness of soul if we and our children were to pause for a few moments in silent reverence in honor of those 6,000,000 martyrs.

My bulletin, "The Young Child and Religion" and "Graces and Prayers for Young Children," may be had by sending a self-addressed, stamped envelope to me in care of this newspaper.

Navigation Unit Will Inspect Dam

The "Gateway Clipper" of Pittsburgh will bring a delegation of 35 navigation experts to the Stratton Dam for a tour Sept. 20 at 2 p.m.

The group, comprised of experts in the fields of inland and ocean navigation on a global scale, will see navigation developments in this area as guests of Pittsburgh industrial and federal navigation interests.

The group is presently meeting ing in Baltimore as delegates to the XXth Permanent International Association of Navigation Congresses.

Its membership includes port officials, government leaders in shipping, transportation and marine engineering and technical people from firms and organizations who study ocean and inland waterway construction, port development, the mooring of ships and navigation aids.

Keep In Trim

By IDA JEAN KAIN

Vacation Pounds Must Be Trimmed

Ida Jean Kain

Everybody loves to eat . . . particularly when on vacation on the American plan. If calorie caution is tossed to the sea breezes, it's no trick at all to pick up three to five extra pounds. Alas, those five pounds can get you t e n! Why?

You upped your "appestat," the name Dr. Norman Jolliffe gave the appetite-regulating mechanism.

Just two weeks of overeating can elevate the appestat and upset the natural habit pattern that regulates your food intake.

Don't worry about the three to five pounds — just get busy and take them off before they become a fixture. Recently - added fat is easiest to remove. You're not stuck with those vacation pounds.

—:—

HOW LONG will it take to get your appetite back under control? About five days. Plan meals that stick to the ribs and provide the greatest carry-over of energy.

Make protein the backbone of each meal since protein pulls its own weight. Protein foods not only stimulate body metabolism, but the body takes several hours to convert half of the protein into sugar. What this means in terms of hunger control is that a meal which includes a complete protein food stays by you longer.

On vacation you enjoyed a good breakfast. This would be a good time to establish the habit pattern for eating breakfast. Oh, not half a dozen hot cakes with syrup and sausages . . . but an adequate breakfast of egg and toast or hot or cold cereal with milk. If you wish to have a small serving of cereal with milk, plus an egg, have them.

On the breakfast score, keep this in mind. Food alone causes an increase in metabolism. The effect of food in raising metabolism is termed its specific dynamic action. Within an hour after a meal, metabolism begins to rise and reaches its peak in about three hours.

Protein causes the greatest rise in metabolism . . . therefore protein at the morning meal is in the interest of hunger control and slimming.

Reason this out for yourself. When you start the body working in the morning, you get the benefit of revved-up metabolism for many more hours than you do when breakfast is skipped.

—:—

OF COURSE, there is more than one way to overeat. On vacation, most likely rich desserts boosted the calorie score. When dessert comes with the meal, it is not easy to turn it down! Now that you're back home, cut out the high calorie desserts. Finish the meal with fruit or cheese and a beverage.

Summed up: If you enlarged your food capacity, cut your appetite down to size with smaller meals, well-planned so as to control hunger most effectively. You'll be so glad you did!

Send a long, self-addressed, stamped envelope for "Revised Calorie Chart." Address your request to Ida Jean Kain, in care of this newspaper. Postcard requests cannot be answered.

Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann Landers: I've been staring at this piece of paper for 30 minutes trying to figure out how to put my problem into words. I decided the logical place to start was at the beginning, so I began to review my troubles as objectively as possible.

To my surprise, the incidents which lead up to the present mess fell into a pattern which, for the first time, made some sense.

Now that I've thought things through I see the solution clearly. So you see, Ann Landers, you help people by just being around.

Maybe this letter isn't worth mailing, but since I've finished it and the envelope is stamped I'm going to send it.—PROBLEM SOLVED.

-:-

Dear Solved: I'll never know how many readers start to write and then find the solution in the telling. Usually the letter goes into the wastebasket. I'm delighted you mailed yours. Thanks for the day brightener.

Golden Silence

Dear Ann: I work with a delightful young woman. She's about 25, attractive and thoughtful. Everyone in the office loves her. Although I'm old enough to be her mother, we're more like girl friends, which of course is flattering to me.

Several months ago she married a handsome man. She seemed very much in love with him and beamed when she showed us her ring. Somehow I feel that he lacks the warm, human qualities which are important in a marriage.

Twice in the last few months she has come to work with a black eye and once with a swollen lip. She said she fell down the stairs, bumped into a cupboard, etc., etc.

Her disposition is no longer sunny. She seems depressed. Everyone has noticed a marked change.

I suspect her husband is the cause of her unhappiness. I want to help her. What can I do?—A FRIEND.

-:-

Dear Friend: Your silence during these difficult times is undoubtedly very much appreciated. She'll open up only if she feels comfortable about it. Until then—say nothing.

Father-In-Law Pest

Dear Ann: I'll bet your readers are sick of hearing complaints from women about "my husband's mother hasn't bothered me in years. She died in 1954. It's his father I can't stand.

Since he moved into this same apartment building there is no such thing as privacy. He has a key to our front door and barges in at any hour of the day or night. He has dinner here regularly and often brings some stumble bum or trampy bar fly. He uses foul language in front of our children and slips them money behind our backs.

I could write a book but I think you have the picture. My husband says he can't tell his dad to stay away. Besides, he points out, the rent here is very reasonable and we are close to everything. What's the answer?—GETTING CRAZY.

-:-

Dear Getting: You're close to everything, all right—including a nervous collapse. Even if you could live in the building free, it would be too expensive in terms of your mental health.

The answer is to move. Once you are in another building you can establish new house rules. It could be a fresh beginning and a new way of life.

Confidentially

TO CAN'T CONTROL HIM: Your boy friend has a one-track mind and from your description the traffic is very light. Drop him and find a young man whose ideas are more like yours.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a stamped, self-addressed envelops.

How Can I?

By ANNE ASHLEY

Q. Can you suggest an emergency repair when the wire or ribbon element of a toaster or similar electrical appliance breaks?

A. Place the broken ends together, sprinkle with a little borax, and turn on the current. The resulting electric spark will fuse the broken ends, and your element should be restored to working efficiency.

Q. How can I store quinces?

A. Place quinces carefully in a barrel, using only prefectly sound fruit. Fill the barrel with water, fasten on the head of the barrel, and put in a cool place. If done properly, the quinces will keep all winter.

Q. How can I remove watermelon stains from linen?

A. By applying pure glycerin to the spot, alowing it to remain for a few minutes, then washing.

Stroke Of Luck

TOPEKA, Kan. (AP) — Carol Sue Kebert, 4-year-old daughter of Mr. and Mrs. Jimmie Kebert, kept playing with a lever on a hay rack until the tines were released. But her parents don't mind. When they checked the tines, they found she had released them at just the right moment to pin a two-and a-half foot copperhead snake.

'Hams' To Offer Instruction For Radio Operators

A course in amateur short wave radio will be offered to district adults and young people interested in obtaining an amateur radio license, including Citizen Band operators who want to become "hams."

The Triangle Amateur Radio Club at a meeting Monday night agreed to offer a course in basic theory and code if a sufficient enrollment is obtained.

Registration will be held Monday night at 7 at Room 209 in the high school building to determine how many want to take a course which would lead toward a Federal Communication Commission test for a novice license.

The course is offered Citizen Band operators who would like the broader operating privileges of licensed "hams" and to others interested in short wave radio operation in line with Civil Defense posts or preparation for communications work in the armed services.

Charles Burke, president, said the club had not originally planned a course this fall, but because of the interest of some Citizen Band operators along with the stepup in defense programs requiring trained operators, it was decided to offer the instruction.

About 20 attended a meeting of the club last night at the Smith St. quarters. Discussion was held on radio theory and problems. Refreshments were served.

Deadline's Sept. 30 For 'Mrs America'

The Ohio Valley Gas Co. issued a reminder today less than a month remains for East Liverpool area homemakers to enter the 1961 "Mrs. America" contest.

H. E. Sneddon, division manager, said the deadline is Sept. 30 for the $40,000 contest, held annually to discover the nation's outstanding homemakers, and is open to all married women over 21.

The contest will begin with the selection of "Mrs. East Liverpool" the week of Oct. 9. The winner will advance to the district cook-off Oct. 20 at Martins Ferry. The "Mrs. Ohio" finals will be Nov. 1-2 and the Mrs. America finals will be in Fort Lauderdale, Fla., in November. Applications may be obtained at the gas company office.

Pentagon Might Buy More B52s And Push B70s

WASHINGTON (AP)—A strong possibility arose today that the Pentagon may reverse itself to recommend buying more B52 bombers and push development of the 2,000 m.p.h. B70 bomber.

Final decision will be up to President Kennedy, acting on any recommendation Secretary of Defense Robert S. McNamara might make.

The matter is under study, the Pentagon said in response to a query from a reporter who noted that almost a month has passed since Kennedy signed the $46,662,556,000-defense appropriation bill.

Since the bill took effect Aug. 18, there has been no word on what would be done with the nearly $700 million Congress added on for more long-range bombers, which the administration said were needed, and for accelerated development of the B70, which the administration sought to cut back.

Air Force officials said they were optimistic that McNamara would change his opposition to spending more millions for these purposes.

By HAL HUMPHREY

We're Winning The Show Biz War In Berlin

Our strategy for licking the Berlin situation is fairly obvious now. We're going to demoralize East Berliners and their Russky bosses with television entertainment. Last week we had Jack Paar over there to do the job. CBS already has announced that Ed Sullivan and a jet load of stars will descend on Berlin the first week in October. (Actually, the CBS communique said "a Pan American" jet, which proves business is going on as usual in the plug department.)

Hal Humphrey

We're not being told, of course, about all of the TV stars headed for Berlin — for tactical reasons.

For example, only those of us very close to TV's high command know that Arthur Godfrey hasn't really quit the "Candid Camera" show. Instead, Arthur and a group of camouflaged cameramen are right now laying concealed around the Friedrichstrasse crossing.

-:-

WHEN A WOULD-BE refugee looks as if he is thinking of bolting for West Berlin, Arthur (disguised as an American general) interviews him. If the guy doesn't know who Arthur Godfrey is, or the latest number of home runs hit by Mantle and Maris, he is summarily sent back to East Berlin authorities — but not before he is told that he just starred on "Candid Camera."

It's a very funny routine, and Arthur laughs and laughs.

The whole point, you see, in sending our TV programs and stars to West Berlin is to prove to East Berliners that we don't give a darn. How can we be worried about anything Khrushchev says if we're busy watching Jack Paar and Ed Sullivan?

-:-

UNFORTUNATELY, Paar did not play the game the way he was supposed to. Instead of being the gay, carefree self (he didn't even tell a water closet joke), Parr got smitten with the seriousness of things.

"The Berlin crisis warrants sober consideration, and I intend to treat it that way," Paar said in a transatlantic phone call to his producer back in New York, shortly after Paar landed in Berlin.

Well, of course, this almost spoiled the whole gag. East Berliners who saw that "my-this-is-awful" look on Paar's phiz decided we really had the wind up. Either that, or we had run out of headache tablets.

-:-

THIS IS THE REASON Ed Sullivan has been drafted for a quick trip to Berlin. Ed never has been known as a laughing boy, even in East Berlin. But when he gets over there, the idea is to have Ed laughing things up a la Godfrey. When the Russians and East Germans see that, we may be asked to occupy East Berlin.

In some high TV quarters there have been fears that Khrushchev might see through our little deception and counterthrust with a troupe of Bolshoi Ballet artists, trained bears or singing Cosmonauts.

If each side assembled at the Brandenburg Gate with a panoply of entertainers, the Berlin crisis might be stalemated indefinitely, or so some Washington observers believe.

-:-

PERSONALLY, in a battle such as this, I think the United States is better armed than Russia can ever hope to be. If things really got tough, we could throw in the Katzenjammer Five — Frank Sinatra, Dean Martin, Sammy Davis Jr., Peter Lawford and Joey Bishop.

This group could infiltrate the Eastern sector of Berlin for a one-night party on the town and prove that nuclear weapons already are outmoded as an effective way of destroying civilization.

We have priceless reserve forces, too. There are Liz Taylor and Eddie Fisher, typical young Americans fighting to prove that millions of dollars are no handicap to happiness.

-:-

HOW COULD the Russians withstand a one-woman concert from Judy Garland? Or a re-creation of John Wayne's battle to save the Alamo?

And emceeing the whole affair would be Bill ("Price Is Right") Cullen, jumping up and down and shouting in maniacal tones, "What am I bid for West Berlin?"

2 City Bank Groups Await Canton Session

Delegations from two city banks will attend the annual meeting of Group 8 of the Ohio Bankers Association Sept. 20 at Canton.

Attending from the First National Bank will be Frank Richmond, James Reaney, S. R. Bloor, Miss Louella Thompson and Richard Emmerling. A group of six or eight also plan to represent the Potters Bank & Trust Co.

Attending a Mellon Banking Co. event at Pittsburgh the same day will be Robert Boyce, president of the First National Bank, along with Roy Wilson, Jack Allison and Colin Neal of the bank's staff.

Firemen At Midland May Form Auxiliary

Midland volunteer fire company No. 1 met Monday evening and discussed plans to form a women's auxiliary.

Tony Monaco, president, said a meeting may be called in the near future with a group of interested women.

He reported a corn roast will be held for firemen and their families Sunday at 2 p. m. at a pavilion on Murphy Hill Rd. Ollie Hamel and Al Monaco are chairmen.

Next meeting is Oct. 9 in the Borough Building quarters.

Wrong Driver Cited, Case Is Dismissed

MILWAUKEE (AP) — Clarence Wallner was arrested for speeding but he testified that the engine on his car wasn't even running.

A patrolman said Wallner was going 42 miles an hour in a 25-mile zone. But Wallner said his car stalled and a garageman was pushing him with a jeep.

"Why didn't the officer arrest the guy in the jeep?" Wallner asked.

The judge dismissed the case.

Labor Department Analysis

Jobless May Dip Below Four Million In October

WASHINGTON (AP)—The Labor Department reported Tuesday a good chance that unemployment will drop below 4 million in October.

The department issued its detailed analysis of the August job picture of which Secretary Arthur J. Goldberg had already given highlights.

The report showed that both business payrolls and total nonfarm employment, as well as over-all employment, reached a record high for August but joblessness clung to the recession rate of 6.9 per cent.

The department's manpower expert, Dr. Seymour Wolfbein, told reporters the August total of idle men and women, 4,542,000, reflects "a pretty sticky problem." Nevertheless there are signs that it is yielding to continued gains in business, he said.

If unemployment follows a strictly seasonal pattern it will drop to about 4.2 million this month and 4 million in October, Wolfbein said.

"We think there is a good chance that we will get better than the seasonal performance," he added.

Resumption of production in auto plants following model changeovers, the strong upsurge of steel output and the withdrawal of hordes of young folk from the labor force with the reopening of school should contribute to the brightening of the job picture, Wolfbein said.

Virtually all manufacturing industries except automobiles shared in the August advance in non-farm employment which carried the over-all job total to 68,539,000—a rise of 40,000 from July and about 350,000 from August 1960.

The average work week in factories climbed to 40.1 hours, a gain of about one-tenth of an hour.

Weekly earnings of factory employes stood at $93.83 on the average, about the same as in July.

Beaver Asks Third Park

BEAVER — Beaver County Commissioners Tuesday made application for a third county park to be located in Potter Township off Route 18 near the Koppers Co.

The application was made to the government surplus agency for the purchase of 293 acres. The area was formerly used by the Air Force as a storage center.

It has about 4,000 feet on a section of Raccoon Creek which is suitable for swimming and boating.

After the application is sent in, a mineral rights and cost study will be made. The land may be purchased for half of its assessed valuation. The property has several buildings and roads.

If the county purchases it, the commissioners plan to make application for federal funds to aid in the development of the park. Federal aid is reported available.

The county has Bradys Run Park in the north, Economy Park in the southern part and the proposed new park is located centrally.

Unexpected Return

LOUISVILLE, Ky. (AP) — Michaele Jane Helm, 16, thought she had seen the last of her wallet when she dropped it accidentally into deep Lake Cumberland recently. But a few days later Louisville Patrolman Alvin Kley returned it. He had been at the lake training with the police scuba diving team when a dock attendant told him of a wallet mishap. He dived in and found it in 55 feet of water.

Georgetown Church Buys Adjacent Tract

The Georgetown Methodist Church has purchased adjacent property belonging to Mr. and Mrs. Thomas Lombard.

The new property gives the church additional space and no special use has been planned. The Rev. David Dayen is pastor.

Epicurean spread for crisp thin triangles of buttered toast: red caviar mixed with sour cream and a dash of lemon juice.

Man's Elaborate Plans For Bomb Shelter 'Blow Up'

DAYTON, Ohio (AP) — A Dayton man planned to build a nuclear blast shelter.

The original design was produced for testing at the Nevada proving grounds. Nuclear engineers claimed it would withstand five times the pressure of an atomic blast and keep out gamma rays and fallout.

Its estimated cost was above $2,500.

The resident hired a contractor. An engineer approved the plans. A 17-foot pit was dug in his backyard.

Then he applied to Montgomery County officials for a building permit.

His application was denied.

County engineers questioned whether the shelter would hold up the six feet of earth the man planned to pile on top of it.

West Virginia Firm Bares Merger Plans

SPENCER, W. Va. (AP) — The Spencer Manufacturing Co. announced today it would be merged soon with 16 other concerns that have combined annual sales of $80 million.

The new corporation will be known as the Kellwood Co., with headquarters in Chicago. It will be headed by Maurice Perlstein, now president of the McComb Manufacturing Co. of McComb, Mass.

All of the companies involved are supplies of private label goods to Sears, Roebuck and Co. The Spencer Manufacturing Co. produces sweaters and is the only West Virginia firm involved in the merger.

Squirrel That Steals Has A Nutty Taste

PITTSBURGH (AP) — A squirrel has been stealing candy bars from a vending machine in the city's Schenley Park.

A spokesman says the bushy-tailed thief reaches a paw up in the back of the machine, grabs a candy bar, then runs off to the nearest tree for a feast.

And it's a discriminating squirrel. It takes only candy bars with nuts in them.

War Reporter Dies

NEW YORK (AP) — Franz Weissblatt, 62, former war correspondent who received the United States' highest civilian decoration for his service at Bataan during World War II, died Tuesday. Since 1946 he had been an executive in the export management field.

Ex-Governor Dies

LEBANON, Mo. (AP)—Former Gov. Phil M. Donnelly, 70, the only Missouri governor to serve two full terms, died Tuesday at his home. He was governor from 1944-1948 and again from 1952-1956.

Must Be Sold At Once

The owner of this home advised us to sell this home at once and has priced it for a quick sale. There are three bed rooms, two on second floor, one on the first floor, has coal furnace, 220 power, water, sewer, on an improved street, the home is vacant as the owner has purchased other property and has vacated. Priced at only $4,500.00

This is vacant and can be purchased at a good price. Located near West Gate school, on an improved street. There are three bed rooms and bath on the second floor, three large rooms and reception hall on the first floor, a full basement with a coal furnace, this home could use some paint inside and out, otherwise it is in extra good condition. For quick sale the price is only $7,000.00

This home is also vacant, located close to the business section of the City. There are three bed rooms and a new bath on the second floor. There are three large rooms and kitchen on the first floor, also ample closet space, an older home in A-1 condition. A gas furnace, storm windows and some Air conditioning. Must be sold at once for $8,750.00

This home has just been completely remodeled and is located on a large lot 60 x 100 near a good school, fire Dept., play ground and bus line. There are two very large bed rooms and bath on the second floor, the kitchen is all electric and new. A full basement, new gas furnace and basement garage for two cars, the lot is level. Selling for $11,500.00

Call our Office for additional information and an appointment to view these homes. We are at your service at all times.

Area Vegetable Supplies Hit Peak

Area vegetable counters are overflowing with locally - grown fresh vegetables according to Richard Skinner, marketing agent with the Co-operative Extension Service in Canfield.

Other fresh vegetables in good supply are potatoes, peppers, squash and cucumbers. Sweet corn still is available at very economical prices. Supplies will decrease rapidly after this week. If you are planning on freeing corn and have not yet done so, you should within the week, he said.

Buy corn that is displayed in a cool place and preferably corn that has been iced or held under refrigeration. The kernels should be well-filled, bright, plump and milky — yet firm enough to resist light pressure. If the husks are on, they should be fresh and green. Both immature and over mature corn lacks sweetness and flavor.

—:—

TOMATO CANNING season is finally with us. Tomatoes will be quite plentiful until the first frost. A bushel of tomatoes will make 15 to 20 quarts when canned. You also may want to consider making juice or canning tomatoes.

If you buy a quantity of tomatoes, you will want to keep them in a cool, not cold, place. To maintain high quality for several days, keep vine-ripened tomatoes at 50 to 55 degrees in a place such as a cool basement. Do not store tomatoes in the refrigerator for a period of time, as they lose their characteristic flavor and develop a flat taste. Tomatoes should be refrigerated just before using.

If tomatoes have not been allowed to color on the plant to the firm-ripe stage, keep them at room temperature until full color develops and then store them at a lower temperature. Do not place tomatoes in direct sunlight.

—:—

PRESENT POTATO prospects promise ample supplies and reasonable retail prices for months to come. The late summer crop which is now being harvested is about the same as last year, but the national fall crop is expected to be about a fifth larger than average.

This means lower prices to both the farmer and the consumer. The Idaho potato crop is 30 per cent above last year's large crop. You will probably find your grocer featuring Idaho potatoes this winter at very low prices. About half of the Ohio crop of 200 million pounds goes into chips. The other half is sold as table stock with a large percentage of this half being produced and sold in this immediate area.

This means more economical potatoes for area consumers because of the nearness to market which results in less transportation cost.

—:—

PEPPERS ARE available all year, but they are most plentiful and economical now. Peppers are high in Vitamin A and C and unusually high in Vitamin C. If you have green pappers in your garden or if you find a quantity of peppers with low price tags, you may want to freeze them. They are one of the easiest vegetables to freeze because they don't have to be heated in boiling water or steamed before packing for the freezer.

For freezing, select firm, crisp, thick-walled peppers. Wash and cut off stems, cut in half and remove seeds. If desired, cut into half-inch strips or rings. Pack the halves or slices of pepper into freezer containers, leave no head space in the container and freeze immediately.

—:—

IF YOU PLAN to use the peppers in cooked dishes, heat the halves in boiling water three minutes, slices two minutes. Cool promptly in cool water and drain. Pack in freezer containers leaving half-inch headspace for expansion during freezing. Seal container and freeze at once. The directions also apply to freezing hot garden peppers.

We are now in the middle of the changing squash seasons. Summer squash is disappearing from the markets and the fall squash is making its appearance.

The main difference between the summer and fall squash is in the rind. The summer squash have a tender rind while the fall squash have a hard rind. We eat all of the summer squash; the seeds, flesh and rind, while we eat only the flesh of the fall or winter squash.

Both types of squash are very versatile. Cook them just enough to bring out the best of flavor with a minimum of water concentrated toward the end. Important to weight watchers is the fact that summer squash has only about half the calories of fall or winter squash.

Cucumbers are available almost the year round although now is the peak of the season locally. Nearly all the cucumbers on area markets are supplied by local growers. Cucumbers of good quality and size are selling for about 5 cents each.

Small size eggs are usually the best buy on area markets.

Needle Pattern

Health Board Hears 7 For Inspector's Post

LISBON — Seven applicants were interviewed Monday night by the County Health Board, seeking are placement for Earl Wang of North Georgetown, plumbing inspector, who resigned Sept. 1.

Ten applications had been received. However, two applicants withdrew and another was ill and could not appear. The board said it talked with each applicant and discussed his qualifications.

The board said it hopes to fill the vacancy at its regular meeting Monday night. Wang held the post 14 years.

Book By Veteran Physician Suggests Daily Somersault

The wisdom of elderly doctors is a sure-fire formula for a best-seller, as evidenced by the great success of "Vermont Folk Medicine."

Among new books at the Carnegie Public Library, another octogenarian has come forward to challenge the prescriptions of Dr. Jarvis, whose penchant for vinegar and honey has been sweeping the country. Dr. Brady, who practiced for many years in Elmira, N. Y., diagnoses the human needs in "Secrets of Positive Health." One of his pet cures is a daily somersault, but he also has great faith in quantities of calcium.

Next to his own health, the average reader seems most curious about what makes the wheels go round in the lives of doctors and in the world of hospitals. A duo of new novels sheds light on this area and at the same time provides a maximum of entertainment: "The Identity of Dr. Frazier" by George Sklar and "Good-Bye Dr. Rich" by Andre Soubiran.

Readable histories are coming up on the scale on the layman's interests, probably due to the shrinking of our world.

Government and current history used to seem so far away. Two of the reasons for this new trend are the clairvoyance of sharp reporters such as Theodore H. White. He analyzes in minute detail "The Making of the Presidents in 1960." Much blame is given Nixon's staff for its failure to treat the press cordially.

Hugh Thomas has done amazing research on "The Spanish Civil War," a real first for this era.

Big cities such as New York often serve as a springboard for youthful criminals. Such was the fate of Carmelo Soraci. The account of his years in Sing Sing and his eventual release through the use of his artistic talents are related in his own story, "The Convict and the Stained Glass Windows."

Seymour Epstein, in "The Successor," explores the New York business world. He paints the city scene with unerring fidelity.

Two regional novels of America promise fruitful reading for those who prefer the modern scene: "Sow Not in Anger" is a novel of a Southern family dynasty and Barbara Woolcott writes of a woman whose roots were deep in the picturesque isle of Martha's Vinyard in "The Blessed Spot." She is a niece of the famous Alexander Woolcott.

A Greensboro, (N.C.) minister, John A. Redhead, presents a new formula for happiness in "Living All Your Life."

Aides Appointed For X-Ray Drive

Workers to aid in the three-day city visit of a mobile X-ray unit from the State Department of Health were announced by the city Board of Health, which is sponsoring the free chest examinations.

The mobile unit will be located at the Veterans Social Club on Pennsylvania Ave. from 2 to 5 and 6 to 9 p.m. today and in the Diamond on Thursday and Friday. Thursday's hours will be from 3 to 9 p.m. and on Friday the unit will be open from 2 to 5 and 6 to 9 p.m.

Assisting at the Social Club today will be Mrs. Anna Mae Jones, Mrs. Molly Ann Stone, Mrs. Grace Smith, Mrs. Dorothy E. Peters, Mrs. Lucille Monroe, Mrs. Josephine Spencer and Mrs. Rosalie Spencer.

Working Thursday will be Mrs. Dorothy Cloran, Mrs. Helen Beck, Mrs. Lilyan Alpern, Mrs. Marie Hays, Mrs. Edna Sweeney and Mrs. Ceil Teague. Friday's aides will be Mrs. Nellie McLain, Mrs. Mabel Kaiser, Mrs. Dorothy Horsley, Mrs. Robret K. Duling, Mrs. Mary McCullough, Mrs. May Hartt, Mrs. Frances Savage and Mrs. Betsy Woolweaver.

Did you know that codfish cake mix is available in a can? All you have to do to prepare it is to add a beaten egg and some butter and then deep-fat fry.

Steel Producers' Spirits Dimmed By Strike At GM

PITTSBURGH (AP) — The strike against General Motors Corp. has dampened the spirits of steel producers in the Pittsburgh area.

They had hoped the strike by the United Auto Workers would be averted and that auto companies would place big orders for model changeovers.

Jones & Laughlin Steel Corp. had been getting ready for a production speedup. J&L is a big supplier of sheet metal for GM.

U.S. Steel Corp.'s nearby Irvin Works felt the effect of the closing of GM's Fisher Body plant in West Mifflin even before the national strike hit Monday. The West Mifflin plant, which receives a large amount of steel from the Irwin Works, closed down last Wednesday in a local labor dispute.

In addition, the strike is hurting the Pittsburgh Plate Glass Co., which produces glass for autos at its Creighton, Ford City and Greensburg plants.

Cook pared diced squash (any kind) in a small amount of salted boiling water just until tender; drain. Mash with butter and lots of freshly - ground black pepper. The pepper does the trick in making a bland vegetable really flavorsome. Try it!
